3. COMMENTARY

Background

- 3.1 The Adult Care and Health Portfolio Plan is refreshed each year in line with the Council's Transformation Programme and the Corporate Strategy 'Making Bromley Even Better'.
- 3.2 Within each priority are a number of statements which are underpinned by actions and measures of success within the work of Adult Care and Health Services.
- 3.3 Progress in the final quarter of 2021/22 has been made on the majority of the actions within the Portfolio Plan: The impact of COVID-19 has seen new ways of working in partnership with health partners and these positive changes continue to be incorporated into ways of working and future plans. The planned re-commissioning of services was delayed in some instances and are now on track to meet these changes.
- 3.4 The Portfolio Plan 2022-23 focuses on 2 of the ambitions from Making Bromley Even Better:
- Ambition 2 - For adults and older people to enjoy fulfilled and successful lives in Bromley, ageing well, retaining independence and making choices.
 - Ambition 5 - To manage our resources well, providing value for money, and efficient and effective services for Bromley's residents.
