London Borough of

BROMLEY

LOCAL DEVELOPMENT SCHEME

February 2015

Introduction**APPENDIX 1**

- 1.1 The Planning and Compulsory Purchase Act 2004 (The Act) requires the Council to prepare and maintain a 'local development scheme'. This document is the revised Local Development Scheme for Bromley, (also referred to as the LDS). It replaces the September 2013 version for Bromley published in Autumn 2013. This version has been prepared with regard to the Act and its associated Regulations which set out what is required of an LDS.
- 1.2 This LDS takes into account the changes in legislation and policy at a national and regional level and the resources available to the Council. It reflects the impact of continued planning reforms, and the Mayor's 2014 publication of Further Alterations to the London Plan, which when adopted and forming part of the London Plan (as amended) the Local Plan will be required to be in conformity with.
- 1.3 The primary purposes of the LDS is to inform the public about local development plan documents for Bromley and the timescale for their preparation. National Planning Policy Guidance (2014) states that local authorities should publish the timescale on its website and keep this up to date.
- 1.4 Bromley adopted its UDP in 2006, and 'saved' many of its policies in 2009. The Council subsequently worked on its Local Development Framework, and under this system adopted the Bromley Town Centre Area Action Plan and Supplementary Planning Documents for Affordable Housing, and for Planning Obligations. The Council is now preparing Bromley's borough-wide 'Local Plan'.
- 1.5 There are six different types of planning document that could potentially be prepared. Their content varies from policies for the use of land, policies for involving the public in planning, guidance and information and procedural documents.
- Development Plan Documents (DPDs)
 - Neighbourhood Plans
 - Supplementary Planning Documents (SPDs)
 - Community Infrastructure Levy (CIL) Charging Schedule
 - Statement of Community Involvement (SCI)
 - Authority Monitoring Report (AMR)

Development Plan Documents (DPDs) form the Local Plan for the Borough.

- 1.6 The Bromley Local Plan will be the borough-wide DPD which sets out the overarching strategy for the future development of the Borough to 2031-36 and detailed policies to manage new developments and incorporates strategic site allocations supporting its delivery. The Bromley Town Centre Area Action Plan is an existing Adopted DPD

covering a specific part of the Borough, and will be incorporated within the 'Local Plan' once adopted.

- 1.7 The statutory **Development Plan** for Bromley currently comprises the London Plan (2011), the 'saved' policies of the 2006 UDP, and the Bromley Town Centre Area Action Plan.
- 1.8 Local Development Documents must be in 'general conformity' with the London Plan, (the Mayor's Spatial Development Strategy).

Neighbourhood Plans

- 1.9 The Localism Act 2011 makes provision for Neighbourhood Plans, a new type of planning document to be prepared. Neighbourhood Plans are community-led documents which would be initiated through a Neighbourhood Forum and ultimately adopted by the Council as part of its development plan. Neighbourhood Plans have to be in 'general conformity' with strategic policies in the Local Plan for an area, and are subject to independent examination and a referendum.
- 1.10 There are currently no Neighbourhood Forums within the Borough and no proposals for Neighbourhood Plans.

Supplementary Planning Documents

- 1.11 Supplementary Planning Documents are used to amplify planning policy within development plan documents. There is no legal requirement for these to be included within the LDS, and this enables local planning authorities to respond as circumstances change. They do not form part of the 'Development Plan' for the Borough. However, they are considered material considerations and provide additional detail to existing policy in the development plan or national policy. Where it is known they are likely to be prepared within the LDS timescale reference is made to them, but there is scope for additional SPDs to be prepared and information will always be published on the Council's website.
- 1.12 DPDs and SPDs are subject to public consultation. In addition, DPDs are subject to Sustainability Appraisals in their preparation to assess the economic, social and environmental effects of the plans. DPDs are submitted to the Secretary of State and an Examination in Public by a Planning Inspector.
- 1.13 The Town and Country Planning (Local Planning) England 2012 Regulations sets out the revised procedure for the preparation and review of Local Plans.

Community Infrastructure Levy (CIL) Charging Schedule

- 1.14 The Community Infrastructure Levy is a charge that local planning authorities may choose to levy on new development to fund infrastructure required to support growth and the delivery of the Development Plan for the area. To date, LB Bromley has used S106

agreements negotiated with developers to secure funding where needed as appropriate. However, restrictions to the pooling of S106 agreements come into effect from April 2015 to avoid the use of S106 and CIL monies to pay for the same piece of infrastructure. No more than five S106 contributions can be pooled to fund the same type of infrastructure. The CIL Charging Schedule will set out the rates at which CIL will be charged for specific types of development.

