In May 2020, we ran a staff wellbeing survey, asking all London Borough of Bromley colleagues, including agency and locum staff, to feed back on their experiences of maintaining their mental and physical health and wellbeing during the COVID-19 pandemic, and the impact of the changes to their working arrangements.

This staff survey follows on from the May 2020 survey. Through this survey, we hope to better understand how colleagues, including new starters during the Covid-19 pandemic, are feeling about their longer-term experiences of remote working or office working; the impact of COVID-19 support work on staff wellbeing; our longer-term return to work approach; and the impact of our equality and inclusion work.

Please set aside 15 minutes to complete this survey. We would encourage staff to complete as many questions as possible, but you may skip questions as appropriate.

All staff, including agency and locum staff, are encouraged to complete this survey.

All responses in the survey are confidential.

Please note that once the survey is submitted, you will not be able to edit any of your answers.

1. Which division do you work in?

2. Which age group do you fall in?

3. Are you a manager?

O Yes

🔵 No
