When launching their £200 million fund for active travel schemes (<a href="https://www.gov.uk/government/news/200-million-to-improve-walking-and-cycling-routes-and-boost-local-economies">https://www.gov.uk/government/news/200-million-to-improve-walking-and-cycling-routes-and-boost-local-economies</a>) the Government acknowledged that 1 in 2 women feel unsafe walking after dark in a quiet street near their home, and that all proposals must take this into account. How much of the fund will Bromley Council be applying for and how will you be ensuring women's safety is considered?
