1	Corporate Risk	Failure to deliver a sustainable Financial Strategy which meets with BBB priorities and failure of individual departments to meet budget	<p>Cause(s):</p> <ol style="list-style-type: none"> The 2021/22 Draft Budget report to Executive identified the need to reduce the Council's 'budget gap' of £14.1m per annum by 2024/25. The Council received a one-year financial settlement for 2021/22, which creates uncertainty on funding levels for future years. The fundamental review of local government funding through the Fair Funding Review and Business Rate review has been delayed until at least 2022/23 which adds to financial uncertainty in considering the impact on the financial forecast for 2022/23 to 2024/25. A significant challenge to the future year's financial position relates to the ongoing impact of the Covid 19 situation and the uncertainty relating to the cost implications of the 'new normal'. Further details are included in the Draft 2021/22 Budget and Update on the Council's Financial Strategy 2021/22 to 2024/25 report to Executive on 13th January 2021. It is not clear whether local authorities will be fully compensated for the Covid 19 impact from Government. Failure to meet departmental budgets due to increased demand on key services resulting in overspends: Housing (homelessness and cost of bed and breakfast); Adult Social Care (welfare reform and ageing population); Children's Social Care, Education (central costs), Waste (growing number of households) and limited delivery of planned mitigation savings. The risk of the Council not being able to carry out its statutory duties (e.g. pupil admissions, school improvement, child protection) as a consequence of funding pressures not being met. Dependency on external grants to fund services (schools and housing benefits are ring-fenced) - effect if grant reduces (Public Health services) or ceases. The new national living wage will have cost implications to the Council over the next few years (e.g. care providers and carers). Local government may be required to take on new funding responsibilities in the future without adequate funding. Impact of welfare reforms and the phased roll out of Universal Credit. Failure to identify and highlight frauds and weaknesses in the system of internal control (which invariably have a financial impact). Overall, fraud losses are mainly benefit related (Council Tax Support / Single Person Discount). <p>Effect(s):</p> <ul style="list-style-type: none"> Increased overspends in particular services Council unable to carry out its statutory duties due to services cuts Reputational damage 	Finance Financial	5	5	25	<ul style="list-style-type: none"> Regular update to forward forecast Ongoing monitoring of impact of COVID situation and trends re 'new normal' Regular analysis of funding changes and new burdens particularly on Covid situation and full year impact Early identification of future savings required Transformation options considered early in the four year forward planning period Budget monitoring to include action from relevant Director to address overspends including action to address any full year additional cost Mitigation of future cost pressures including demographic changes Quarterly review of growth pressures and mitigation Continue to progress with opportunities for the Transformation Reviews towards meeting future years' budget gap. 	4	5	20	The Council continues to explore transformation opportunities to help meet the ongoing budget gap	Director of Finance
3	Corporate Risk	Failure to deliver partial implementation of Health and Social Care Integration	<p>Cause(s):</p> <ol style="list-style-type: none"> Difficulty in achieving rapid change in a system as complex as health and social care. Rising social care costs due to ageing population and people living longer with increasing complex needs. Difficulties with agreeing budgets (given likely funding reductions going forward), complex governance arrangements and workforce planning. Need to focus on collaborative working (cultural differences). Pressure for social care services to be accessible 7 days a week in terms of our own workforce and contracts with external providers in line with NHS priority to deliver 7 day working across the health sector. LBB will need to contribute to a whole system review (led by the Bromley Clinical Commissioning Group) to ensure that funding follows the patient. <p>Effect(s):</p> <ul style="list-style-type: none"> Failure to deliver statutory duties Failure to achieve our Building a Better Bromley priorities. Single Point of Access for hospital discharge implemented in April 2020 New governance structure between LBB and BCCG with links to emerging SEL ICS governance Joint Assistant Director of Integrated Commissioning in post April 2020; Integrated Placements, Brokerage and Direct Payments agreed for implementation in 2021/22; senior commissioner Integrated Children and Young People Commissioning appointed Health and care whole systems response to the COVID-19 pandemic 	2	2	4	Ongoing discussions around the developing Integrated Care System with Bromley CCG; taking learning from the joint health and care response to the COVID-19 pandemic	Director of Adult Services