Bromley's Current Position

- 2.1 The Council decided to move to preparing a Local Plan in line with the NPPF rather than a Local Development Framework which it started to prepare and adopted some documents.
- 2.2 The current Development Plan for the Borough comprises:
 - 'saved' policies from the 2006 UDP
 - Bromley Town Centre Area Action Plan (2010)
 - Affordable Housing SPD (2010)
 - Planning Obligations SPD (2010)
 - Supplementary Planning Guidance linked to the saved UDP policies
 - The London Plan (2011)
- 2.3 Diagram 1 illustrates this position.
- 2.4 During the Local Plan preparation the development plan for Bromley comprises the London Plan (2011) as amended, the 'saved' policies from the 2006 Unitary Development Plan.

Saved Policies

- 2.5 The Unitary Development Plan (UDP) 2006 was saved for three years after adoption by virtue of the Planning and Compulsory Purchase Act 2004. The Council sought agreement of the Secretary of State to retain specific policies beyond this period.
- 2.6 The Secretary of State for Communities and Local Government issued a Direction to Bromley that specifies which policies in the UDP can continue to be saved as part of the Development Plan. Appendix 2 lists the policies 'saved'.

Supplementary Planning Documents

The Council has two adopted Supplementary Planning Documents: 'Affordable Housing', and S106 Obligations'.

Supplementary Planning Guidance

The Council's existing supplementary planning guidance (SPG) can only remain in force while the relevant UDP policies are operational. All are currently linked to 'saved' policies and have been retained as a material

consideration in the determination of planning applications. Table 2 shows the current SPG linkages to 'saved' policies.

Preparation of the Local Plan

- 3.1 The Council signalled it would move to a Local Plan with the National Planning Policy Framework (2012) and incorporate the work undertaken so far to progress the Local Development Framework. This included the evidence base which continues to be updated as appropriate, and the Core Strategy Issues Document consultation from 2011.
- 3.2 In 2012 the Council undertook consultation on its Local Plan 'Options and Preferred Strategy' and in 2014 its 'Draft Policies and Designations' Document. The issuing of the Draft Policies and Designations Document overlapped with the Mayor of London consulting on the Draft Further Alterations to the London Plan in early 2014. The FALP are due to be adopted in March 2015 and the Local Plan will be required to be in general conformity.
- 3.2 The Local Plan when adopted together with the London Plan will form the Development Plan for the Borough.
- 3.3 There is a period of transition between the old and new systems. The old system is represented by the 'saved policies of the 2006 adopted Bromley Unitary Development Plan (UDP) and currently these together with the Bromley Town Centre Area Action Plan form the Development Plan for the Borough together with the London Plan. Appendix 1 sets out the 'saved' UDP policies. The new system will comprise the Bromley Local Plan.

Development Plan Documents

- 3.4 Bromley Borough Local Plan – this will set out the spatial vision and strategic objectives, policies for managing development in the Borough, identify the main sites where development or change is anticipated and

the proposals map identifying areas designated for protection or where areas where specific policies will apply. It will incorporate the Bromley Town Centre Area Action Plan with any amendments that are made during the Local Plan process.

- 3.5 In addition there will be a Community Infrastructure Levy (CIL) Charging Schedule
- 3.6 The timetable for the production of these two documents is detailed in Tables 2 and 3 shown in summary on Annex 1. Diagram 2 shows the other documents involved as well.

Diagram 2

BROMLEY'S DEVELOPMENT PLAN (PLANNED)

- 3.7 The LDS is only required to set out the timetable for Development Plan Documents which have to be subject to an Examination in Public. However, the Council considers it useful to indicate the Supplementary Planning Documents which are anticipated to be prepared.

Planning Obligations – The existing SPD will be reviewed in line with the Borough Local Plan and the introduction of the Borough's Community Infrastructure Levy (CIL).

Affordable Housing – It is anticipated that the existing SPD will be reviewed and updated in light of the Borough Local Plan following its adoption.

Character and Design – This would be a new SPD covering in the main the topics covered by the current SPGs regarding General Design and Residential Design and follow on from the Local Plan.

Other Documents

3.8 Local Development Scheme This document will be kept under review and progress monitored as part of the Authorities Monitoring Report.

Risk Assessment

- 4.1 The Council is required in the LDS to set out a clear timetable for the delivery of the local development documents. Therefore it is important to identify the risks that could affect the work programme shown and to consider how these can be minimised and mitigated. The main issue is the impact the risks could have on the programme, although it is important that the plan progresses in compliance with legislation and regulations and is found 'sound' at its Examination to ensure a robust up to date Local Plan at the end of the process.

