

**Bromley Pension  
Fund**  
**Audit planning report**  
Year ended 31 March 2019

March 2019

A nighttime photograph of a city street. In the foreground, a white van is partially visible on the right. In the middle ground, a red and white street cleaning truck is moving from left to right. The street has white lane markings and a green-painted area with a white 'X' and a right-turn arrow. In the background, there are buildings with lit windows and signs, including one with Japanese characters.

27 March 2019

Audit Sub-Committee  
London Borough of Bromley  
Bromley  
BR1 3UH

Dear Audit Sub-Committee Members

### **Audit planning report**

We are pleased to attach our Audit Plan which sets out how we intend to carry out our responsibilities as auditor. Its purpose is to provide the Audit Sub-Committee with a basis to review our proposed audit approach and scope for the 2018/19 audit in accordance with the requirements of the Local Audit and Accountability Act 2014, the National Audit Office's 2015 Code of Audit Practice, the Statement of Responsibilities issued by Public Sector Audit Appointments (PSAA) Ltd, auditing standards and other professional requirements. It is also to ensure that our audit is aligned with the Committees' service expectations.

This plan summarises our initial assessment of the key risks driving the development of an effective audit for the Pension Fund, and outlines our planned audit strategy in response to those risks.

This report is intended solely for the information and use of the Committee and management, and is not intended to be and should not be used by anyone other than these specified parties.

Yours faithfully

A handwritten signature in black ink, appearing to read 'Suresh Patel'.

Suresh Patel, Associate Partner

For and on behalf of Ernst & Young LLP

# Contents

Public Sector Audit Appointments Ltd (PSAA) issued the "Statement of responsibilities of auditors and audited bodies". It is available from the PSAA website (<https://www.psa.co.uk/audit-quality/statement-of-responsibilities/>). The Statement of responsibilities serves as the formal terms of engagement between appointed auditors and audited bodies. It summarises where the different responsibilities of auditors and audited bodies begin and end, and what is to be expected of the audited body in certain areas.

The "Terms of Appointment and further guidance (updated April 2018)" issued by the PSAA sets out additional requirements that auditors must comply with, over and above those set out in the National Audit Office Code of Audit Practice (the Code) and in legislation, and covers matters of practice and procedure which are of a recurring nature.

This report is made solely to the General Purposes and Licensing Committee and management of Bromley Pension Fund in accordance with the statement of responsibilities. Our work has been undertaken so that we might state to the General Purposes and Licensing Committee, and management of Bromley Pension Fund those matters we are required to state to them in this report and for no other purpose. To the fullest extent permitted by law we do not accept or assume responsibility to anyone other than the General Purposes and Licensing Committee and management of Bromley Pension Fund for this report or for the opinions we have formed. It should not be provided to any third-party without our prior written consent.

01

# Overview of our 2018/19 audit strategy

## Overview of our 2018/19 audit strategy

The following 'dashboard' summarises the significant accounting and auditing matters outlined in this report. It seeks to provide the Committee with an overview of our initial risk identification for the upcoming audit and any changes in risks identified in the current year.

### Audit risks and areas of focus

Risk / area of focus	Risk identified	Details
Misstatements due to fraud or error (management override)	Fraud risk	As identified in ISA 240, management is in a unique position to perpetrate fraud because of its ability to manipulate accounting records directly or indirectly and prepare fraudulent financial statements by overriding controls that would otherwise appear to be operating effectively.
Valuation of Investments under Level 2 Fair Value hierarchy	Inherent Risk	The valuation of investments under level 2 fair value hierarchy are based on observable inputs such as bid price in the market for similar instruments. There is a risk that the comparable input are not appropriate and valuation could be misstated.
Application of New IFRS standards	Inherent Risk	The 2018/19 edition of the Code introduces two substantial new financial reporting standards IFRS 9 and IFRS 15.

# Overview of our 2018/19 audit strategy

## Materiality

Planning  
materiality  
**£9.67m**

We have set materiality at £9.67 million, which represents 1% of the prior year's net assets. We use the Fund's net assets as a measure for calculating materiality because of the focus on assets by the reader of the accounts. We have determined that the Pension Fund meets the criteria of a Major Local Audit under the Local Audit & Accountability Act 2014 based on its size. As a result we have used 1% of net assets, which is at the lower end of our available range.

