310. Street Advertising Site Contract Gate Report	<p>With the contract for advertising at bus stops expiring in July 2016, TfL had given notice that it would not involve the Council in future contractual arrangements. The Council was seeking legal advice on this and the Deputy Leader suggested a cost sharing approach with other boroughs facing the same position. However, some boroughs received no income from advertising at bus stops - the position at L B Bromley was possibly unique. The Leader asked to be informed of the position when known. Members agreed the recommendations, the Leader looking to see that any possibility of cost sharing for legal advice is explored further, including the viability of such an approach.</p>	Concerning TfL's position on advertising at bus stops and a cost-sharing approach with other boroughs for legal advice, officers are looking into the matter and costs can be shared if appropriate.
