---

1. Reason for report

- 1.1 This report presents the revised E&CS Risk Register for detailed scrutiny by both PDS Committees.
- 1.2 This appended Risk Register also forms part of the Annual Governance Statement evidence-base and has been reviewed by: E&CS DMT, Corporate Risk Management Group; and Audit Sub-Committee.

---

2. RECOMMENDATIONS

That the Environment and Community Services PDS Committee and Public Protection and Enforcement PDS Committee reviews and comments on the appended E&CS Risk Register.

### Impact on Vulnerable Adults and Children

1. Summary of Impact: The appended Risk Register covers services provided by E&CS Department and some borough-wide risks. Addressing the impact of service provision on vulnerable adults and children is a matter for the relevant procurement strategies, contracts and service delivery rather than this high-level Risk Register report.
- 

### Corporate Policy

### 3. COMMENTARY

#### Risk Register Background

- 3.1 The Council's aims are set out in [Building a Better Bromley](#) and the Portfolio Plans, and a risk can be defined as anything which could negatively affect the associated outcomes. Some level of risk will be associated with any service provision: the question is how best to manage that risk down to an acceptable level? (this is known as our 'risk appetite')
- 3.2 It follows that the Council should be able to clearly and regularly detail the main departmental risks and related mitigation measures to ensure a) that desired outcomes are achieved and b) to allow for Member scrutiny – the purpose of this report.
- 3.3 Although the appended E&CS Risk Register is comprehensive, departmental risk management activity is certainly not exclusive to this report. For instance:
- major programmes and services (e.g. Tree Management Strategy) will have associated Risk Registers (such registers are reviewed by the relevant Programme / Service Boards);
  - financial risk is addressed in each Portfolio's Budget Monitoring Reports and, more generally, in the Council's Annual Financial Strategy Report;
  - audit risk is captured through the Audit Programme's planned and investigative activity and associated reports and management action requirements;
  - contract risk forms part of the Contracts Database (all contracts are now quantified and ranked according to the risk presented to the Council). The new Environmental Services Contract, therefore, appears both in this Risk Register and the Corporate Contracts Register, due to its size and complexity. The Contracts Register for the Environment Portfolio is appended to Report ES19049 (also on this agenda).
- 3.4 In 2016/17 Zurich Municipal (the Council's insurer) undertook a 'check and challenge' review (involving all management teams) of the Council's general approach and the individual risks. This resulted a new-style of register and a greater consistency of approach across the Council. Zurich attended during 2018/19 to repeat this exercise with all E&CS risk owners.
- 3.5 It was agreed that Risk Registers should be presented to each Departmental Management Team, the relevant PDS committee, and Audit Sub-Committee twice a year (minimum) to allow activity to be scrutinised in a regular and systematic manner. Individual risks should naturally be reviewed (by Risk Owners) at a frequency proportionate to the risk presented (see appendix).
- 3.6 In addition to its use for management and reporting purposes, the Risk Register also forms part of E&CS's evidence-base for contributing to the Council's Annual Governance Statement (which, itself, forms part of the Council's end-of-year management procedures).
- 3.7 Risks from all three departments are considered at the (officer) Corporate Risk Management Group (CRMG), which reviewed all the Risk Registers when it last met on 1 May 2019 (next meeting 11<sup>th</sup> September 2019).
- 3.8 The Risk Registers were reviewed by Audit Sub-Committee (4 June 2019), but detailed scrutiny of individual registers is the responsibility of each PDS committee (hence this report).
- 3.9 At the time of writing, the Council has 101 individual risks plus 11, high-level, Corporate Risks (covering key risks which apply to the Council as a whole).
- 3.10 E&CS Department currently has 25 risks (~25% of the Council's total).

3.11 The appended E&CS Risk Register is summarised below. Each risk is scored using a combination of the 'likelihood' (definite to remote) and 'impact' (insignificant to catastrophic) to produce a 'gross rating' (prior to controls) and 'net rating' (post management controls) – see Appendix. No E&CS risks are currently ragged 'red' following implementation of management control measures.