Performance  
materiality  
**£7.2m**

We have set performance materiality at £7.2 million, which represents 75% of materiality and is at the top of our available range.

Audit  
differences  
**£483,500**

We will report all uncorrected misstatements relating to the primary statements (fund account and net assets statement) greater than £483,500. We will communicate other misstatements identified to the extent that they merit the attention of the General Purposes and Licensing Committee.

## Audit scope

This Audit Plan covers the work that we plan to perform to provide you with our audit opinion on whether the financial statements of Bromley Pension Fund give a true and fair view of the financial position as at 31 March 2019 and of the income and expenditure for the year then ended.

Our audit will also include the mandatory procedures that we are required to perform in accordance with applicable laws and auditing standards.

When planning the audit we take into account several key inputs:

- Strategic, operational and financial risks relevant to the financial statements;
- Developments in financial reporting and auditing standards;
- The quality of systems and processes;
- Changes in the business and regulatory environment; and,
- Management's views on all of the above.

By considering these inputs, we focus our audit on the areas that matter and our feedback is more likely to be relevant to the Pension Fund.

# 02 Audit risks

## Audit risks

# Our response to significant risks

We have set out the significant risks (including fraud risks denoted by\*) identified for the current year audit along with the rationale and expected audit approach. The risks identified below may change to reflect any significant findings or subsequent issues we identify during the audit.

Misstatements due to fraud or error (management override)\*

### What is the risk?

The financial statements as a whole are not free of material misstatements whether caused by fraud or error.

As identified in ISA (UK) 240, management is in a unique position to perpetrate fraud because of its ability to manipulate accounting records directly or indirectly and prepare fraudulent financial statements by overriding controls that otherwise appear to be operating effectively.

We identify and respond to this fraud risk on every audit engagement.

### What will we do?

In order to address this risk we will carry out a range of procedures including:

- ▶ Identifying fraud risks during the planning stages.
- ▶ Inquiry of management about risks of fraud and the controls put in place to address those risks.
- ▶ Understanding the oversight given by those charged with governance of management's processes over fraud.
- ▶ Considering the effectiveness of management's controls designed to address the risk of fraud.
- ▶ Performing mandatory procedures regardless of specifically identified fraud risks, including testing of journal entries and other adjustments in the preparation of the financial statements.
- ▶ Assess the nature of any significantly unusual transactions identified.

## Audit risks

### Other areas of audit focus

We have identified other areas of the audit, that have not been classified as significant risks, but are still important when considering the risks of material misstatement to the financial statements and disclosures.

#### What is the risk/area of focus?

#### What will we do?

##### Valuation of Investments under Level 2 Fair Value hierarchy

Level 2 includes pooled funds and private equity investments, where fair value is based on observable inputs such as bid price in the market for similar instruments.

There is a risk that the comparable input are not appropriate and valuation could be misstated.

Our approach will focus on:

- ▶ Performing analytical procedures and checking the valuation input and output for reasonableness against our own expectations.
- ▶ Where necessary, our internal valuation specialists will support our work in this area.

##### Application of new IFRS standards

The 2018/19 edition of the Code introduces two new financial reporting standards IFRS 9 (financial instruments) and IFRS 15 (revenue from contracts).

There is a risk that these new standards have not been appropriately implemented by the Pension Fund.

Our approach will focus on:

- ▶ Reviewing managements assessment for the classification and measurement of financial assets under IFRS 9, including review of the new expected credit loss impairment model and new disclosure requirements
- ▶ Reviewing managements assessment on the impact on revenue recognition, if any, as a result of the adoption of IFRS 15.

03

# Audit materiality

## Materiality

### Materiality

For planning purposes, we have set materiality for 2018/19 at £9.67 million. This represents 1% of the Pension Fund's prior year net assets. It will be reassessed throughout the audit process. We have provided supplemental information about audit materiality in Appendix D.

We request that the Audit Sub-Committee confirms its understanding of, and agreement to, these materiality and reporting levels.

### Key definitions

**Planning materiality** - the amount over which we anticipate misstatements would influence the economic decisions of a user of the financial statements.

