ECHS DEPARTMENT PAY POLICY FOR CENTRALLY BASED TEACHING STAFF

1. OPENING STATEMENT

This policy will be applied to the pay of all Teaching staff employed by the Local Authority in centralised services.

The Local Authority seeks to ensure that all staff are recognised and rewarded for the level of responsibility that they carry, and for the individual contribution that they make to the work of the service.

Within the budget available to it, the Local Authority will endeavour to maintain a local pay policy, which will enable it to recruit, retain and motivate sufficient staff of suitable quality to achieve the aims and objectives of Building a Better Bromley.

The Local Authority will act with integrity, objectivity and honesty, will be open about decisions made and actions taken, and will be prepared to explain its decisions and actions.

2. AIMS OF THE LOCAL AUTHORITY

The aims of the Local Authority will be consistent with the aims and objectives of Building a Better Bromley.

3. AIMS OF THE PAY POLICY

The pay policy set out below is intended to:

- support and promote the LA's ethos, purpose, and development as set out in Building a Better Bromley;
- promote the principle of best value in terms of the LA's management of its resources;
- complement and support the LA's current personnel procedures and frameworks;
- support the aim of ensuring that all LA policies and procedures make a meaningful and sustained contribution to raising levels of achievement at the service;
- demonstrate the LA's commitment to good employment practice by ensuring that all pay-related decisions are made taking full account of the current version of the School Teachers' Pay and Conditions Document, and Building a Better Bromley and all pay related decisions are taken in compliance with the Equality Act 2010, The Employment Rights Act 1996, The Employment Relations Act 1999, The Employment Act 2002, The Part-time Workers (Prevention of Less Favourable Treatment) Regulations 2000, The Fixed Term Employees (Prevention of Less Favourable Treatment) Regulations 2002 and the Agency Workers Regulations 2010.
- demonstrate that the LA intends to treat all staff fairly and responsibly.

4. CONSULTATION

This policy will be reviewed annually or whenever significant changes in the School Teachers' Pay and Conditions Document (STP&CD) necessitate review. Consultation with staff and representatives from recognised teacher trade unions will be planned accordingly. Full information relating to vacant posts and responsibilities will be made available to staff.

5. EQUALITIES

The LA seeks to use this pay policy to promote equal opportunities within the LA, both in terms of applying to staff and providing an equal and wide curriculum with enriched learning opportunities. The LA will ensure that staff will not be unlawfully discriminated against in matters related to any of the protected characteristics set out in the Equality Act 2010.

The LA intends for Services to make fair and consistent pay decisions having due regard to LA advice and good practice. The LA will also try to provide appropriate support for all staff, for example good working facilities and sufficient non-contact time for teachers. All members of staff will have the opportunity to have their training and development needs reviewed regularly under the LA's performance management arrangements.

The LA will observe the relevant employment law provisions, notably the Equality Act 2010, EU Working Time Provisions, and health and safety requirements.

EQUALITIES AND PERFORMANCE RELATED PAY

The LA will ensure that its processes are open, transparent and fair. All decisions will be objectively justified. Adjustments will be made to take account of special circumstances, e.g. an absence on maternity or long-term sick leave. The exact adjustments will be made on a case-by-case basis, depending on the individual teacher's circumstances and the service's circumstances.

6. OTHER LA PROCEDURES

The LA pay policy will be considered alongside other LA personnel procedures/policies where there is a direct link between them. Procedures/Policies in this category are set out below.

APPRAISAL

The LA will comply with The Education (School Teachers' Appraisal) (England) Regulations 2012 concerning the appraisal of teachers. Assessment will be based on evidence from a range of sources (see the LA's appraisal policy). Although the service will establish a firm evidence base in relation to the performance of all teachers, there is a responsibility on individual teachers and appraisers to work together. Teachers should also gather any evidence that they deem is appropriate in relation to meeting their objectives, the Teachers' Standards and any other criteria (i.e. application to be paid on Upper Pay Range) so that such evidence can be taken into account at the review.

The Manager/Head of Service will moderate objectives to ensure consistency and fairness; the Manager/Head of Service will also moderate performance assessment and initial pay recommendations to ensure consistency and fairness.

GRIEVANCE

If a member of staff:

- has a grievance or complaint about their salary; or
- asks for a review of any decision regarding their pay;
- s/he must follow the LA's pay appeals procedure (see Appendix 2).

STAFF CAPABILITY: Pay Progression may be withheld if the employee concerned has been subject to formal capability action during the academic year preceding the award and the action is ongoing at the expected date of award. However, Pay Progression may be reinstated retrospectively if the formal capability process is discontinued or if the employee makes sufficient progress to reach a satisfactory level of performance. Reinstatement will occur from when the improvement in performance occurs.

