### **Annual Certification Report (2013/14)**

We are pleased to present our Annual Certification Report which provides members of the Audit Sub-Committee with a high level overview of the results of the certification work we have undertaken at London Borough of Bromley for financial year ended 31 March 2014.

We have also summarised our fees for 2013/14 certification work on page 5.

### **Results of Certification Work**

For the period ended 31 March 2014, we certified one claim worth a net total of £129,295,506. The claim required a qualification letter to set out the matters arising from the certification findings. We have set out further details within the report.

We identified matters relating to the Authority's arrangements for the preparation of the relevant claim during the course of our work, some of which were minor in nature. The most important of these matters are brought to your attention in this report.

We ask the Audit Committee to consider:

- the adequacy of the proposed management action plan for 2013/14 set out in Appendix A; and

Going forward, with changes in the Audit Commission structure, only the Housing Benefit Subsidy claim will be subject to certification under the existing regime. All other requests for auditor assurance work for claims and returns will operate outside of these engagement arrangements.

Yours faithfully,

PricewaterhouseCoopers LLP

# ***Introduction***

## ***Scope of Work***

Each year some grant-paying bodies may request certification by an appropriately qualified auditor, of claims and financial returns submitted to them by local authorities. Certification arrangements are made by the Audit Commission under Section 28 of the Audit Commission Act 1998 and is one way for a grant-paying body to obtain assurance about an authority's entitlement to grant or subsidy or about information provided within a return.

Certification work is not an audit but a different type of assurance engagement which reaches a conclusion but does not express an opinion. This involves applying prescribed tests, as set out within Certification Instructions (CIs) issued to us by the Audit Commission; these are designed to provide reasonable assurance, for example, that claims and returns are fairly stated and in accordance with specified terms and conditions. The precise nature of work will vary according to the claim or return.

Our role is to act as 'agent' of the Audit Commission when undertaking certification work. We are required to carry out work and complete an auditor certificate in accordance with the arrangements and requirements set by the Audit Commission.

We also consider the results of certification work when performing other Code of Audit Practice work at the Authority, including our conclusions on the financial statements and value for money.

International Standards on Auditing UK and Ireland (ISAs), the Auditing Practices Board's Practice Note 10 (Revised) and the Audit Commission's Code of Audit Practice do not apply to certification work.

## ***Statement of Responsibilities***

The Audit Commission publishes a 'Statement of responsibilities of grant-paying bodies, authorities, the Audit Commission and appointed auditors in relation to claims and returns' this is available from the Audit Commission website. It summarises the Commission's framework for making certification arrangements and highlights the different responsibilities of grant-paying bodies, authorities, the Audit Commission and appointed auditors in relation to claims and returns.

## Claims and Returns certified

A summary of the claims and returns certified for financial year 1 April 2013 to 31 March 2014 is set out in the table below.

The Audit Commission require that all matters arising are either amended for (where appropriate) or reported within a qualification letter. The report is based on the work carried out as agent of the Commission.

A qualification letter was required to set out matters arising from the certification of the claim. All deadlines for authority submission of the claim were met. All deadlines for auditor certification were met.

Fee information for the claims and returns is summarised on page 5.

## Summary:

<i>CI Reference</i>	<i>Scheme Title</i>	<i>Form</i>	<i>Original Value</i>	<i>Final Value</i>	<i>Amendment</i>	<i>Qualification</i>

These fees reflect the Authority's current performance and arrangements for certification.

# ***Matters Arising***

There were no significant issues of note; however details of matters giving rise to our qualification of the Housing Benefit Subsidy claim are set out in Appendix A.

## **Prior year recommendations**

We have reviewed the progress made by the Authority in implementing the certification action plan for 2012/13; details can be found in Appendix B.

# Appendix A

## Management Action Plan: Current year issues (2013/14)

### *BEN01 Housing Benefit Subsidy Claim (deadline 30 November 2014)*

Issue	Recommendation	Management response	Responsibility (Implementation date)
<p>From our initial testing of 40 cases, we found six cases where benefit had been overpaid due to the claimants moving address. The overpayment was classified incorrectly as the claimant's error when it is a technical error.</p> <p>No additional testing was performed as the Authority is not in agreement on the error.</p> <p>This matter was reported in our qualification letter.</p> <p>The Department for Work and Pensions (DWP) has subsequently written to the Authority setting out their agreement with the Audit finding. They have suggested the Authority performs further testing or alternatively accept a claw back in subsidy. The Authority is currently considering their position.</p>	<p>While the issue noted is relatively minor in the context of the complexity of the BEN01 claim, we recommend that the Authority continues its programme of training officers regularly, to minimise the possibility that errors occur in future.</p>	<p>The Authority now accepts that the overpayment classification of "Technical Error" be attributed to these overpayments. It is further acknowledged that the level of subsidy payable for 2013/14 will be lower than originally claimed. Written guidance will be produced to ensure that officers act in accordance with this agreement.</p>	<p>Head of Revenues and Benefits work has already commenced on producing guidance material. System interrogations being compiled to identify any cases that may have been incorrectly classified in 2014/15.</p>

# ***Appendix B***

## **Management Action Plan: Prior year issues (2012/13)**

For 2013/14 under Audit Commission certification arrangements, the following schemes did not apply:

- LA01 National Non Domestic Rates
- PEN05 Teachers Pensions Return

Alternative arrangements may have been entered into directly between the grant paying bodies and assurance practitioners, however for the purposes of this report, which is focused on Audit Commission certification work, these schemes have been excluded; on this basis where issues arose in prior year these are now excluded from the action plan.

- BEN01 Housing Benefit Subsidy Claim (deadline 30 November 2013)

Due to the removal of Council Tax subsidy from the 2013/14 claim form, any issues noted in 2012/13 in relation to this particular benefit type have been excluded.

A prior year action plan no longer exists.
