 2. Summary of Responsible Authorities comments: 2 objections were received from Responsible Authorities. The Public Health Nuisance Team and the Health & Safety Team both objected on the grounds of Public Nuisance.
-

Residents and interested parties

56 representations were received from local residents objecting to the application.

These objections can be found in **Appendix 2**.

3. COMMENTARY

3.1. Licensing Act 2003.

The Licensing Act 2003 states that any premises requires a licence/certificate issued by the Council (premises licence/club premises certificate) where the following activities occur:-

Provision of regulated entertainment

- a) Plays. (Where the audience exceeds 500 people)
- b) Films.
- c) Indoor sporting events. (Where the audience exceeds 1000 people)
- d) Boxing or wrestling entertainment.
- e) Live music. (subject to the Live Music Act 2013 exemptions)
- f) Recorded music.
- g) Performances of dance. (Where the audience exceeds 500 people)

Provision of late-night refreshment (between 2300hrs and 0500hrs).

Supply of alcohol (on and off sales).

The supply of alcohol by or on behalf of a club to, or to the order of, a member of the club.

The sale by retail of alcohol by or on behalf of a club to a guest of a member of the club for consumption on the premises where the sale takes place.

Licences/Certificates may be issued subject to any terms, conditions or restrictions the Council feels are appropriate to address any or all of the four licensing objectives.

The Council has previously agreed Bromley's Statement of Licensing Policy for the Period 2021 – 2026.

The Licensing Sub-Committee must consider the Statement of Licensing Policy and any Special Policy of Cumulative Impact currently in force when making any decisions in respect of these applications.

Members' attention is drawn to the following parts of the policy which are relevant to this application.

Description of the Premises

The premises is located in a row of shops on the junction of Chislehurst Road and Station Approach.

The shop is situated on a busy road with a railway line to the left, the Bickley Arms opposite and residential properties on nearby Lower Camden.

A satellite image and street view of the premises can be found in **Appendix 5**.

Licensing History

This is a new premises licence application. The premises has been licensed previously, under different ownership from 2005 to 2019, for Late Night Refreshment on Monday - Saturday from 23:00 to 00:30 and on Sunday from 23:00 to 00:00 and for the sale of alcohol on Monday - Saturday from 10:00 to 00:00 and on Sunday from 12:00 to 23:30.

Details of the Application

This is an application for a premises licence to provide Late Night Refreshment only: - Monday to Sunday until 03:00.

The application states that the opening hours of the business will be 11:00 to 03:00 every day.

A full copy of the application form and amended plan can be found in **Appendix 1**.

Representations

During the public consultation period the Council received a total of 59 objections, 56 from residents, 2 from Responsible Authorities and 1 Councillor objection. 1 representation was received in support of the application. Full details of the representations can be found in **Appendix 2**.

The objection from the Public Health Nuisance Team stated that they would like to see the application amended to;

- Sunday to Thursday – 23.00hrs to 00.00hrs and;
- Friday & Saturday – 23.00hrs to 01.00hrs.

This was sent to the applicant who responded by saying they would be willing to amend their application to;

- Sunday to Thursday 23:00 to 01:00 and;
- Friday to Saturday 23:00 to 03:00

The applicant also agreed to close the premises to customers at 23:00 and provide deliveries only after this time.

The full response from the applicant can be seen at **Appendix 3**.

Whilst the police did not object to the application, they did ask for additional conditions to be added to the licence, which the applicant agreed to.

Full details of the additional conditions can be found at **Appendix 4**.

4. IMPACT ON VULNERABLE ADULTS AND CHILDREN

- 4.1 Licensing regimes provide for additional controls through specific permissions to undertake activities. Both the Licensing Act 2003 and Gambling Act 2005 contain licensing objectives which seek to protect particular vulnerable groups. In the case of the Licensing Act 2003 it seeks to protect children from harm whereas the licensing objectives under the Gambling Act 2005 are wider and seek to protect children and vulnerable adults from being harmed or exploited.