The employee concerned should be formally notified as soon as possible of the possibility of pay progression being withheld. The employee should be offered appropriate support and/or training to help her/him to improve her/his performance within the context of the capability procedure.

RECRUITMENT AND SELECTION: when advertising permanent posts, the service will provide job applicants with appropriate salary and remuneration details as set out in this policy and will seek to reflect the LA's attributes and ethos in all advertising and recruitment material. All requests to recruit to a vacant post on either a temporary or permanent basis must be processed through the Budget Holder/Head of Service for approval and have regard for any special recruitment measures in place.

7. JOB DESCRIPTIONS

The LA's policy on job descriptions is as follows:

- (a) all staff should receive a job description (JD) in accordance with the staffing structure agreed by the Service, which should be subject to annual review. Staff will be consulted over the drawing up of the contents. The task of drafting and finalising job descriptions is delegated to the Manager/Head of Service who will have regard to advice and guidance issued by DfE and to any advice offered by the LA.
- (b) job descriptions will identify key areas of responsibility and will, where appropriate, contain tasks consistent with the Portfolio Plan and Building a Better Bromley. Staff job descriptions will clearly state management responsibilities attached to the post and any associated allowances.

- (c) appropriate differentials will be created and maintained between posts recognising accountability, job weight, and the need to recruit, retain, and motivate sufficient employees of the required quality at all levels.
- (d) where there is a clear and substantial change in duties, a member of staff may request a review of her/his existing job description. Any such request will be considered first by the Line Manager and then by the Head of Service should the member of staff request it.
- (e) all teacher job descriptions will make reference to teachers' statutory conditions of service as set out in the STP&CD.

8. PERSONNEL RECORDS

The LA holds personnel files for all staff. Staff may have access to their personnel and salary records as long as an HR Advisor is present. Every member of staff is entitled to have access to the pay policy.

9. LA OBLIGATIONS

The LA will fulfil its obligations to:

- **Teachers:** as set out in the School Teachers' Pay and Conditions Document (the Document) and the Conditions of Service for School Teachers in England and Wales (commonly known as the 'Burgundy Book').

The LA will need to consider any updated pay policy and assure itself that appropriate arrangements for linking appraisal to pay are in place, can be applied consistently and that pay decisions can be objectively justified.

The LA will consult with staff and Teaching Unions representatives on the appraisal and pay policies

The LA will ensure that it makes funds available to support pay decisions, in accordance with this pay policy and the LA's spending plan/budgetary commitments.

The LA will monitor the outcomes of pay decisions, including the extent to which different groups of teachers may progress at different rates, ensuring the LA's continued compliance with equalities legislation.

10. LINE MANAGER/HEAD OF SERVICE OBLIGATIONS

The Line Manager/Head of Service will:

- ensure that effective appraisal arrangements are in place and that any appraisers have the knowledge and skills to apply procedures fairly;

- establish clear arrangements for linking appraisal to pay progression and consult with staff, departmental and trade union representatives on appraisal and pay policies
- submit pay recommendations to the LA and ensure the LA has sufficient information upon which to make pay decisions;
- ensure that teachers are informed about decisions reached; and that records are kept of recommendations and decisions made.

11. TEACHERS' OBLIGATIONS

A teacher will:

- engage with appraisal; this includes working with their appraiser to ensure that there is a secure evidence base in order for an annual pay determination to be made;
- keep records of their objectives and review them throughout the appraisal process;
- share any evidence they consider relevant with their appraiser;
- ensure they have an annual review of their performance.

12. DIFFERENTIALS

Appropriate differentials will be created and maintained between posts within the service, recognising accountability and job weight, and the LA's need to recruit, retain and motivate sufficient employees of the required quality at all levels.

13. DISCRETIONARY PAY AWARDS

Criteria for the use of pay discretions are set out in this policy and discretionary awards of additional pay will only be made in accordance with these criteria.

14. PAY REVIEWS

Managers, in consultation with Heads of Service will ensure that every teacher's salary is reviewed following a review of their performance against their appraisal objectives in line with the LA's appraisal policy with effect from 1 September and no later than 31 October (except in the case of the Head Teacher where the deadline is 31 December) each year and give them a written statement setting out their salary and any other financial benefits to which they are entitled. Reviews may take place at other times of the year to reflect any changes in circumstances or job description that lead to a change in the basis for calculating an individual's pay. A written statement will be given after any review and will give information about the basis on which it was made. Decisions on the pay of the Head of Service will be communicated by the Director of Education, in writing together with the reasons why decisions have been taken.

15. SAFEGUARDING

Where a pay determination leads or may lead to the start of a period of safeguarding, the LA will give the required notification as soon as possible and no later than one month after the date of the determination.