**Performance materiality** - the amount we use to determine the extent of our audit procedures. We have set performance materiality at £7.2 million which represents 75% of planning materiality. The rationale for using 75% is based on the anticipation of identifying few or no errors during the audit.

**Audit difference threshold** - we propose that misstatements identified below this threshold are deemed clearly trivial. We will report to you all uncorrected misstatements over this amount relating to the comprehensive income and expenditure statement and balance sheet that have an effect on income or that relate to other comprehensive income.

Other uncorrected misstatements, such as reclassifications and misstatements in the cashflow statement and movement in reserves statement or disclosures, and corrected misstatements will be communicated to the extent that they merit the attention of the committees, or are important from a qualitative perspective.

04

## Scope of our audit

# Scope of our audit

## Objective and Scope of our Audit scoping

Under the Code of Audit Practice our principal objectives are to review and report on the Pension Fund's financial statements.

### Financial statement audit

Our objective is:

- ▶ To form an opinion on the financial statements under International Standards on Auditing (UK and Ireland); and
- ▶ To form an opinion on the consistency of the pension fund financial statements within the pension fund annual report with the published financial statements of the London Borough of Bromley.

We also perform other procedures as required by auditing, ethical and independence standards, the Code and other regulations. We outline below the procedures we will undertake during the course of our audit.

### Procedures required by standards

- ▶ Addressing the risk of fraud and error; Significant disclosures included in the financial statements; Entity-wide controls;
- ▶ Reading other information contained in the financial statements and reporting whether it is inconsistent with our understanding and the financial statements; and Auditor independence.

## Audit Process Overview

Our audit involves identifying and understanding the key processes and internal controls; and substantive tests of detail of transactions and amounts.

For 2018/19 we plan to follow a substantive approach to the audit as we have concluded this is the most efficient way to obtain the level of audit assurance required to conclude that the financial statements are not materially misstated.

### Analytics:

We will use our computer-based analytics tools to enable us to capture whole populations of your financial data, in particular journal entries. These tools:

- Help identify specific exceptions and anomalies which can then be subject to more traditional substantive audit tests; and
- Give greater likelihood of identifying errors than random sampling techniques.

We will report the findings from our process and analytics work, including any significant weaknesses or inefficiencies identified and recommendations for improvement, to management and the Committees.

### Internal audit:

We will meet with the Head of Internal Audit, and review internal audit plans and the results of their work. We will reflect the findings from these reports, together with reports from any other work completed in the year, in our detailed audit plan, where they raise issues that could have an impact on the financial statements.

