

LONDON BOROUGH OF BROMLEY
STATEMENT OF EXECUTIVE DECISION

The Leader of the Council, Councillor Colin Smith, has made the following executive decision:

**BROMLEY BOROUGH COMMUNITY INFRASTRUCTURE LEVY –
DRAFT CHARGING SCHEDULE CONSULTATION AND SUBMISSION**

Report: [1. Bromley CIL](#)

Decision:

(1) That the Bromley Community Infrastructure Levy Draft Charging Schedule at Appendix 1 to the report be approved for consultation and, pending no changes following consultation, subsequent submission to the Secretary of State for independent examination (alongside all relevant supporting documents).

(2) That approval of any necessary changes to the Draft Charging Schedule prior to submission (as a result of consultation) be delegated to the Director of Housing, Planning, Property and Regeneration in consultation with the Portfolio Holder for Renewal, Recreation and Housing.

Reasons:

The Community Infrastructure Levy allows local authorities to raise funds from developers undertaking new building projects, replacing, in part, the system of section 106 legal agreements. Once adopted, the Community Infrastructure Levy will provide financial contributions from certain types of development to help fund new or improved strategic infrastructure required to support the growth identified in the Bromley Local Plan.

The proposed decision was considered and supported by the Development Control Committee at a virtual meeting on 24th September 2020.
