The supply of alcohol by or on behalf of a club to, or to the order of, a member of the club.

The sale by retail of alcohol by or on behalf of a club to a guest of a member of the club for consumption on the premises where the sale takes place.

Licences/Certificates may be issued subject to any terms, conditions, or restrictions the Council feels are appropriate to address any or all of the four licensing objectives.

The Council has previously agreed Bromley's Statement of Licensing Policy for the Period 2021 to 2026.

The Licensing Sub-Committee must consider the Statement of Licensing Policy and any Special Policy of Cumulative Impact currently in force when making any decisions in respect of these applications.

Description of the Premises

The premises is located in a long row of shops on a busy main road with residential properties above and more shops on the opposite side of the road. The property is on a main bus route close to Petts Wood Station.

A satellite image and street view of the premises can be found in **appendix 3**.

Licensing History

This is a new premises licence application. The premises has been licensed previously, under different ownership, for late night refreshment until 23:30 Monday to Thursday and until 00:00 on Friday and Saturday.

Details of the Application

This is an application for a premises licence to provide late-night refreshment only: -

Monday to Saturday until 01:30
Sunday until 00:30

Full details of the application are contained in **Appendix 1**.

Representations

During the public consultation period the Licensing Authority received 2 objections to the application. These representations are contained within **Appendix 2**.

4. IMPACT ON VULNERABLE ADULTS AND CHILDREN

- 4.1 Licensing regimes provide for additional controls through specific permissions to undertake activities. The Licensing Act 2003 contain 4 licensing objectives one of which is protect children from harm.
- 4.2 Businesses and the Council are required to promote this objective in the way they operate or make decisions.
- 4.3 Details of applications under the Licensing Act are referred to the appropriate safeguarding teams for comment as they are a designated responsible authority. In this instance no comments were received.

5. POLICY IMPLICATIONS

- 5.1 The Licensing Act 2003 require the Council to prepare, consult on and publish a statement of their licensing policy. This must be reviewed at least every 5 years under the Licensing Act.
- 5.2 Members should make decisions in accordance with these policies but are free to depart from them with good reason.
- 5.3 The current policy is -
 - Statement of Licensing Policy 2021 to 2026

http://www.bromley.gov.uk/downloads/file/226/statement_of_licensing_policy_2021-2026

6. FINANCIAL & LEGAL IMPLICATIONS

- 6.1 There are rights of appeal to the Magistrates Court against the decision of the Sub-Committee under both the Licensing and Gambling Acts. If an appeal were to be lodged there are costs associated with defending it. These are difficult to quantify, and the Courts can award costs. In the event of a successful appeal, we could pay the costs of the appellant as well as our own. Equally if we successfully defended an appeal, it is open to the Court to order our costs to be paid by the appellant.
- 6.2 Parties involved in a hearing before a Sub-Committee can also seek a Judicial Review if the Local Authority has failed to administer the hearing in accordance with proper procedures.
- 6.3 The Council has adopted a procedure for the conduct of hearings.
- 6.4 Although the Council has a duty to consider its duties under the Equality Act 2010 generally, and more specifically under part 11 (Public Sector Equality Duty), this does not directly fall within the licensing objectives and will need to be considered on a case-by-case basis (in relation to accessibility) and enforcement (in relation to harassment).

- 6.5 Similarly, climate change action is not easily addressed under the licensing regime and can be considered either informally or under other regimes, such as planning (when considering new premises licence applications for example).

Continued from previous page...

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Representations & Objections

Objections

Objection 1

From: Owen, Tony, Cllr
Sent: 20 October 2021 10:56
Subject: Trendspirit Ltd 4 Chatsworth Parade - 21/00973/LAPRE

Dear Steve,

Can you please confirm whether my objection to the above application has been registered?

If not, my objection is to the late opening hour on **public nuisance** grounds. Please note that the applicant does not have planning permission which restricted hours to avoid nuisance to neighbours.

Queensway, of which Chatsworth Parade is a part, is a busy main road and shopping centre during the day but reverts to a quiet residential area at night. Almost all the shops have residential accommodation above including families with young children.

You may recall that the nearby Sovereign of the Seas lost an appeal against restricted hours in the Magistrates Court despite top legal representation. Restriction of hours is therefore well established as reasonable and proportionate.

Kind regards,
Tony Owen
Petts Wood & Knoll ward councillor
Deputy Mayor

Objection 2

I write on behalf of the Petts Wood & District Residents' Association (PWDRA).

The full PWDRA Committee have examined this proposal and would like to register an objection under Licensing Objectives - **Prevention of Crime and Disorder** and the **Prevention of Public Nuisance**.

Having undertaken research into the current advertised opening hours of similar premises in the Petts Wood district shopping centre, these premises already have the latest opening time across the days of the week. No reason or justification has been given for the extension to the current hours.

The Petts Wood district centre has a dual function - commercial premises plus residential properties in close proximity. In the case of 4 Chatsworth Parade, there are residential properties above, to the side at first and second floor level as well as opposite.

The proposed extended hours have the potential to increase footfall, as well as vehicular traffic in the area, giving the potential for increased disturbance at the front of these premises and to the rear (deliveries) at a time when residents and their children would be sleeping.

It would not be desirable to have additional footfall, particularly at a time when the public houses in Petts Wood close, as this could lead to people who have possibly consumed too much alcohol lingering in the area with all the obvious risks of increased crime and noise that this could bring.

Any extension to opening hours would set a very undesirable precedent and could lead to other similar premises seeking extensions to their hours.

Furthermore, the current and opening hours granted planning permission under Planning Application reference 00/02726/FULL2. This permission includes a condition regarding opening hours (see condition 4) -

The use hereby permitted shall not operate on any Bank Holiday, Xmas Day or Good Friday, nor before 08.00 or after 23.00 on Mondays to Saturdays (inclusive) and not before 08.00 or after 22.00 on Sundays."

A variation was approved at appeal under reference 03/04522/VAR to enable opening on bank holidays.

Planning permission would therefore be needed to amend the opening hours to those proposed. Therefore, a new planning application would have to be submitted to ensure that the proposed new opening hours match any planning permission. If this licence proposal were to be granted, then there would be a breach of the planning permission granted in 2000/2003.

PWDRA respectfully request that this proposal is refused licensing approval.