- 4.2 Businesses and the Council are required to promote these objectives in the way they operate or make decisions.
- 4.3 Details of applications under both Acts are referred to the appropriate safeguarding teams for comment. None were received in this instance.

5. TRANSFORMATION / POLICY IMPLICATIONS

- 5.1 Both the Licensing Act 2003 and the Gambling Act 2005 require the Council to prepare, consult on and publish statements of their licensing policy. These must be reviewed at least every 5 years under the Licensing Act and 3 years under the Gambling Act.
- 5.2 Members should make decisions in accordance with these policies but are free to depart from them with good reason.
- 5.3 The current policies are -
- Statement of Licensing Policy 2021 - 2026
http://www.bromley.gov.uk/downloads/file/226/statement_of_licensing_policy_2021-2026
 - Statement of gambling policy 2022 - 2025
http://www.bromley.gov.uk/downloads/file/325/gambling_policy

6. FINANCIAL IMPLICATIONS

- 6.1 There are rights of Judicial Review and appeal to the Magistrates Court against the decision of the Sub-Committee under both the Licensing and Gambling Acts. If an appeal were to be lodged there are costs associated with defending it. These are difficult to quantify and the Courts can award costs. In the event of a successful appeal we could pay the costs of the appellant as well as our own. Equally if we successfully defended an appeal, it is open to the Court to order our costs to be paid by the appellant.

7. PERSONNEL IMPLICATIONS

- 7.1 Number of staff (current and additional): 1 Licensing Officers supported by 4.5 FTE Administration Staff.
- 7.2 If from existing staff resources, number of staff hours: A licensing application typically takes 7hrs professional officer time and 5hrs administration time.

8. LEGAL IMPLICATIONS

- 8.1 Any Parties involved in a hearing before a Sub-Committee can seek a Judicial Review if the Local Authority has failed to administer the hearing in accordance with proper procedures.
- 8.2 Any Party involved with the hearing before licensing subcommittee can appeal any decision made at that hearing to the magistrate's court.
- 8.3 The Council has adopted a procedure for the conduct of hearings.

9. PROCUREMENT IMPLICATIONS

There are no procurement implications.

10. PROPERTY IMPLICATIONS

There are no property implications.

11. CARBON REDUCTION/SOCIAL VALUE IMPLICATIONS

There are neutral environmental and carbon reduction implications from the proposals contained in this report.

12. CUSTOMER IMPACT

See para. 4 and 11 and Appendix 3 of this report.

13. WARD COUNCILLOR / OTHER STATUTORY CONSULTEES VIEWS

13.1 A single representation was made on behalf of 3 Ward Councillors objecting to the application.

13.2 Cllr Mike Jack, Cllr Mark Smith and Cllr Alison Stammers' objection is on the grounds of disorder and public nuisance.

13.3 Responsible Authorities Views

13.4 Summary of Responsible Authorities comments: 2 Responsible Authorities objected to this application.

The following Responsible Authorities were notified about this application and their views sought.

| Responsible Authority | Date Notified | Comments |
|-----------------------------|-------------------|--|
| Licensing Authority | 30th January 2023 | No objection |
| Metropolitan Police | 30th January 2023 | No objection if proposed additional conditions accepted by applicant (further details in Appendix 4) |

LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

1. The premises shall install and maintain a comprehensive CCTV system. All entry and exit points must be covered enabling frontal identification of every person entering in a light condition. The system shall also provide full coverage of any exterior part of the premises accessible to the public. The CCTV system shall continually record whilst the premises are open. All recordings shall be stored for a minimum period of 28 days with date and time stamping. Viewing of recordings shall be made available immediately upon the request of Police or authorised officer of The Council.
2. A staff member from the premises who is conversant with the operation of the CCTV system shall be in the premises at all times when the premises is open. This staff member must be able to provide a Police or authorised council officer copies of recent CCTV images or data with the absolute minimum of delay when requested and within a maximum of 24 hours of the initial request.
3. Subject to Data Protection guidance and legislation, the management of the premises will ensure that key staff are fully trained in the operation of the CCTV and will be able to download selected footage onto a disk/USB Stick for the Police or authorised officers of the Local Authority without difficulty, delay or charge.
4. Any CCTV breakdown or system failure will be notified to the Police and Local Authority immediately & remedied as soon as practicable. Repair records shall be kept on site for at least 12 months and be readily available to be viewed by all authorised persons upon request.

