3. COMMENTARY

Background

- 3.1 The Housing, Planning and Regeneration Portfolio Plan is refreshed each year in line with the Council's Transformation Programme and Building a Better Bromley. The Plan focusses on four priority outcomes:
- Support the economic development of town centres.
 - Protect, conserve and regenerate the borough's built and natural environment.
 - Support wellbeing, particularly through culture and leisure.
 - Ensure residents have access to affordable, decent and secure homes.
- 3.2 Within each priority are a number of statements which are underpinned by actions and measures of success within the work of Housing, Planning and Regeneration.
- 3.3 Progress has been made on some actions within the Portfolio Plan in Quarter 4. However, the impact of COVID-19 and the lockdown restrictions re-introduced in January 2021 has had an adverse impact particularly on the financial prosperity of businesses and individuals. Services to residents adapted once more to these restrictions and the lessons learnt during previous lockdowns were implemented. Whilst some actions have had to be delayed, nevertheless progress has been made where possible.
- 3.4 The refresh of the Portfolio Plan for 2021/22 has been an opportunity to refocus the Plan and take a more strategic overview of some of the actions in light of the impact of the pandemic.

4 IMPACT ON VULNERABLE ADULTS AND CHILDREN

There is no impact on vulnerable adults and children. However, the individual projects and service delivery areas will in many cases have an impact on this group.

5 POLICY IMPLICATIONS

There are no policy implications. However, the Portfolio Plan will reflect relevant Council adopted policies and statutory duties in relation to planning, housing need and homelessness.

6 FINANCIAL IMPLICATIONS

The Portfolio Plan will be delivered within the resources identified in the 2020/21 budget, including capital receipts, together with any external funding that has and will be secured.

7 LEGAL IMPLICATIONS

The Portfolio Plan includes the Council's statutory obligations in relation to this department's area of work.

8. PROCUREMENT IMPLICATIONS

There are no procurement implications. Individual projects will be subject to specific reports detailing the procurement route.