16. PAY APPEALS PROCEDURE

A member of staff may seek a review of any determination in relation to his/her pay or any other decision taken by the LA (or a committee or individual acting with delegated authority) that affects his/her pay.

The following list, which is not exhaustive, includes the usual reasons for seeking a review of a pay determination:

That the person or committee by whom the decision was made:

- (a) incorrectly applied any provision of the Document;
- (b) failed to have proper regard for statutory guidance;
- (c) failed to take proper account of relevant evidence;
- (d) took account of irrelevant or inaccurate evidence;
- (e) was biased; or
- (f) otherwise unlawfully discriminated against the member of staff.

The arrangements for considering appeals is attached at Appendix 2

The following sections detail the arrangements for pay determinations for all Teaching staff employed at the service. Where appropriate, specific reference is made to the relevant paragraph's of the School Teachers' Pay and Conditions Document (STP&CD).

The LA will agree the budget to be set for pay, including performance pay, and will make appropriate decisions in the light of the LA's financial circumstances ensuring that appropriate funding is allocated for performance pay progression at all levels.

17. LEADERSHIP GROUP SALARIES

Head Teachers, Deputy Head Teachers, and Assistant Head Teachers are all classed as members of the 'leadership group'. They are paid on the Leadership Group Pay range and in accordance with the range for the Group Size of the School.

The LA will have regard to the provisions of the School Teachers' Pay and Conditions Document and will also take account of any other permanent payments, made to staff within the service to ensure that appropriate differentials are created and maintained between posts of differing responsibility and accountability.

HEAD TEACHER PAY

Pay on appointment

For appointments on or after 1 September 2017, the governing body will determine the pay range to be advertised and agree pay on appointment, taking account of the full permanent responsibilities of the role of the head teacher, any challenges that are specific to the role, and all other relevant considerations.

In the case of a new appointment the LA will consider whether the requirements of the post and the extent to which the preferred candidate meets those requirements are such that it would be appropriate to set the starting salary above the minimum of the head teacher group. The LA will ensure that there is appropriate scope within the range to allow for performance- related progress over time.

Pay ranges for Head Teachers will not normally exceed the maximum of the head teacher group. However, the Head Teacher's pay range may exceed the maximum where the LA determines that circumstances specific to the role or candidate warrant a higher than normal payment. The LA will ensure that the maximum of the Head Teacher's pay range and any additional payments made under the provisions of the School Teachers' Pay and Conditions Document does not exceed the maximum of the Head Teacher group by more than 25% other than in exceptional circumstances; and with the agreement of the Director of Education in such circumstances, the LA will seek external independent advice before providing such agreement and support its decision with a business case.

Serving Head Teachers

The LA will determine the salary of a serving Head Teacher in accordance with paragraph 11 of the 2017 Document.

- The LA will review the Head Teacher's pay in accordance with the Document and will consider annually whether or not to increase the salary of the Head Teacher and if it determines to do so, what salary within the relevant pay range where there has been a sustained high quality of performance having regard to the results of the most recent appraisal carried out in accordance with the Appraisal Regulations 2012 and any recommendation on pay progression in the head teacher's most recent appraisal report.
- The LA may determine the head's pay range, within the group range for the school, at any time if it considers it is necessary.
- If the LA makes a determination to change the pay range it will determine the head's pay range within the group range for the school, in accordance with the requirements of the SCTP&CD.

Determination of temporary payments to head teachers

The LA may determine that payments be made to a head teacher for clearly temporary responsibilities or duties that are in addition to the post for which their salary has been determined. In each case the LA will not have previously taken such reason or circumstance into account when determining the head teachers pay range.

The total sum of the temporary payments made to a head teacher in any school year must not exceed 25% of the annual salary which is otherwise payable to the head teacher, and the total sum of salary and other payments made to a head teacher must not exceed 25% above the maximum of the head teacher group, except in wholly exceptional circumstances and with the agreement of the Director of Education. The LA will also seek external independent advice before producing a business case seeking such agreement.

DEPUTY/ASSISTANT HEAD TEACHERS

Pay on appointment

The LA will, when a new appointment needs to be made, determine the pay range to be advertised and agree pay on appointment as follows:

- The LA will determine a pay range in accordance with paragraph 9.2 to 9.4 of the Document, taking account of the role of the deputy/assistant head teacher in accordance with part 7 – The Contractual Framework for Teachers;
- The LA will record its reasons for the determination of the deputy/assistant head pay range.
- The maximum of the deputy or assistant head teacher's pay range will not exceed the maximum of the head teacher group for the school. The pay range for a deputy or assistant head teacher will only overlap the head teacher's pay range in exceptional circumstances.

