3. COMMENTARY

- 3.1 At the first meeting of each Council year this Committee makes appointments to outside bodies on behalf of the Council. These are mainly annual appointments, but some are for three or four year terms, particularly in a Council election year, and some appointments end on specific dates throughout the year.
- 3.2 Nash College is an independent specialist college providing specialised high quality care and education for students aged 18 – 25 in Croydon Road, Hayes. A new Instrument and Articles of Government for the College took effect on 1st September 2015. The Council has received a request from Liveability, a national charity which runs Nash College, for a local authority representative to sit on the College's newly re-formed governing body. The Committee previously appointed Councillor Neil Reddin as the Council's representative to Nash College, but he does not wish to be appointed to the new governing body. The Committee is now asked to consider appointing another member to the Nash College governing body.
