

COUNCIL MEETING

9th December 2019

QUESTIONS FROM MEMBERS OF THE PUBLIC FOR WRITTEN REPLY

1. From Rohan Selva-Radov to the Portfolio Holder for Environment and Community Services

Does Bromley plan on becoming a 2020 “Green Town” as part of the 50th anniversary of Earth Day? If not, why?

2. From Luci Nye-Jones to the Portfolio Holder for Renewal, Recreation and Housing

I would like the Council to address the sale of Waitrose Burnt Ash Lane to Lidl’s, in regards to the known Asbestos within the Waitrose building. Can a member of the Council take responsibility for the health of the Bromley residents living all around that site on Burnt Ash Lane, Miller Close and beyond. There are a lot of families with children; nobody wants to be inhaling asbestos into their lungs. We need solid confirmation that either it is going to be removed correctly with everything sealed off, or never touched. Someone at the Council needs to ensure Lidl’s knows about it, and will deal with it correctly, as a matter of urgency.

3. From Luci Nye-Jones to the Portfolio Holder for Renewal, Recreation and Housing

I would also like to ask the Council to ensure the residents of Burnt Ash Lane, the houses behind Waitrose, Miller Close and Roslin Way receive documentation as a letter or notice on lamp posts; something to detail the plans so those of us affected by the lorry disruption and building noise etc know what is going to happen when, there have already been multiple lorries along Brindley Way going into the Waitrose loading bay, raising the concerns that somebody is ensuring the asbestos is looked into properly.