b) The prevention of crime and disorder

- Notices shall be prominently displayed within the premises stating that CCTV is in operation.
- All such training is to be fully documented and signed by not only the employee but the person delivering the training. Training records shall be kept at the premises and made available upon request to either Police Officers or an authorised officer of The Council.

c) Public safety

- An incident log shall be kept at the premises and made available on request to an authorised officer of the The Council or the Police. It must be completed within 24 hours

Continued from previous page...

of the incident and will record the following:

- a) all crimes reported to the venue
- b) any complaints received concerning crime and disorder
- c) any incidents of disorder
- d) any faults in the CCTV system, searching equipment or scanning equipment
- e) any refusal of the sale of alcohol including date, time and name of staff member
- f) any visit by a relevant authority or emergency service.

d) The prevention of public nuisance

- A clear and unobstructed view into the premises shall be maintained at all times.
- All delivery orders shall be to a registered residential or business address. There shall be no deliveries to public/communal areas or open spaces.
- All deliveries to the site shall take place during the normal working day, i.e., 09:00 to 18:00 daily.

e) The protection of children from harm

- A suitable intruder alarm and panic button shall be fitted and maintained.
- Notices to be displayed on site asking customers to leave the area quietly

Section 19 of 21

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- An expired or current passport showing the holder, or a person named in the passport as the child of the holder, is a British citizen or a citizen of the UK and Colonies having the right of abode in the UK [please see note below about which sections of the passport to copy].
- An expired or current passport or national identity card showing the holder, or a person named in the passport as the child of the holder, is a national of a European Economic Area country or Switzerland.
- A Registration Certificate or document certifying permanent residence issued by the Home Office to a national of a European Economic Area country or Switzerland.
- A Permanent Residence Card issued by the Home Office to the family member of a national of a European Economic Area country or Switzerland.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder indicating that the person named is allowed to stay indefinitely in the UK, or has no time limit on their stay in the UK.
- A **current** passport endorsed to show that the holder is exempt from immigration control, is allowed to stay indefinitely in the UK, has the right of abode in the UK, or has no time limit on their stay in the UK.
- A **current** Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

Continued from previous page...

- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.
- A **current** Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.
- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:-
 - evidence of the applicant's own identity – such as a passport,
 - evidence of their relationship with the European Economic Area family member – e.g. a marriage certificate, civil partnership certificate or birth certificate, and
 - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
 - (i) working e.g. employment contract, wage slips, letter from the employer,
 - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

NOTES ON REGULATED ENTERTAINMENT

Continued from previous page...

In terms of specific **regulated entertainments** please note that:

- Plays: no licence is required for performances between 08:00 and 23.00 on any day, provided that the audience does not exceed 500.
- Films: no licence is required for 'not-for-profit' film exhibition held in community premises between 08.00 and 23.00 on any day provided that the audience does not exceed 500 and the organiser (a) gets consent to the screening from a person who is responsible for the premises; and (b) ensures that each such screening abides by age classification ratings.
- Indoor sporting events: no licence is required for performances between 08.00 and 23.00 on any day, provided that the audience does not exceed 1000.
- Boxing or Wrestling Entertainment: no licence is required for a contest, exhibition or display of Greco-Roman wrestling, or freestyle wrestling between 08.00 and 23.00 on any day, provided that the audience does not exceed 1000. Combined fighting sports – defined as a contest, exhibition or display which combines boxing or wrestling with one or more martial arts – are licensable as a boxing or wrestling entertainment rather than an indoor sporting event.
- Live music: no licence permission is required for:
 - o a performance of unamplified live music between 08.00 and 23.00 on any day, on any premises.
 - o a performance of amplified live music between 08.00 and 23.00 on any day on premises authorised to sell alcohol for consumption on those premises, provided that the audience does not exceed 500.
 - o a performance of amplified live music between 08.00 and 23.00 on any day, in a workplace that is not licensed to sell alcohol on those premises, provided that the audience does not exceed 500.
 - o a performance of amplified live music between 08.00 and 23.00 on any day, in a church hall, village hall, community hall, or other similar community premises, that is not licensed by a premises licence to sell alcohol, provided that (a) the audience does not exceed 500, and (b) the organiser gets consent for the performance from a person who is responsible for the premises.
 - o a performance of amplified live music between 08.00 and 23.00 on any day, at the non-residential premises of (i) a local authority, or (ii) a school, or (iii) a hospital, provided that (a) the audience does not exceed 500, and (b) the organiser gets consent for the performance on the relevant premises from: (i) the local authority concerned, or (ii) the school or (iii) the health care provider for the hospital.
- Recorded Music: no licence permission is required for:
 - o any playing of recorded music between 08.00 and 23.00 on any day on premises authorised to sell alcohol for consumption on those premises, provided that the audience does not exceed 500.
 - o any playing of recorded music between 08.00 and 23.00 on any day, in a church hall, village hall, community hall, or other similar community premises, that is not licensed by a premises licence to sell alcohol, provided that (a) the audience does not exceed 500, and (b) the organiser gets consent for the performance from a person who is responsible for the premises.
 - o any playing of recorded music between 08.00 and 23.00 on any day, at the non-residential premises of (i) a local authority, or (ii) a school, or (iii) a hospital, provided that (a) the audience does not exceed 500, and (b) the organiser gets consent for the performance on the relevant premises from: (i) the local authority concerned, or (ii) the school proprietor or (iii) the health care provider for the hospital.

Continued from previous page...

- Dance: no licence is required for performances between 08.00 and 23.00 on any day, provided that the audience does not exceed 500. However, a performance which amounts to adult entertainment remains licensable.
- Cross activity exemptions: no licence is required between 08.00 and 23.00 on any day, with no limit on audience size for:
 - o any entertainment taking place on the premises of the local authority where the entertainment is provided by or on behalf of the local authority;
 - o any entertainment taking place on the hospital premises of the health care provider where the entertainment is provided by or on behalf of the health care provider;
 - o any entertainment taking place on the premises of the school where the entertainment is provided by or on behalf of the school proprietor; and
 - o any entertainment (excluding films and a boxing or wrestling entertainment) taking place at a travelling circus, provided that (a) it takes place within a moveable structure that accommodates the audience, and (b) that the travelling circus has not been located on the same site for more than 28 consecutive days.

Ward Councillor Objection

**Licensing application for Fireaway Pizza 53 Chislehurst Road
(23/00145/LAPRE)**

22nd February 2023

OPPOSING THE ABOVE APPLICATION FOR EXTENDED TRADING HOURS.

Cllr Mike Jack, Cllr Mark Smith, and Cllr Alison Stammers.

This is to state our objection to the application for a late licence for both takeaway and delivery - between the hours of 11pm and 3am, both inside and outside the premises of Fireaway Pizza at 53 Chislehurst Road, BR7 5NP, Chislehurst.

Fireaway premises is part of a small parade of shops on either side of the entry to Lower Camden, opposite the Bickley Arms pub and the access road to Chislehurst station and just around a blind corner under a railway bridge.

Fireaway Pizza Restaurant in the middle with Flats along the top of both sides

The Bickley Arms Pub closes at 11.30 pm Friday & Saturday with the rest of the week being 11pm. No other premises in this parade are open beyond 10pm which is when the nearby fish and chip shop closes. Fireaway is currently open until 11pm.

This application for extended opening hours through to the early hours of the morning – 3am is inappropriate for this site. There are approximately 15 flats above the parade of shops which is also surrounded by a densely populated residential area with all roads leading to Chislehurst Road (The Parade – Fireaway Pizza)

Shops along from Fireaway Pizza, Chislehurst Road – Flats above them all.

