(A) Questions for Oral Reply:**(1) From Michael Meekums to the Portfolio Holder for Renewal, Recreation and Housing**

Background: When the current LBB Local Plan was consulted on some years ago, the draft included a map showing Areas of Archaeological Significance (AAS). The draft Planning Obligations Supplementary Planning document refers to Archaeological Priority Areas (APAs) in place of AAS. These are shown on a new map on the council website. However this new map has not been sent out for consultation. When will the new map on APAs (which differ from the current AAS) be sent out for consultation in line with the standard procedure LBB has previously followed for the Local Plan?

When will the new map showing Archaeological Priority Areas, forming part of the Local Plan, be sent out to the public for consultation?

Supplementary Question:

In light of the answer to the earlier question would the committee consider changing the reference to Archaeological Priority Areas to Draft Archaeological Priority Areas?
