Dear Doug,

Annual Audit 2018/19

I am writing to confirm the audit that we propose to undertake for the 2018/19 financial year at Bromley Council and the Bromley Pension Fund (PF).

As you will know from 2018/19 you were required to make your own arrangements for local auditor appointment under the Local Audit and Accountability Act 2014 for the audit of the accounts and certification of the housing benefit subsidy claim. You opted into the national scheme managed by Public Sector Audit Appointments Ltd (PSAA). We were pleased that PSAA appointed EY as your auditor for the duration of the five-year appointing period, covering the audits of the accounts for 2018/19 to 2022/23.

Indicative audit fee

For the 2018/19 financial year, PSAA has set the scale fee for each audited body that have opted into its national auditor appointment scheme. Following consultation on its Work Programme and Scale of Fees, PSAA has reduced the 2018/19 scale audit fee for all opted-in bodies by 23 per cent from the fees applicable for 2017/18.

The fee reflects the risk-based approach to audit planning set out in the National Audit Office's Code of Audit Practice for the audit of local public bodies.

The audit fee covers the:

- Audit of the financial statements
- Value for money conclusion (n/a for the PF)
- Whole of Government accounts (n/a for the PF).

For Bromley we have set our indicative fee at the PSAA scale fee level, assuming:

- The overall level of risk in relation to the audit of the financial statements is not significantly different from that of the prior year;

- Your officers meet the agreed timetable of deliverables;
- You operate effective arrangements of internal control;
- Our accounts opinion and value for money conclusion being unqualified;
- You provide appropriate quality of documentation;
- You operate an effective control environment; and
- You provide prompt responses to our queries and our draft reports.

Meeting these assumptions will help ensure the delivery of our audit at the indicative audit fee which is set out in the table below.

2018/19 will be the first year that EY audit the Council. As I outlined when we met earlier this year we will commence our formal audit planning process for 2018/19 once your current auditors conclude the 2017/18 audit. Our audit planning will continue as the year progresses. We will review and update fees as necessary through discussion with Peter, within the parameters of our contract.

Summary of fees

	Indicative fee 2018/19 £
Total Code audit fee Bromley Council	91,689
Total Code audit fee Bromley PF	16,170
Certification of housing benefit subsidy claim	N/A

The appointment for a review of the Council's 2018/19 housing benefit subsidy claim is not covered by the PSAA appointment. We would be very happy to provide Peter a quote for undertaking this work.

Billing

The indicative audit fee will be billed in 4 quarterly instalments of £22,922 for the Council and £4,043 for the PF.

Audit plan

We expect to issue our plan before December 2018. This will communicate any significant financial statement risks identified, planned audit procedures to respond to those risks and any changes in fee. It will also set out the significant risks identified in relation to the value for money conclusion. Should we need to make any significant amendments to the audit fee during the course of the audit, we will discuss this in the first instance with Peter and, if necessary, prepare a report outlining the reasons for the fee change for discussion with the Audit Sub-Committee.

We are committed to providing you with a high quality service.
