3. COMMENTARY

Meeting Schedule

- 3.1 Each PDS Committee determines its own work programme, balancing the roles of (i) holding the Executive to account, (ii) policy development and review and (iii) external scrutiny. This Committee has the additional role of providing a lead on scrutiny issues and coordinating PDS work.
- 3.2 PDS Committees need to prioritise their key issues. The work programme also needs to allow room for items that arise through the year, including Member requests, call-ins and referrals from other Committees. Committees need to ensure that their workloads are realistic and balanced, allowing sufficient time for important issues to be properly scrutinised. Members also need to consider the most appropriate means to pursue each issue – the current overview and scrutiny arrangements offer a variety of approaches, whether through a report to a meeting, a time-limited working group review, a presentation, a meeting focused on a single key issue or any other method.
- 3.3 A schedule of the Committee’s meetings in 2015/16 is attached at [Appendix 1](#), along with draft lists of reports. The timing of meetings is tied to the need to pre-scrutinise Executive agendas. As in previous years, question sessions with the Leader, Resources Portfolio Holder and Chief Executive have been included in the programme and dates have been confirmed with them.

Sub-Committees and Working Groups

- 3.4 The Policy Development and Scrutiny Toolkit suggests that each Committee should aim to carry out no more than two or three full scale reviews each year, and it offers guidance and techniques for prioritising reviews. At a time of pressure on Member and officer resources it is important that any additional work is carefully targeted at priority issues where improvements can be achieved. The Committee currently has a working group looking at Contracts. In recent years, this Committee has examined a number of issues through its Working Groups - part of the Committee’s workload may include follow-up work on some of these reviews.
- 3.5 A schedule of Sub-Committees and Working Groups across all PDS Committees is attached as [Appendix 2](#) to this report, updated with the latest details of the PDS working groups currently appointed.
