

## PHARMACEUTICAL NEEDS ASSESSMENT UPDATE

The formal consultation for the draft Pharmaceutical Needs Assessment commenced on 18<sup>th</sup> October 2017 and is due to run until midnight on 20<sup>th</sup> December 2017.

The Health and Wellbeing Board will have an opportunity to discuss the draft Pharmaceutical Needs Assessment at its meeting on 30<sup>th</sup> November 2017; these comments will be captured and fed into the formal consultation process.

Consultation feedback will be collated and presented to the Pharmaceutical Needs Assessment Steering Group at its meeting on 8<sup>th</sup> January 2018. This will be discussed with a view to agreeing amendments to the draft Pharmaceutical Needs Assessment.

Webstar Lane will make the required amendments by 22<sup>nd</sup> January 2018 and the final Pharmaceutical Needs Assessment will be circulated to the Health and Wellbeing Board for approval at its meeting on 1<sup>st</sup> February 2018.

Webstar Lane will aim to ensure that the final Pharmaceutical Needs Assessment is ready for publication on 4<sup>th</sup> February 2018. This timescale assumes that there will be minor changes only following the meeting of the Health and Wellbeing Board on 1<sup>st</sup> February 2018.
