Questions from Members of the Public for Oral Reply

1. From Helen Brookfield to the Portfolio Holder for Sustainability, Green Services and Open Spaces

(As Ms Brookfield was unable to attend the meeting a written reply was sent)

What plans does the Council have for refurbishing the toilets in its parks given the very poor state of some of them, for example in Kelsey Park and in Croydon Road Recreation Ground in Beckenham?

Reply:

The Council is currently undertaking a holistic review of its Operational Property, part of which has been to conclude condition surveys on its built assets. The review is considering the funding implications that this exercise has identified and how these should be prioritised, with the outcome reported to the Executive in due course.
