## Deputy Mayor 2016-2017 - Councillor Hannah Gray

### Annual Review & Report

It has been an honour and a privilege to be the Deputy Mayor for Bromley. I was thrilled to be asked by Cllr Ian F Payne and have thoroughly enjoyed every moment.

I have been supported by my Consort Mark Howard whenever possible and when he has been unavailable to attend, I have had the pleasure of being accompanied by my supportive family and friends.

My eldest son Charlie came on my first engagement which was the National Trust 200<sup>th</sup> Anniversary of the introduction of British Summer time in Chislehurst – we learnt so much about protocols on that day!

I have had the treat of visiting many different organisations and events throughout the year. I had a vast array of experiences which have increased my

awareness and of course respect for the huge secret army of volunteers who work happily and tirelessly.

I have also represented the Mayor in neighbouring boroughs. Oliver my younger son, partnered me to Ramsgate where we were robbed of the winners' cup in Croquet by one point.

During the year, I have assisted the Mayor in raising money for his Charities "The Breast of Bromley" and "The Salvation Army Youth Project". I had a great time at the Youth Project Kids Camp when I visited.

I even jumped out of a perfectly good plane to raise money, it was a different experience.

With so many special, memorable occasions and people, it's impossible to name them all but I thought a few photos might give an overview of a fantastic year.

It was also a tremendous honour and incredibly humbling to represent the Borough at the Remembrance Service in Orpington.

Finally, I want to thank everyone in the Mayoral Team who have taken care of us, advised us and made everything run so smoothly. You never know I may be back sometime for the top job!

Thank You