4	Corporate Risk	Failure to manage change and maintain an efficient workforce to ensure that BBB priorities are met	<p>Cause(s):</p> <ol style="list-style-type: none"> The on-going need to reduce the size and change the shape of the organisation to secure priority outcomes within the resources available. Having the right people in place by implementing effective recruitment and retention strategies. Potential skills gap and deterioration of service quality through loss of experienced staff as a result of age profile of workforce and downsizing (failure to succession plan). Disruption while services realigned and staff appointed to new structure. Increasing demands and pressures on remaining staff given increased customer expectation levels, could lead to morale issues. Increased potential for internal controls to be bypassed due to flatter reporting structure. Lack of capacity to lead projects / manage change agenda and consequent ability to respond to change initiatives and the achievement of outcomes and benefits. Potential future shortage of professionally qualified practitioners in key areas, particularly around the Safeguarding agenda. Need to ensure that relevant staff have necessary disciplines to drive improvement and enable good practice and consistency in delivering change and the achievement of outcomes and benefits e.g. risk and performance management. Adverse industrial relations climate with individual and collective grievances including trade disputes with the unions, causing some disruptions to vital Council services. Increasing number of employment tribunal cases causing financial and administrative inconveniences. Having the right buildings and facilities to support fewer, more professional, differently organised staff. The need to track continued changes to government strategy and policies coupled with changes in legislation to avoid compliance issues (approx. 1,300 statutory duties). Adequacy of consultation on issues that affect residents across the borough i.e. re-organisation of libraries, Biggin Hill expansion. Adverse external audit comment and resulting ratings in relation to 'excellent in the eyes of local people'. <p>Effect(s):</p> <ul style="list-style-type: none"> Skill gaps Deterioration of service quality through loss of experienced staff Disruption while services are realigned Weaker internal controls Lack of capacity to lead on projects / initiatives 	Organisational Change Personnel	4	2	8	<ul style="list-style-type: none"> Continuously address the recruitment and retention of key individuals in critical posts. Effective succession planning and grow your own initiatives, and using the Apprenticeship Levy to address recruitment challenges in the medium-long term Ensure the organisation has the HR capacity and employment law expertise to manage change. Address the transformational and transitional capabilities (including leadership) required for a successful commissioning journey/process. Provide adequate resources to support and improve staff engagement and communications. 	4	2	8		Director of Human Resources and Customer Services
5	Corporate Risk	Ineffective governance and management of contracts	<p>Cause(s):</p> <ol style="list-style-type: none"> Ensuring client side staff have the necessary training and skills to manage and monitor contracts. Ensuring effective communication channels between client and provider to ensure contract compliance. Need for monitoring officers to check quality of outsourced services and customer satisfaction levels. Lack of understanding of the contract deliverables. Short cuts in procurement processes e.g. extending contracts rather than retendering. Compatibility of different systems and availability of IT support. Failure of a contractor / partner / provider to maintain agreed service levels resulting in an interruption to or deterioration of service delivery. Potential for operational errors / omissions by contractors (responsibility remains with LBB). Managing customer expectations and dealing with complaints where there are failures. <p>Effect(s):</p> <ul style="list-style-type: none"> Financial losses Service disruptions Provider fails to maintain agreed service levels routinely Increased resource to handle and manage complaints / customer expectations Failure to achieve our Building a Better Bromley priorities. 6	Corporate Risk	Failure to maintain and develop ICT information systems to reliably support departmental service delivery	<p>Cause(s):</p> <ol style="list-style-type: none"> Need to ensure that Information systems are fit for future business purpose. Capacity and skill within Corporate ICT to maintain and support systems during a period of significant change and in the future. Increasing reliance on stability of ICT infrastructure in all areas of the Council (Lync telephony service). Council website now a major channel for the delivery of services (Pay for it, Apply for it, Report it). Adequacy of information governance data protection rules to ensure the confidentiality, integrity and availability of information assets. IT failure impacting on critical operational systems. Over the next 3 years we will need to undertake gateway reviews / procurement plans for at least 4 of the Council's business critical systems; Customer Relationship Manager, Carefirst, Housing info system and Education's Capita One system plus the main LBB website and SharePoint. Transfer of IT contract to new ICT 3rd party supplier. <p>Effect(s):</p> <ul style="list-style-type: none"> Service disruptions Inability to access key systems Reputation damage Inability to support organisation change and savings targets Failure to achieve our Building a Better Bromley priorities. 7	Corporate Risk	Failure to maintain robust Business Continuity and Emergency Planning arrangements	<p>Cause(s):</p> <ol style="list-style-type: none"> Unavailability of Council offices / depots due to explosion, fire flood or police cordons around Council buildings Operational emergencies due to severe weather conditions, fire, or major incident. Availability of staff to deliver key services if trained volunteers are taken away to deal with a major incident (the Council is a Category 1 responder under the Civil Contingencies Act). Loss of key business systems due to power problems or system failure. Inadequate IT disaster recovery arrangements leading to dislocation of Council services. Sustained industrial action affecting key services. Lack of Business Continuity Plan testing. Adequacy of contractor's business continuity plans. Shortage of staff to deliver key services in the event of a flu pandemic or similar <p>Effect(s):</p> <ul style="list-style-type: none"> Significantly prolonged service disruptions Normal service takes longer to resume Reputational damage / loss of credibility Increased costs to rectify disruptions Injury / harm Loss of access to key systems Failure to achieve our Building a Better Bromley priorities.