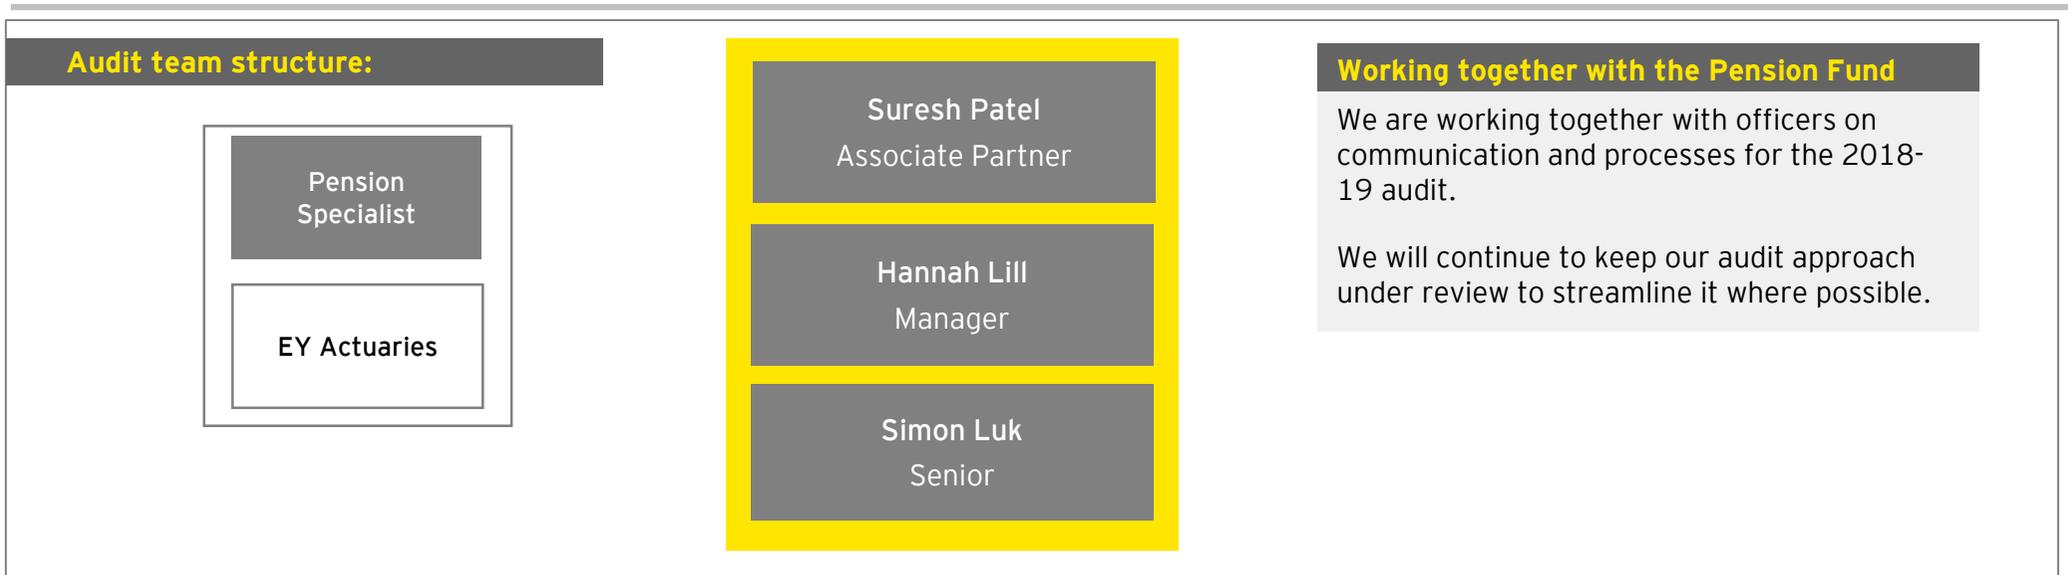

05

## Audit team

## Audit team

## Use of specialists

When auditing key judgements, we are often required to rely on the input and advice provided by specialists who have qualifications and expertise not possessed by the core audit team. The areas where either EY or third party specialists provide input for the current year audit are:

Area	Specialists
Pensions disclosure	EY Actuaries, PWC Actuary commissioned by NAO, Mercer - Actuary

In accordance with Auditing Standards, we will evaluate each specialist's professional competence and objectivity, considering their qualifications, experience and available resources, together with the independence of the individuals performing the work.

We also consider the work performed by the specialist in light of our knowledge of the Pension Fund's business and processes and our assessment of audit risk in the particular area. For example, we would typically perform the following procedures:

- ▶ Analyse source data and make inquiries as to the procedures used by the specialist to establish whether the source data is relevant and reliable;
- ▶ Assess the reasonableness of the assumptions and methods used;
- ▶ Consider the appropriateness of the timing of when the specialist carried out the work; and
- ▶ Assess whether the substance of the specialist's findings are properly reflected in the financial statements.

# 06 Audit timeline

# Audit timeline

## Timetable of communication and deliverables

### Timeline

Below is a timetable showing the key stages of the audit and the deliverables we have agreed to provide to you through the audit cycle in 2018/19. From time to time matters may arise that require immediate communication with the Audit Sub-Committee as delegated by the General Purposes and Licensing Committee and we will discuss them with the General Purposes and Licensing Committee Chair and the Chair of the Audit Sub-Committee as appropriate. We will also provide updates on corporate governance and regulatory matters as necessary.

