**Monthly Item Issues at Bromley Libraries (2018 and 2019)**

Central Library was fully closed for refurbishment between 25th November and 1st December 2019, and partially closed from 2nd December to 31st December 2019. Issues attributed to libraries include all physical media (books, music CDs and DVDs).

'Digital' issues include eBooks, eAudiobooks, eComic, eMagazines, Music streams and downloads, and Hardware (tablets at Central and Orpington).

Monthly record for music streams and downloads not currently available for January to July in 2018 and 2019.

'Other' includes issues attributed to Bromley Historic Collections, the Stock Services Unit, and the Callpoint and online renewals services.

Due to a change in Library Management System in February 2018, items previously renewed via the Callpoint and online renewals services begin to be attributed to the library it was originally loaned from.
