Contracts Register Background

- 3.1 The Contracts Database is fully utilised by all Contract Managers across the Council as part of their Contract Management responsibilities, which includes updating the information recorded on the database. The Register is generated from the Contracts Database which is administered by Corporate Procurement and populated by the relevant service managers (Contract Owners) and approved by their managers (Contract Approvers).
- 3.2 As a Commissioning Council, this information is vital to facilitate a full understanding of the Council's procurement activity and the Contracts Register is a key tool used by Contract Managers as part of their daily contract responsibilities. The Contract Registers are reviewed by the Procurement Board, Chief Officers and the Corporate Leadership Team.
- 3.3 The Contracts Register is produced four times a year for members and is a 'snapshot' at the time of each report – though the CDB itself is always 'live'. The quarterly reporting cycle is based on the Executive, Resources and Contracts PDS timetable with reports for each Portfolio prepared and distributed at the same time. There may be a timelag between the quarterly reporting cycle and the next available date of the relevant Policy, Development and Scrutiny Committee for each Portfolio. Report authors for each Portfolio have the opportunity to provide updates on any contracts through the accompanying Part 2 report.
- 3.4 Each PDS committee is expected to undertake detailed scrutiny of its contracts – including scrutinising suppliers – and hold the Portfolio Holder to account on service quality and procurement arrangements.

Contract Register Summary

- 3.5 The Council has 246 active contracts across all Portfolios as of 19 January 2023 for the February 2023 reporting cycle as set out in Appendix 1.
- 3.6 The summary for the Children, Education and Families Portfolio is as follows:

Item	Category	May 2022	September 2022	February 2023
Total Contracts	£50k+	34	41	45
Concern Flag	Concern Flag	1	0	0
Risk Index	Higher Risk	5	7	10
	Lower Risk	29	34	35
Procurement Status for Contracts approaching end date	Red	1	0	0
	Amber	3	3	2
	Green	9	12	11
	Neutral	21	26	32

4. IMPACT ON VULNERABLE ADULTS & CHILDREN

- 4.1 The Corporate Contracts Register covers all Council services: both those used universally by residents and those specifically directed towards vulnerable adults and children. Addressing the

impact of service provision on the vulnerable is a matter for the relevant procurement strategies, contracts, and delivery of specific services rather than this summary register.

5. POLICY IMPLICATIONS

- 5.1 The Council’s renewed ambition is set out in [Making Bromley Even Better 2021 - 2031](#) and the Contracts Database (and Contract Registers) help in delivering the aims (especially in delivering Ambition Five – Resources & Efficiencies). For Ambition Five, this activity specifically helps by supporting ‘robust and active contract management’.

6. PROCUREMENT IMPLICATIONS

- 6.1 Most of the Council’s (£50k plus) procurement spend is now captured by the Contracts Database. The database will help in ensuring that procurement activity is undertaken in a timely manner, that Contract Procedure Rules are followed and that Members are able to scrutinise procurement activity in a regular and systematic manner.

7. FINANCIAL IMPLICATIONS

- 7.1 The Contracts Database and Contract Registers are not primarily financial tools – the Council has other systems and reports for this purpose such as the Budget Monitoring reports. However, the CDB and Registers do contain financial information both in terms of contract dates and values and also budgets and spend for the current year.

8. PERSONNEL IMPLICATIONS

- 8.1 There are no direct personnel implications but the Contracts Database is useful in identifying those officers directly involved in managing the Council’s contracts.

9. LEGAL IMPLICATIONS

- 9.1 There are no direct legal implications but the Contracts Database does identify those contracts which have a statutory basis and also those laws which should be complied with in delivering the contracted services.
- 9.2 A list of the Council’s active contracts may be found on Bromley.gov.uk to aid transparency (this data is updated after each ER&C PDS meeting).