Serving deputy/assistant head teachers

- The LA will review the deputy/ assistant head teacher's pay in accordance with the Document and will consider annually whether or not to increase the salary of the deputy/assistant head teacher and if it determines to do so, what salary within the relevant pay range where there has been a sustained high quality of performance having regard to the results of the most recent appraisal carried out in accordance with the Appraisal Regulations 2012 and any recommendation on pay progression in the deputy/assistant head teacher's most recent appraisal report.
- the LA will review and, if necessary, re-determine the deputy/assistant head pay range where there has been a significant change in the responsibilities of the serving deputy/assistant head teacher

18. ACTING ALLOWANCES

Acting allowances are payable to teachers who are assigned and carry out the duties of head, deputy head or assistant head in accordance with paragraph 23 of the Document. Except in the case of the Deputy Head, who is contractually obliged to act as the Head in the Head's absence, any member of staff acting up to a higher position should have first agreed to take on the acting duties in question.

The LA will, within a four week period of the commencement of acting duties, determine whether or not the acting postholder will be paid an allowance. In the event of a planned and prolonged absence, an acting allowance will be agreed in advance and paid from the first day of absence.

Any teacher, who carries out the duties of head, deputy head, or assistant head, for a period of four weeks or more, will be paid at an appropriate point of the head's pay range, deputy head range or assistant head range, as determined by the LA. Payment will be backdated to the commencement of the duties.

Should the Deputy Head assume the Head's duties temporarily (s)he will do so without payment only when (s)he has assumed duties in the Head's absence and the period of acting duties does not last for more than four weeks. However, if the Head Teacher position is vacant or the Deputy acts up as the Head for more than four weeks the Deputy should be paid accordingly.

Acting allowances for any position other than a leadership group member, will be decided by the Head Teacher/Manager/Head of Service taking into account the responsibilities of the post, the salary of the person acting up, and the substantive postholder's salary

Please note that the payment of Honoraria to Teachers including Head Teachers is not permitted within the provisions of the School Teachers Pay and Conditions Document.

19. CLASSROOM TEACHERS

Pay on appointment

The LA will determine the starting salary of a vacant classroom teacher post on the main pay range or upper pay range, such as the LA determines, having regard to:

- the requirements of the post;
- any specialist knowledge required for the post;
- the experience required to undertake the specific duties of the post;
- the wider service context.

The LA will, if necessary, use its discretion to award a recruitment incentive benefit to secure the candidate of its choice.

Pay determinations for existing main pay range teachers, effective from 1 September 2017

The LA will follow the provisions of the Document and will consider annually whether or not to increase the salary of the teacher and if it determines to do so, what salary within the relevant pay range, unless the teacher has been notified that their service has been unsatisfactory for the previous academic year. The LA will normally exercise this discretion only in the context of a formal capability procedure. The LA will restore the withheld point at the conclusion of the capability procedure where satisfactory performance has been achieved.

The LA will use reference points. Therefore the pay scale for main pay range teachers is:

Minimum (Reference Point 1)	£26,662
Reference point 2	£27,759
Reference point 3	£29,477
Reference point 4	£31,302
Reference point 5	£33,957
Reference Point 6 (a)	£36,554
Maximum Point 6 (b)	£37,645

Appraisal objectives will become more challenging as the teacher progresses up the main pay range.

To move up the main pay range, one annual point at a time, teachers will need to have made good progress towards all their objectives meeting most of them and have shown that they are competent in all elements of the Teachers' Standards. Where direct teaching is undertaken this should be 'good', as defined by Ofsted. Assessors will need to consider the spirit of the Teachers' standards when assessing the performance of advisers.

Judgments will be properly rooted in evidence. As a teacher moves up the main pay range, this evidence should show:

- an increasing positive impact on pupil progress
- an increasing impact on wider outcomes for pupils
- improvements in specific elements of practice identified to the teacher, e.g. behaviour management or lesson planning
- an increasing contribution to the work of the service
- an increasing impact on the effectiveness of staff and colleagues

Further information, including sources of evidence is contained in the LA's appraisal policy.

The LA will be advised by the Head Teacher in making all such decisions. Any increase (i.e. no movement, one point, more than one point) will be clearly attributable to the performance of the teacher in question. The LA will be able to justify its decisions.

20. THRESHOLD APPLICATIONS

APPLICATIONS TO BE PAID ON THE UPPER PAY RANGE

Any qualified teacher can apply to be paid on the Upper Pay Range. If a teacher is simultaneously employed at another school/service(s), they may submit separate applications if they wish to apply to be paid on the UPR in that service(s). The LA will not be bound by any pay decision made by another service where it is not the employer.