Audit phase	Timetable	Audit Sub-Committee timetable	Deliverables
Planning: Risk assessment and setting of scopes.	January		
Walkthrough of key systems and processes	February	Audit Sub-Committee	Verbal update
Testing of routine processes and controls Interim audit testing	March	Audit Sub-Committee	Circulate Audit Planning Report
	April		
	May		
Year end audit	June	Audit Sub-Committee	Audit Planning Report
Year end audit Audit Completion procedures	July	General Purposes and Licensing Committee	Audit Results Report Audit opinions and completion certificates
	August - October	Audit Sub-Committee	Annual Audit Letter

07

Independence

## Introduction

The FRC Ethical Standard and ISA (UK) 260 “Communication of audit matters with those charged with governance”, requires us to communicate with you on a timely basis on all significant facts and matters that bear upon our integrity, objectivity and independence. The Ethical Standard, as revised in June 2016, requires that we communicate formally both at the planning stage and at the conclusion of the audit, as well as during the course of the audit if appropriate. The aim of these communications is to ensure full and fair disclosure by us to those charged with your governance on matters in which you have an interest.

### Required communications

Planning stage	Final stage
<ul style="list-style-type: none"> <li>▶ The principal threats, if any, to objectivity and independence identified by Ernst &amp; Young (EY) including consideration of all relationships between the you, your affiliates and directors and us;</li> <li>▶ The safeguards adopted and the reasons why they are considered to be effective, including any Engagement Quality review;</li> <li>▶ The overall assessment of threats and safeguards;</li> <li>▶ Information about the general policies and process within EY to maintain objectivity and independence.</li> <li>▶ Where EY has determined it is appropriate to apply more restrictive independence rules than permitted under the Ethical Standard.</li> </ul>	<ul style="list-style-type: none"> <li>▶ In order for you to assess the integrity, objectivity and independence of the firm and each covered person, we are required to provide a written disclosure of relationships (including the provision of non-audit services) that may bear on our integrity, objectivity and independence. This is required to have regard to relationships with the entity, its directors and senior management, its affiliates, and its connected parties and the threats to integrity or objectivity, including those that could compromise independence that these create. We are also required to disclose any safeguards that we have put in place and why they address such threats, together with any other information necessary to enable our objectivity and independence to be assessed;</li> <li>▶ Details of non-audit services provided and the fees charged in relation thereto;</li> <li>▶ Written confirmation that the firm and each covered person is independent and, if applicable, that any non-EY firms used in the group audit or external experts used have confirmed their independence to us;</li> <li>▶ Written confirmation that all covered persons are independent;</li> <li>▶ Details of any inconsistencies between FRC Ethical Standard and your policy for the supply of non-audit services by EY and any apparent breach of that policy;</li> <li>▶ Details of any contingent fee arrangements for non-audit services provided by us or our network firms; and an opportunity to discuss auditor independence issues.</li> </ul>

In addition, during the course of the audit, we are required to communicate with you whenever any significant judgements are made about threats to objectivity and independence and the appropriateness of safeguards put in place, for example, when accepting an engagement to provide non-audit services.

We also provide information on any contingent fee arrangements, the amounts of any future services that have been contracted, and details of any written proposal to provide non-audit services that has been submitted;

We ensure that the total amount of fees that EY and our network firms have charged to you and your affiliates for the provision of services during the reporting period, analysed in appropriate categories, are disclosed.

## Relationships, services and related threats and safeguards

We highlight the following significant facts and matters that may be reasonably considered to bear upon our objectivity and independence, including the principal threats, if any. We have adopted the safeguards noted below to mitigate these threats along with the reasons why they are considered to be effective. However we will only perform non-audit services if the service has been pre-approved in accordance with your policy.

### Overall Assessment

Overall, we consider that the safeguards that have been adopted appropriately mitigate the principal threats identified and we therefore confirm that EY is independent and the objectivity and independence of Suresh Patel, your audit engagement partner, and the audit engagement team have not been compromised.

### Self interest threats

A self interest threat arises when EY has financial or other interests in the Pension Fund. Examples include where we receive significant fees in respect of non-audit services; where we need to recover long outstanding fees; or where we enter into a business relationship with you. At the time of writing, there are no long outstanding fees.

We believe that it is appropriate for us to undertake permissible non-audit services and we will comply with the policies that you have approved.

None of the services are prohibited under the FRC's ES or the National Audit Office's Auditor Guidance Note 01 and the services have been approved in accordance with your policy on pre-approval. The ratio of non-audit fees to audit fees is not permitted to exceed 70%.

