G. Use of the Work of a Specialist

1. We agree with the findings of the specialists that we engaged to evaluate the valuation of property, plant and equipment, investment property, assets held for sale and the pension fund asset and liability. We have adequately considered the qualifications of the specialists in determining the amounts and disclosures included in the financial statements and the underlying accounting records. We did not give or cause any instructions to be given to the

specialists with respect to the values or amounts derived in an attempt to bias their work, and we are not otherwise aware of any matters that have had an effect on the independence or objectivity of the specialists.

H. Estimates

Valuation of Property, Plant and Equipment

Valuation of Pension Fund assets and liabilities

1. We believe that the measurement processes, including related assumptions and models, used to determine the accounting estimates have been consistently applied and are appropriate in the context of the CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2018/19.
2. We confirm that the disclosures made in the financial statements with respect to the accounting estimate(s) are complete and made in accordance with CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2018/19.
3. We confirm that no adjustments are required to the accounting estimates and disclosures in the financial statements due to subsequent events.

I. Retirement benefits

1. On the basis of the process established by us and having made appropriate enquiries, we are satisfied that the actuarial assumptions underlying the scheme liabilities are consistent with our knowledge of the business. All significant retirement benefits and all settlements and curtailments have been identified and properly accounted for.

J. Comparative information – comparative financial statements

1. As part of your audit significant errors were detected in the carrying value of the Council's long-term physical assets. The errors in our valuation approach led to misstatements which were present prior to the start of the comparative year. Restatement and disclosure of corrected opening balances at the start of the comparative year has also been required.
2. The comparative amounts have been correctly restated to reflect the above matters and appropriate note disclosure of these restatements have also been included in the current year's financial statements.
3. There have been no significant errors or misstatements, or changes in accounting policies, other than the matters described above, that would require a restatement of the comparative amounts in the current year's financial statements. Other differences in the amounts shown as comparative amounts from the amounts in the financial statements for the year ended 31 March 2018 are solely the result of reclassifications for comparative purposes.

Yours sincerely