All applications should include the results of the two most recent appraisals, under the Appraisal Regulations 2012, in the service, including any recommendation on pay. Where such information is not applicable or available, e.g. those returning from maternity or sickness absence, a written statement and summary of evidence designed to demonstrate that the applicant has met the assessment criteria must be submitted by the applicant.

In order for the assessment to be robust and transparent, it will be an evidence-based process only. Teachers therefore should ensure that they build a mainly paper evidence base to support their application. Those teachers who are not subject to the Appraisal Regulations 2012, or who have been absent, through sickness, disability or maternity, may cite written evidence from a 3 year period before the date of application in support of their application.

Process:

One application may be submitted annually. The closing date for applications is normally 31st December each year; however, exceptions will be made in particular circumstances, e.g. those teachers who are on maternity leave or who are currently on sick leave. The process for applications is:

- Complete the service's application form;
- Submit the application form and supporting evidence to the Head Teacher by the cut-off date of 31st December.
- The teacher will receive notification of the name of the assessor of their application within 5 working days;
- The assessor will assess the application, which will include a recommendation to the Head Teacher or to the LA;
- The application, evidence and recommendation will be passed to the Head Teacher for moderation purposes, if the Head Teacher is not the assessor;
- The LA will make the final decision, advised by the Head Teacher;

- Teachers will receive written notification of the outcome of their application by 31st March. Where the application is unsuccessful, the written notification will include the areas where it was felt that the teacher's performance did not satisfy the relevant criteria set out in this policy (see 'Assessment' below).
- If requested, oral feedback which will be provided by the assessor. Oral feedback will be given within 10 working days of the date of notification of the outcome of the application. Feedback will be given in a positive and encouraging environment and will include advice and support on areas for improvement in order to meet the relevant criteria.
- Successful applicants will move to the minimum of the UPR on 1 September of the following year.
- Unsuccessful applicants can appeal the decision. The appeals process is set out at the back of this pay policy.

Assessment:

The teacher will be required to meet the criteria set out in paragraph 15.2 of the Document, namely that:

- the teacher is highly competent in all elements of the relevant standards; and
- the teacher's achievements and contribution to the service are substantial and sustained.

In this LA, this means:

“highly competent”: the teacher's performance is assessed as having excellent depth and breadth of knowledge, skill and understanding of the Teachers' Standards in the particular role they are fulfilling and the context in which they are working.

“substantial”: the teacher's achievements and contribution to the service are significant, not just in raising standards of teaching and learning in their own classroom, or with their own groups of children, but also in making a significant wider contribution to service improvement, which impacts on pupil progress and the effectiveness of staff and colleagues.

“sustained”: the teacher must have had two consecutive successful appraisal reports in the service and have made good progress towards their objectives during this period (see exceptions, e.g. maternity/sick leave, in the introduction to this section). They will have been expected to have shown that their teaching expertise has grown over the relevant period and is consistently good to outstanding.

Assessors will need to consider the spirit of the Teachers' standards when assessing the performance of advisers.

Further information, including information on sources of evidence is contained within the LA's appraisal policy.

21. UPPER PAY RANGE

Pay determinations effective from 1 September 2017

The LA will determine and will consider annually whether there should be any movement for Teacher's on the Upper Pay Range. In making such a determination, it will take into account:

- the criteria set out in paragraph 15.2 of the Document 2017;
- the evidence base, which should show that the teacher has had a successful appraisal and has made good progress towards all of their objectives meeting most of them;
- evidence that the teacher has maintained the criteria set out in paragraph 15.2, namely that the teacher is highly competent in all elements of the relevant standards; and that the teacher's achievements and contribution to the service are substantial and sustained. The meaning of these criteria is set out in the section of this policy entitled, "Applications to be paid on the Upper Pay Range".

Pay progression on the Upper Pay Range will be clearly attributable to the performance of the individual teacher. The LA will be able to objectively justify its decisions.

Further information, including sources of evidence is contained within the LA's appraisal policy.

The LA will be advised by the Head Teacher/Head of Service in making all such decisions.

22. LEADING PRACTITIONER ROLES

It is not the intention of the LA to create a leading practitioner role at this time but the LA will review its position from time to time.

The LA will take account of paragraph 16 of the Document when determining the role of leading practitioner in the service. Additional duties will be set out in the job description of the leading practitioner and the LA will establish the pay range for each leading practitioner post in accordance with paragraph 16 of the Document; and the section 3 guidance.

23. UNQUALIFIED TEACHERS

Pay on appointment

The LA will pay any unqualified teacher in accordance with paragraph 17 of the Document. The LA will determine where a newly appointed unqualified teacher will enter the range, having regard to any qualifications or experience s/he may have, which it considers to be of value. The LA will consider whether it wishes to pay an additional allowance, in accordance with paragraph 22.