At the time of writing, the current ratio of non-audit fees to audit fees is approximately 0:1. No additional safeguards are required.

A self interest threat may also arise if members of our audit engagement team have objectives or are rewarded in relation to sales of non-audit services to you. We confirm that no member of our audit engagement team, including those from other service lines, has objectives or is rewarded in relation to sales to you, in compliance with Ethical Standard part 4.

There are no other self interest threats at the date of this report.

### Self review threats

Self review threats arise when the results of a non-audit service performed by EY or others within the EY network are reflected in the amounts included or disclosed in the financial statements. There are no self review threats at the date of this report.

### Management threats

Partners and employees of EY are prohibited from taking decisions on behalf of management of the Pension Fund. Management threats may also arise during the provision of a non-audit service in relation to which management is required to make judgements or decision based on that work.

There are no management threats at the date of this report.

## Relationships, services and related threats and safeguards

### Other threats

Other threats, such as advocacy, familiarity or intimidation, may arise.

There are no other threats at the date of this report.

### EY Transparency Report 2018

Ernst & Young (EY) has policies and procedures that instil professional values as part of firm culture and ensure that the highest standards of objectivity, independence and integrity are maintained.

Details of the key policies and processes in place within EY for maintaining objectivity and independence can be found in our annual Transparency Report which the firm is required to publish by law. The most recent version of this Report is for the year ended 1 July 2018 and can be found here:

<https://www.ey.com/uk/en/about-us/ey-uk-transparency-report-2018>

08

## Appendices

## Appendix A

### Fees

Public Sector Audit Appointments Ltd (PSAA) has published the fee scale for the audit of the 2018/19 accounts of opted-in principal local government and police bodies.

This is defined as the fee required by auditors to meet statutory responsibilities under the Local Audit and Accountability Act 2014 in accordance with the requirements of the Code of Audit Practice and supporting guidance published by the National Audit Office, the financial reporting requirements set out in the Code of Practice on Local Authority Accounting published by CIPFA/LASAAC, and the professional standards applicable to auditors' work.

	Planned fee 2018/19	Scale fee 2018/19
	£	£
Total Fee - Code work	16,170	16,170
Total fees	16,170	16,170

*\*All fees exclude VAT*

Our 2018/19 Code work potentially includes additional procedures highlighted in section two of this report to address the new accounting requirements of IFRS 9 Financial Instruments and IFRS 15 Revenue from contracts with customers. If we need to undertake additional procedures we will agree so with management, including the impact on the fee. Any additional fee will be subject to approval by the PSAA.

The agreed fee presented is based on the following assumptions:

- ▶ Officers meeting the agreed timetable of deliverables;
- ▶ Our accounts opinion and value for money conclusion being unqualified;
- ▶ Appropriate quality of documentation is provided by the Pension Fund; and
- ▶ The Pension Fund has an effective control environment.

If any of the above assumptions prove to be unfounded, we will seek a variation to the agreed fee. This will be discussed with the Pension Fund administrators in advance.

Fees for the auditor's consideration of correspondence from the public and formal objections will be charged in addition to the scale fee.

## Appendix B

# Required communications with the General Purposes and Licensing Committee

We have detailed the communications that we must provide to the Audit Sub-Committee as delegated by the General Purposes and Licensing Committee.

		 Our Reporting to you
<b>Required communications</b>	 <b>What is reported?</b>	  <b>When and where</b>
Terms of engagement	Confirmation by the General Purposes and Licensing Committee of acceptance of terms of engagement as written in the engagement letter signed by both parties.	The statement of responsibilities serves as the formal terms of engagement between the PSAA's appointed auditors and audited bodies.
Our responsibilities	Reminder of our responsibilities as set out in the engagement letter	The statement of responsibilities serves as the formal terms of engagement between the PSAA's appointed auditors and audited bodies.
Planning and audit approach	Communication of the planned scope and timing of the audit, any limitations and the significant risks identified.	Audit planning report
Significant findings from the audit	<ul style="list-style-type: none"> <li>▶ Our view about the significant qualitative aspects of accounting practices including accounting policies, accounting estimates and financial statement disclosures;</li> <li>▶ Significant difficulties, if any, encountered during the audit;</li> <li>▶ Significant matters, if any, arising from the audit that were discussed with management;</li> <li>▶ Written representations that we are seeking;</li> <li>▶ Expected modifications to the audit report; and,</li> <li>▶ Other matters if any, significant to the oversight of the financial reporting process.</li> </ul>	Audit results report

