4. COMMENTARY

4.1 Background to the Integrated Commissioning Board

The Integrated Commissioning Board (ICB) provides leadership, strategic oversight and direction for all health and social care integrated commissioning programmes and processes undertaken jointly by Bromley health and care partner agencies. Its key responsibilities include:

- Leading and directing arrangements for integrated commissioning of health and social care within the borough of Bromley
- Supporting the work of the Health and Wellbeing Board in delivery of the key priorities identified in the Health & Wellbeing Strategy.
- Overseeing the management of joint resources that enable effective integrated commissioning programmes
- Producing a Local Plan, which allows the Council and the South East London Integrated Care Board (SELICB) (Bromley) to draw down the Better Care Fund (BCF)
- Develop a co-ordinated approach to managing and developing the local provider market across health and care services.
- Ensuring the SELICB (Bromley) and the Council are well positioned to meet the emerging requirements from legislation, national/regional policy or best practice guidance.

The Board is an officer led working group and is co-chaired by the Council's Director of Adults Services, Kim Carey, and the SELICB's Borough Place Executive Lead for Bromley, Angela Bhan.

4.2 The Integrated Commissioning Service

A key outcome of the Board's work in 2019/20 was the creation of an Integrated Commissioning Service that brought together the health and care commissioning teams for out of hospital and community services from across the Council and the Bromley Borough service from South East London CCG. Led by an Assistant Director for Integrated Commissioning, who works across the Council and CCG, this new service plays a key role in supporting the work of the Board.