Pay determinations effective from 1 September 2017

The LA will consider annually whether or not to increase the salary of an Unqualified Teacher and if it determines to do so, what salary within the relevant pay range. In order to progress up the unqualified teacher range, unqualified teachers will need to show that they have made good progress towards all of their objectives meeting most of them.

Judgments will be properly rooted in evidence. As unqualified teachers move up the range, this evidence should show:

- an improvement in teaching skills
- an increasing positive impact on pupil progress
- an increasing impact on wider outcomes for pupils
- improvements in specific elements of practice identified to the teacher
- an increasing contribution to the work of the service
- an increasing impact on the effectiveness of staff and colleagues

Information on sources of evidence is contained within the LA's appraisal policy. The LA will be advised by the Head Teacher/Head of Service in making all such decisions. Pay progression on the unqualified teacher range will be clearly attributable to the performance of the individual teacher. The LA will be able to objectively justify its decisions.

24. TEACHING AND LEARNING RESPONSIBILITY PAYMENTS

The LA may award a TLR to a classroom teacher in accordance with paragraph 20 of the Document and the section 3 guidance. TLR 1 or 2 will be for clearly defined and sustained additional responsibility in the context of the service's staffing structure for the purpose of ensuring the continued delivery of high quality teaching and learning. All job descriptions will be regularly reviewed and will make clear, if applicable, the responsibility or package of responsibilities for which a TLR is awarded, taking into account the criterion and factors set out below and in accordance with the document.

The award may be while the teacher remains in the same post or occupies another post in the temporary absence of the post-holder.

Factors

Before awarding a TLR, the LA must be satisfied that the teacher's duties include a significant responsibility that is not required of all classroom teachers, and that -

- (a) is focused on teaching and learning;
- (b) requires the exercise of a teacher's professional skills and judgement;
- (c) requires the teacher to lead, manage and develop a subject or curriculum area; or to lead and manage pupil development across the curriculum;
- (d) has an impact on the educational progress of pupils other than the teacher's assigned classes or groups of pupils; and
- (e) involves leading, developing and enhancing the teaching practice of other staff.

Before awarding a TLR1, the LA must be satisfied that the significant responsibility referred to in the previous paragraph includes in addition line management responsibility for a **significant** number of people.

The values of TLRs must fall within the ranges set out in the STP&CD. If the LA awards TLRs of different values to two or more teachers, the minimum difference in value between each award of a TLR1 is £1,500 and between each award of a TLR2 is £1,500.

A teacher may not hold more than one TLR of any value, but a TLR could be based on a job description that itemises several different areas of significant responsibility.

A TLR is a payment integral to a post in the service's staffing structure and therefore may only be held by two or more people when job-sharing that post.

TLRs awarded to part-time teachers must be paid pro-rata at the same proportion as the teacher's part-time contract.

TLRs will be awarded to the holders of the posts indicated in the service's staffing structure.

The values of the TLRs to be awarded are set out below:

TLR1s will be awarded to the following value:

- TLR 1 (a) £7,699
- TLR 1 (b) £9,137
- TLR 1 (c) £13,027

TLR2s will be awarded to the following values:

- TLR 2 (a) £2,667
- TLR 2 (b) £4,155
- TLR 2 (c) £6,515

The LA may award a TLR3 of between £529 to £2,630 for clearly time-limited school improvement projects, or one-off externally driven responsibilities as set out in paragraph 20.3. The LA will set out in writing to the teacher the duration of the fixed term, and the amount of the award will be paid in monthly instalments. No safeguarding will apply in relation to an award of a TLR3.

25. SPECIAL EDUCATIONAL NEEDS ALLOWANCE

The LA will award an SEN spot value allowance on a range of between £2,106 and £4,158 to any classroom teacher who meets the criteria as set out in paragraph 21 of the Document.

When deciding on the amount of the allowance to be paid, the LA will take into account the structure of the service's SEN provision, whether any mandatory qualifications are required for the post, the qualifications or expertise of the teacher relevant to the post; and the relative demands of the post. The LA will also establish differential values in relation to SEN roles in the service in order to reflect significant differences in the nature and challenge of the work entailed so that the different payment levels can be objectively justified. The LA will take account the section 3 guidance within the document.

The LA has agreed the following Spot Payment levels for SEN duties:

£2,106

£4,158

26. PART-TIME EMPLOYEES

Teachers employed on an ongoing basis at the service but who work less than a full working week are deemed to be part-time.

The LA will apply the provisions of the Document in relation to part-time teachers' pay and working time, in accordance with paragraph 41, and the section 3 guidance.