## Appendix B

# Required communications with the General Purposes and Licensing Committee (continued)

Our Reporting to you

Required communications	 What is reported?	 When and where
Public Interest Entities	<p>For the audits of financial statements of public interest entities our written communications to the General Purposes and Licensing Committee include:</p> <ul style="list-style-type: none"> <li>▶ A declaration of independence</li> <li>▶ The identity of each key audit partner</li> <li>▶ The use of non-member firms or external specialists and confirmation of their independence</li> <li>▶ The nature and frequency of communications</li> <li>▶ A description of the scope and timing of the audit</li> <li>▶ Which categories of the balance sheet have been tested substantively or controls based and explanations for significant changes to the prior year.</li> <li>▶ Materiality</li> <li>▶ Any going concern issues identified</li> <li>▶ Any significant deficiencies in internal control identified and whether they have been resolved by management</li> <li>▶ Actual or suspected non-compliance with laws and regulations identified relevant to the General Purposes and Licensing Committee</li> <li>▶ The valuation methods used and any changes to these</li> <li>▶ The scope of consolidation and exclusion criteria if any and whether in accordance with the reporting framework</li> <li>▶ The completeness of documentation and explanations received</li> <li>▶ Any significant difficulties encountered in the course of the audit</li> <li>▶ Any significant matters discussed with management</li> <li>▶ Any other matters considered significant.</li> </ul>	<p>Audit planning report and/or Audit results report</p>

## Additional audit information

### Other required procedures during the course of the audit

In addition to the key areas of audit focus outlined in section 2, we have to perform other procedures as required by auditing, ethical and independence standards and other regulations. We outline the procedures below that we will undertake during the course of our audit.

#### Our responsibilities required by auditing standards

- ▶ Identifying and assessing the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.
- ▶ Obtaining an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Pension Fund's internal control.
- ▶ Evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- ▶ Concluding on the appropriateness of management's use of the going concern basis of accounting.
- ▶ Evaluating the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- ▶ Obtaining sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Pension Fund to express an opinion on the consolidated financial statements. Reading other information contained in the financial statements, the General Purposes and Licensing Committee reporting appropriately addresses matters communicated by us to the General Purposes and Licensing Committee and reporting whether it is materially inconsistent with our understanding and the financial statements; and maintaining auditor independence.

### Purpose and evaluation of materiality

For the purposes of determining whether the accounts are free from material error, we define materiality as the magnitude of an omission or misstatement that, individually or in the aggregate, in light of the surrounding circumstances, could reasonably be expected to influence the economic decisions of the users of the financial statements. Our evaluation of it requires professional judgement and necessarily takes into account qualitative as well as quantitative considerations implicit in the definition. We would be happy to discuss with you your expectations regarding our detection of misstatements in the financial statements.

Materiality determines the locations at which we conduct audit procedures to support the opinion given on the financial statements; and the level of work performed on individual account balances and financial statement disclosures.

The amount we consider material at the end of the audit may differ from our initial determination. At this stage, however, it is not feasible to anticipate all of the circumstances that may ultimately influence our judgement about materiality. At the end of the audit we will form our final opinion by reference to all matters that could be significant to users of the accounts, including the total effect of the audit misstatements we identify, and our evaluation of materiality at that date.

## EY | Assurance | Tax | Transactions | Advisory

### About EY

EY is a global leader in assurance, tax, transaction and advisory services. The insights and quality services we deliver help build trust and confidence in the capital markets and in economies the world over. We develop outstanding leaders who team to deliver on our promises to all of our stakeholders. In so doing, we play a critical role in building a better working world for our people, for our clients and for our communities.

EY refers to the global organization, and may refer to one or more, of the member firms of Ernst & Young Global Limited, each of which is a separate legal entity. Ernst & Young Global Limited, a UK company limited by guarantee, does not provide services to clients. For more information about our organization, please visit [ey.com](http://ey.com).
