Dear Jeremy

Ground Improvements

Further to our recent conversations this is an advisory letter to express our concerns regards to the South Stand.

It is our concern that the 290 seats which are in this stand and contribute towards your 500 overall seats, required to meet the F A Category "A" Grade, are not in suitable enough condition to enable the club to meet its Ground Grading status beyond this season.

We understand the club has an application for a new 1400 seated stand and would have hoped to have seen proof of planning permission by now to remove the National Leagues concerns in order to continue participating at this level of football.

Yours sincerely

P D Hunter
National League Grading Consultant