The LA is responsible for ensuring that part-time teachers have a clear statement of the sessions and hours they will be required to work. The LA will ensure that all teachers employed on a part-time basis are provided with a written agreed statement which sets out the expectations of the service, and the part-time teacher, regarding the deployment of directed time both within and beyond the school day in accordance with the professional duties as stated in the STP&CD.

Calculation of Salary

Part-time teachers will be paid the pro rata percentage of the appropriate full-time equivalent salary. The same percentage will be applied to any allowances awarded to a part-time teacher.

Any additional hours such a teacher may agree to work from time to time at the request of the Head Teacher (or in the case where the part-time teacher is a Head Teacher, the relevant body), will also be paid at the same rate.

The LA will use its best endeavours to ensure that all part-time employees are treated no less favourably than a full-time comparator.

27. TEACHERS EMPLOYED ON A SHORT NOTICE BASIS

Teachers employed on a day-to-day or other short notice basis will be paid in accordance with paragraph 42 of the Document on a daily basis calculated on the assumption that a full working year consists of 195 days, periods of employment for less than a day being calculated pro rata.

Teachers who work less than a full day will be hourly paid and will have their salary calculated as an annual amount which will then be divided by 195, then divided again by 6 to arrive at the hourly rate.

Teachers should be paid for all the hours they are required to be on the school premises. Consideration should be made for non-contact time.

A short notice teacher who is employed by the same authority throughout a period of 12 months beginning in August or September must not be paid more in respect of that period than he would have received had he been in regular employment throughout the period.

28. ADDITIONAL PAYMENTS

In accordance with paragraph 26 of the Document and the section 3 guidance, the LA may make payments as they see fit to a teacher, in respect of:

- continuing professional development undertaken outside the school day;
- activities relating to the provision of initial teacher training as part of the ordinary conduct of the service;
- participation in out-of-school hours learning activity agreed between the teacher and the Head Teacher;
- additional responsibilities and activities due to, or in respect of, the provisions of services relating to the raising of educational standards to one or more additional services/schools.

The LA will make additional payments to teachers in accordance with the provisions of paragraph 26 of the Document where advised by the Head Teacher/Head of Service.

Payment will be calculated on a daily basis at 1/195th of the teacher's actual salary.

29. RECRUITMENT AND RETENTION INCENTIVE BENEFITS

The LA can award lump sum payments, periodic payments, or provide other financial assistance, support or benefits for a recruitment or retention incentive (paragraph 27 of the Document and the section 3 guidance).

The LA will consider exercising its powers under paragraph 27 of the Document where it considers it is appropriate to do so in order to recruit or retain relevant staff. It will make clear at the outset, in writing, the expected duration of any such incentive or benefit, and the review date after which they may be withdrawn.

The LA will, nevertheless, conduct an annual formal review of all such awards and keep clear records of decisions made including any justification for extension of such an award.

Head Teachers, Deputy Head Teachers and Assistant Head Teachers may not be awarded a recruitment or retention payment.

MODEL PAY APPEALS PROCEDURE

The School Teachers' Pay and Conditions Document ("the Document") requires schools and local authorities to have a pay policy in place that sets out the basis on which teachers' pay is determined and the procedures for handling appeals.

As part of the overall appraisal process, a pay recommendation is made by the appraiser/reviewer (normally the line manager) and discussed with the teacher at the Review Meeting prior to being submitted to the LA. Written details of and the reasons for the pay recommendation will be given to the teacher.

At this particular stage of the pay determination process, if the teacher wishes to better understand the rationale for the pay recommendation or bring any further evidence to the attention of the appraiser/reviewer, they should be given the opportunity to do so before the final pay recommendation is drafted in the appraisal report. The nature of any subsequent appraisal and pay discussion will be informal and therefore representation (on either side) is not necessary nor would it be appropriate. At the conclusion of any further discussion, the pay recommendation may be adjusted or it may remain the same; the appraisal report will be updated to reflect the discussion.

If a teacher believes that the final pay recommendation falls short of their expectations and they wish to seek a further review of the information that affects their pay, they may wish to formally appeal against the decision, utilising the formal Appeal Hearing Procedure. Appeal Hearings against pay decisions must satisfy the dispute resolution requirements of employment law (i.e. Part 4 of the Trade Union and Labour Relations (Consolidation) Act, 1992) and the ACAS Code of Practice.

APPEAL HEARING PROCEDURE

It is the intention that the Appeals Procedure will be dealt with promptly, thoroughly and impartially.

PAY APPEALS PROCEDURE

Appeals

The arrangements for considering appeals are as follows:

A teacher may seek a review of any determination in relation to his/her pay or any other decision taken by the LA that affects his pay.

