#### 3. COMMENTARY

- 3.1 The Matters Arising table is attached at **Appendix 1.** This report updates Members on matters arising from previous meetings which are ongoing.
- 3.2 The current Work Programme is attached as **Appendix 2.** The Work Programme is fluid and evolving. Meetings are scheduled so that generally speaking they will be held approximately two weeks after CCG Board meetings which will facilitate more current feedback from the CCG to the HWB.

In approving the Work Programme members of the Board will need to be satisfied that priority issues are being addressed, in line with the priorities set out in the Board's Health and Wellbeing Strategy and Terms of Reference which were approved by Council in April 2013.

- 3.4 The Chairman proposes to reduce the frequency of Board meetings, given the establishment of Task and Finish Groups around Health & Wellbeing priorities and the related work and time commitment to attend meetings for all Board Members in between.
- 3.5 For Information, **Appendix 3** shows dates of Meetings and report deadline dates.
- 3.6 For Information, **Appendix 4** outlines the Constitution of the Health and Well Being Board.
- 3.7 **Appendix 5** is the updated Glossary.