Just a few metres down the road from Fireaway Pizza we also have Tollgate Lodge which has 14 apartments

The introduction of a takeaway/delivery service after 11pm would attract.

- People leaving the Bickley Arms after its closing time of 11pm, thereby effectively extending the noise and activity in the local area beyond the pub's own licensed hours.
- Increased vehicle traffic from customers travelling to the restaurant who would need to park outside the premises, in Lower Camden or in the station car park.
- A delivery service with cars and bikes, stopping and starting, doors opening and closing continuing to go backwards and forwards from the restaurant until 3am in the morning, 7 days a week.

This would cause significant problems for local residents, including:

- Increased traffic and traffic noise in the early hours, along local roads (Chislehurst Road including flats in and around the site itself, and homes in Old Hill and Lower Camden which would be access roads)
- Noise in the early hours associated with people while they are using the premises and consuming purchases outside - loitering, including the use of the tables and chairs outside the Bickley Arms Pub Courtyard.
- The noise of the large extractor fans, commonly used by Pizza Restaurants to remove excess hot air that is uncomfortable, to capture, contain & remove vapor, smoke, odour & grease from cooking operations, all working until 3am or later until they are switched off .
- Litter from food packaging and drinks left in the local area. There has already been a noticeable increase in litter since Fireaway was opened. Fireaway' s packaging is regularly discarded along Old Hill, Lower Camden, Chislehurst Road, and Station Road since opening.
- Significant risk of increased anti-social behaviour affecting both local residents and other local shops in a very quiet out of the way parade of shops.

It is also our belief that such an extension would place an unnecessary strain on the already overburdened local police and emergency services. These agencies are already stretched to their limits in dealing with the current problems, and any further increase in demand would only serve to undermine their ability to maintain public order and safety.

Application comments:

The Bickley Pub opposite Fireaway Pizza, unsecured outdoor area to the right

Any extension beyond the current closing time of 11pm (We would support 11.30 Friday & Saturday to match the Bickley Arms Pub current opening hours, which is located opposite them) would, for the reasons above, significantly alter the character of the local shopping parade, adversely affect the welfare of local residents and have adverse impacts on the local environment.

We are also concerned that, if the Council were to grant this application, this would set a precedent that could make it more difficult for the Council to reject future applications for other late night/ early morning licences within the parade of shops.

We struggle to see benefits to the local community and as such we strongly oppose this application.

Cllr Mike Jack Cllr
Mark Smith
Cllr Alison Stammers

Application comments:

Responsible Authority Objections

Health & Safety

I object to the application for late night refreshment at these premises as I fear the premises will be unable to uphold the licensing objective of the Prevention of Public Nuisance.

The grounds for my objection are as below:-

The premises are sited in a predominantly residential area. The proposed hours of the application to open until 03.00 would, in my opinion, result in unacceptable noise from patrons and delivery drivers causing Statutory Nuisance, harm and loss of amenity to the residents residing locally to the premises.

There are no other licensed premises in the vicinity of the premises which operate after midnight.

Statutory Nuisance & Anti-Social Behaviour Team

Dear Licensing

Following the notification on this application, The nuisance team have concerns in respect of the following -

The closing hours applied for, are outside what we would recommend for the area due to the proximity residential premises and a low traffic level in the area late at night

We will recommend all customers to leave the premises by 23:00hrs Sunday to Thursday and midnight Friday and Saturday. We are happy for delivery to take place an hour later after the closing time.

The application as it stands would allow for it to open until 03.00hrs each day with no restrictions.

As it stands, we object to the granting of the licence on the grounds of Public nuisance, as it is highly likely to have a negative impact on the licensing objectives -

- the prevention of crime and disorder.
- public safety.
- the prevention of public nuisance.
- the protection of children from harm.

We would like to see the application amended as follows

Sunday to Thursday – 23.00hrs to 00.00hrs

Friday & Saturday – 23.00hrs to 01.00hrs

With the following condition to be included on the licence

“All customers must have left the premises and the doors to be closed except for delivery drivers and staff by 23.00hrs Sunday to Thursday and 00.00hrs Friday and Saturday”

Therefore, the Public Health Nuisance Team raise a formal representation to the application at this time.