The following list includes the usual reasons for seeking a review of a pay determination;

That the LA or person by whom the decision was made:

- (a) incorrectly applied any provision of the Document;
- (b) failed to have proper regard for statutory guidance;
- (c) failed to take proper account of relevant evidence;

- (d) took account of irrelevant or inaccurate evidence;
- (e) was biased; or
- (f) otherwise unlawfully discriminated against the teacher.

The order of proceedings is as follows:

1. The teacher receives written confirmation of the pay determination and where applicable the basis on which the decision was made.
2. If the teacher is not satisfied, he/she should seek to resolve this by discussing the matter informally with the decision-maker within ten working days of the decision.
3. Where this is not possible, or where the teacher continues to be dissatisfied, he/she may follow a formal appeal process.
4. The teacher should set down in writing the grounds for questioning the pay decision and send it to the Director of Education, within ten working days of the notification of the decision being appealed against or of the outcome of the discussion referred to above.

For any formal hearing or appeal the teacher is entitled to be accompanied by a colleague or union representative. Each step and action of this process must be taken without unreasonable delay. The timing and location of the formal meeting must be reasonable. The formal meeting must allow both parties to explain their cases.

5. The LA or the person who made the determination should provide a hearing within ten working days of receipt of the written grounds for questioning the pay decision to consider this and give the teacher an opportunity to make representations in person. Following the hearing the employee should be informed in writing of the decision and the right to appeal.
6. Any appeal should be heard by the Deputy Chief Executive & Executive Director Education, Care and Health Services or his/her representative normally within 20 working days of the receipt of the written appeal notification. The teacher will be given the opportunity to make representations in person. The decision of the Deputy Chief Executive & Executive Director Education, Care and Health Services or his/her representative will be given in writing, and where the appeal is rejected will include a note of the evidence considered and the reasons for the decision.

Guidance

- When a teacher feels that a pay decision is incorrect or unjust, they may appeal against that decision, especially when there is new evidence to consider.
- Teachers / Head Teachers/Head of Service should put their appeal in writing to either the Head Teacher/Head of Service or the LA; their appeal should include sufficient details of its basis.
- Appeals should be heard without unreasonable delay and at an agreed date, time and place.

- Employees have a statutory right to be accompanied at any stage of an appeal hearing by a companion who may be either a work colleague or a trade union representative.

The Modified Procedure

There will be no entitlement to invoke the appeal procedure in relation to a pay decision if the Teacher/Head Teacher/Head of Service has left the employment of the service.

Where a Teacher/Head Teacher/Head of Service has, whilst employed at the service, lodged an appeal against a pay decision but has then subsequently left the service's employment before any appeal hearing is held, the following steps will be observed:

1. The Teacher/Head Teacher/Head of Service must have set out details of their appeal in writing;
2. The Teacher/Head Teacher/Head of Service must have sent a copy of their appeal to the Director of Education. The Director of Education will consult with relevant service personnel and provide the teacher with an appropriate written response on behalf of the LA.

**PROVISION OF SERVICES TO OTHER SERVICES/SCHOOLS –
OPERATING PRINCIPLES AND REQUIREMENTS**

- a. Any services provided by the Head Teacher of one service/school to another service/school must be authorised formally by the LA and where the work extends over more than a 12 month period, the agreement of the LA must be formally reviewed annually, or sooner if appropriate. The LA should also agree arrangements for terminating such work.
- b. Before such work is undertaken, the LA and the Head Teacher/Head of Service must take into account:
 - the needs of the service and its pupils;
 - the benefits that the activity would bring to the service;
 - the impact of any absence on other staff, including their workload; and
 - the workload and work-life balance of all the individuals concerned.
- c. In particular, before reaching a view the LA should satisfy itself that these matters have been fully considered within the service's leadership team.
- d. Arrangements for payment for external work, including personal remuneration, must be clearly stated and formally incorporated into a protocol by the LA and decisions duly minuted.
- e. The Head Teacher/Head of Service and LA should monitor the operation of the arrangements and their impact on staff and pupils and take action where arrangements prove to be unsatisfactory.
- f. The disposition of any payment, including personal remuneration, for external services must be agreed in advance in accordance with the determinations of the LA. The terms of such an agreement must be set out in a memorandum signed by the LA and the Head Teacher and any other members of staff involved.
- g. Any income derived from external sources for the work of a service's staff should accrue to the service. The LA should decide whether it would be appropriate for individual members of staff to receive additional remuneration for these activities, and if so, determine the appropriate amount.
- h. The LA should ensure that any expenses incurred by the individual as a result of taking on additional work are reimbursed, unless they are accounted for elsewhere.