Table 4 - Risk Assessment

Risk Identified	Likelihood/Impact	Management Action
New policy guidance being published part way through the plan preparation	medium/high The Coalition Government has undertaken an extensive reform of the planning system and this is continuing with the 2014 Technical consultation on planning rights. There may be further changes with a new government following the May 2015 General Election.	<ul style="list-style-type: none"> High level policy change is monitored. Plan has to be progressed on the best information available at the time. Seek advice from the GLA, DCLG and Planning Inspectorate as appropriate.
Loss of staff/reduction in staff resources/competing work priorities. Reduced ability of other departments and partners to contribute effectively and in a timely manner.	medium/high The Council is going through a period of transformation. Loss of experienced staff will impact on the production of local development documents and ability to keep to the timescale. Many partner agencies are also experiencing substantial change and a reduction in resources which may impact on their ability to contribute as planned.	<ul style="list-style-type: none"> Staff input from other departments secured at Chief Officer level Recognition of the importance of the Local Plan and its priority over other work. Focus resources on the Local Plan and minimise non statutory work Use work experience, other planning colleagues to contribute Use consultants for specialist work subject to available funding If necessary and other alternatives exhausted timetable will need to be reviewed.

Capacity of the Planning Inspectorate and other agencies to support the process	Low/high Decisions taken nationally to change the resources of statutory agencies and their capacity to deal with consultations or the programme Examination process could cause delays	<ul style="list-style-type: none"> • Liaise with Planning Inspectorate in revising the LDS and keep PINS up to date if the timetable changes. • Maintain contact with key agencies to minimise prospect of slippage

Local Plan Evidence Base

5.1 Local Development Documents are required to be underpinned by up to date evidence. The Council has undertaken, and where necessary commissioned research to support the preparation of the plan and this is available via the 'bromley.gov.uk' website. However, the Council has an obligation to keep its evidence up to date and to undertake new studies as necessary and review existing evidence in a timely manner.

5.2 Further work being undertaken/required includes:

Duty to Co-operate

- 6.1 The Duty to Co-operate was created in the Localism Act 2011, and amends the Planning and Compulsory Purchase Act 2004. It places a legal duty on local planning authorities, county councils in England and public bodies to engage constructively, actively and on an ongoing basis.
- 6.2 The strategic priorities the Government expects joint working includes where appropriate:
- The homes and jobs needed in the area;
 - The provision of retail, leisure and other commercial development
 - The provision of infrastructure for transport, telecommunications, waste management, water supply, wastewater, flood risk, and coastal change management, and the provision of mineral and energy (including heat);
 - The provision of health, security, community and cultural infrastructure and other local facilities,; and
 - Climate change mitigation and adaptation, conservation and enhancement of the natural and historic environment, including landscape.)
- 6.3 The Duty to Co-operate covers a number of public bodies in addition to councils. These bodies are set out in Part 2 of the Town and Country Planning (Local Planning) (England) Regulations 2012 and comprise:
- Environment Agency
 - Historic Buildings and Monuments Commission for England (English Heritage)
 - Natural England
 - Mayor of London
 - Civil Aviation Authority
 - Homes and Community Agency
 - Clinical Commissioning Groups
 - National Health Service Commissioning Board
 - Office of the Rail Regulator

Highways Agency
Transport for London
Integrated Transport Authorities
Highway Authorities
Marine Management Organizations

- 6.4 These bodies are required to co-operate with councils on issues of common concern to developing sound local plans. Local Enterprise Partnerships and Local Nature Partnerships are not covered by the Duty but local planning authorities have to co-operate with LEPs and LNPs having regard to their activities as they relate to Local Plans.
- 6.5 The Council has, and continues to undertake a range of work to ensure the Duty to Co-operate is met. This includes one to one meetings with neighbouring authorities on specific issues, and specific stages in the preparation of respective development plan documents, meeting with groups of authorities, for instance South East London boroughs, boroughs adjoining Crystal Palace, participating in London wide initiatives and Bromley's non-London neighbouring authorities,. These include adjoining parishes, Dartford, Sevenoaks and Tandridge Councils, and Kent and Surrey County Councils.
- 6.6 Specific work is undertaken on a cross borough basis, for instance, the joint Strategic Housing Market Assessment undertaken jointly with Bexley, Southwark, Greenwich and Lewisham, as the five boroughs that make up the established South East London Housing Market Area. Working with authorities and other partners through Biggin Hill Consultative Committee and the Locate Initiative are also examples of the Duty to Co-operate.