Ref	Risk & Description	Gross Risk Rating	Net Risk Rating
1	<b>Emergency Response:</b> Failure to respond effectively to a major emergency / incident internally or externally	8	6
2	<b>Central Depot Access:</b> Major incident resulting in loss of / reduced Depot access affecting service provision (LBB's main vehicle depot)	6	3
3	<b>Fuel Availability:</b> Fuel shortage impacting on transport fleet / service delivery	5	4
4	<b>Business Continuity Arrangements:</b> Lack of up-to-date, tried and tested, BCP for all Council services	8	8
5	<b>Industrial Action:</b> Contractors' staff work-to-rule / take strike action impacting on service delivery	12	12
6	<b>Health &amp; Safety (E&amp;CS):</b> Ineffective management, processes and systems within E&CS departmentally	12	8
7	<b>Environmental Services Contract (Mobilisation):</b> Failure to effectively mobilise new Environmental Services contracts	12	8
8	<b>Highways Management:</b> Deterioration of the Highway Network due to under-investment	8	6
9	<b>Arboricultural Management:</b> Failure to inspect and maintain Bromley's tree stock leading to insurance claims etc	12	12
10	<b>Income Variation:</b> Loss of income at a time when the Council is looking to grow income to off-set reduced funding	6	6
11	<b>Waste Budget:</b> Increasing waste tonnages resulting in increased waste management costs	12	6
12	<b>Food Standards Agency Audit:</b> Failure to meet required service standards as required by Food Standards Agency Audit (April 2017)	12	12

18	<b>CCTV Contract (Mobilisation)</b> Failure to effectively mobilise the new CCTV contracts	6	3
19	<b>Income Reconciliation (Public Protection Licensing)</b> Uncertainty around income reconciliation when the Council is looking to grow income to offset reduced funding	6	6
20	<b>Income Reconciliation (Waste Management)</b> Uncertainty around income reconciliation linked to the mobilisation of new waste contracts	6	2
21	<b>Bromley Town Centre Market Reorganisation</b> Failure to deliver a successful market reorganisation which meets the needs of traders, businesses and customers	9	6

22	<b>Dogs and Pests Contract</b> Failure to deliver the contract to the required service levels	6	4
23	<b>Out of Hours Noise Service</b> Failure to deliver statutory services	12	12
24	<b>Integrated Offender Management</b> Failure to contribute to IOM in Bromley	12	12
25	<b>Anti-Social Behavior Co-Ordinator post:</b> Failure to deliver ASB problem solving and partnership activity	12	12

3.12 The risks (including causes and effects) are described in more detail in the appended Risk Register. Each risk is assigned a category (Compliance & Regulation, Finance, Service Delivery, Reputation and Health & Safety) and scored – using a combination of the ‘likelihood’ and ‘impact’ both being assessed on a scale of 1-5 – to produce a gross risk score.

3.13 Current controls designed to mitigate the risk are also listed and these, in turn, generally result in a (lower) net risk score. Finally, additional actions are listed for the Risk Owner to consider to further reduce the level of risk (commensurate with their risk appetite). Risk Ownership will be adjusted at the next review of the register, in light of changes to the LBB Corporate Leadership Team structure.

#### **4. IMPACT ON VULNERABLE ADULTS & CHILDREN**

4.1 The appended Risk Register covers environmental services, which tend to be universal in nature, rather than being specifically directed towards vulnerable adults and children.

#### **5. POLICY IMPLICATIONS**

5.1 The Council’s renewed policy ambition for the borough is set out in [Building a Better Bromley](#) and the various Portfolio Plans. Risk Registers help to deliver these policy aims by identifying issues which could impact on ‘ensuring good contract management to ensure value-for-money and quality services’ and putting in place mitigation measures to reduce risk and help deliver the policy aims and objectives.

#### **6. PROCUREMENT IMPLICATIONS**

6.1 Contract and hence procurement risk is mainly captured in the Contracts Database and Contracts Register Report rather than this Risk Register Report. That said, progress with mobilising the new Environmental Services Contract is captured in the appended register due to the contract’s strategic importance.

#### **7. FINANCIAL IMPLICATIONS**

7.1 There are no direct financial implications arising from this report, however the Risk Register does identify areas that could have financial risks.

#### **8. PERSONNEL IMPLICATIONS**

8.1 There are no direct personnel implications but the Risk Register does identify service areas where recruitment and capacity present challenges (e.g. 19: Staff Recruitment & Retention).

## 9. LEGAL IMPLICATIONS

- 9.1 There are no direct legal implications but the Risk Register does identify some regulatory and legal issues: e.g. the Food Standards Agency Audit, compliance with Health & Safety law, and Industrial Action.
