The lead petitioner or their nominee can address the Council for up to five minutes.
- 1.2 A petition has been received from the Knoll Residents Association asking the Council to designate part of Petts Wood and Knoll ward as an Area of Special Residential Character (ASRC); further details are set out in section 3 of this report.

3. COMMENTARY

- 3.1 The Council's Petition Scheme allows for petitioners to present their case to full Council if they are dissatisfied with the Council's response to their petition, provided that the number of verified signatures exceeds the threshold of 500 signatures. The lead petitioner or their nominee can address the Council for up to five minutes. Once Council has considered the matter, it can choose whether to recommend any further action.
- 3.2 A petition was received in August 2015 from the Knoll Residents Association asking the Council to designate part of Petts Wood and Knoll ward as an Area of Special Residential Character. The petition contained in excess of 900 signatures.
- 3.3 The full prayer of the petition is as follows –
- “To safeguard the distinctive character of the Knoll Area (broadly the area bounded by Dale Wood Road, Crofton Lane, Lynwood Grove cutting across to Irvine Way, Broxbourne Road, Chislehurst Road, Orpington High Street continuing into Sevenoaks Road until the railway line) by designating it an Area of Special Residential Character. We, the undersigned, are adult residents of the Knoll and petition the London Borough of Bromley to designate the Knoll area an ASRC.”
- 3.4 Members will recall that at the Council meeting on 29th June 2015 a petition was submitted requesting the designation of Bull Lane Allotments in Chislehurst as Local Green Space. The Council's response on that occasion was to refer the issue to Development Control Committee and the Executive so that the request could be assessed through the Local Plan process, and a similar approach could be applied in the case of the request from the Knoll Residents Association.