Application comments:

Resident Objections

Objection 01: Lower Camden Chislehurst

I vehemently oppose this application. The Lower Camden area is a quiet residential area . We do have the Bickley pub but this closes at normal times . This pizza shop is bad enough with empty pizza boxes strewn around the pavements at night which have to be picked up in the mornings.

It is wholly out of keeping with this area to have a place selling drinks to the small hours of the morning . It will attract late night drinkers who wouldn't normally be in this location.

The rear of my property is very close to the rear of the pizza shop . Everything is closed and quiet here at night. Nobody in the vicinity wants this ridiculous licence to be granted

Objection 02: Lower Camden Chislehurst

This will attract people into a residential area late at night. Very likely will encourage antisocial behaviour - there is no night time activity to warrant this and it is a quiet area. Trains aren't running this late at night so no demand.

Objection 03: Woodclyffe Drive

Whilst all businesses are welcome in our area and in local pockets like Lower Camden, it really is very unreasonable, anti social and unneighbourly to make residents put up with noise, possible delivery vans/mopeds and litter until 3am and so we reject their application.

The Bickley was quieter this summer - and long may it continue - but there is still noise after closing, which is to be expected. With the pizza proposed extended opening times, this is unacceptable.

Objection 04: Lubbock Road

I am a local resident living on Lubbock Road (at the end o Lower Camden) and I want to object to the application for a premises license at 53 Chislehurst Road, BR7 5NP. This premises is located in and close to residential areas which would be subject to disturbance from late night patrons. Furthermore, the type of patrons who would frequent such an establishment would not likely be from the local area, meaning a high likelihood of drink driving given there is no public transport running at those hours. Finally, licensing for the premises until 3 AM seven days a week is not in keeping with the local neighbourhood.

Please decline this application and keep Chislehurst a nice place for families.

Objection 05: Lower Camden

Please accept this email as my formal objection to the proposed extension to licensing hours at the premises of Fireaway Pizza at 53 Chislehurst Road BR7 5NP.

Marked increase in the following to nearby residents living in a designated Conservation Area:

- Anti-Social Behaviour: Litter, vandalism, disturbance and noise

Application comments:

- Vermin
- Nuisance caused by the drivers of electric vehicles in locating delivery addresses and targeting incorrect addresses in error

To summarise, I believe this would attract anti-social behaviour to a residential area. There are no local facilities that are open this late so it would attract other people to the area rather than benefitting locals. I can see no merit to nearby residents other than an increase in my concerns above.

Objection 06: Chislehurst Road Chislehurst

This is a residential area not a High Street. I can't see how this will enhance our locality as no other businesses are open during these hours. This is likely to incur extra noise with delivery vehicles and traffic as well as noise plus the potential for anti-/social behaviour.

Objection 07: Chislehurst Road

To whom it may concern.

As a local resident, who uses the current services of fireaway, I see no reasonable reason for an extension to hours in a very quiet residential neighbourhood.

The services already cause some nuisance due to waste that's discarded by some of the inconsiderate clients.

Any extension beyond the current hours is very out of keeping with the location, and will bring unnecessary footfall and noise when residents that live close are sleeping.

There is already a variety of delivery services and restaurants in Bromley that can service those few who need a late night meal, so there is no reason for this extension to be required by anyone.

Considering what has been mentioned above, there is no economic sense for them either. The natural footfall would be very low.

If the owner requires these additional hours & type of service, then they should reconsider the location of their service.

Comparable local pizza services (domino's) are only open until 10:45pm or 11pm, both of these restaurants are in less residential area's.

Objection 08: Denbridge Road

I live on Denbridge Road and want to express my dissatisfaction at the proposed licensing extension of Fireaway to 23:00 – 3:00.

As a resident of this area there are a number of reasons why this is not appropriate:

- 1) This is a heavily populated residential area, there is no need to have this establishment open so late

Application comments:

- 2) There is very little business in Fireaway, staff are often not even in the shop and are round the back playing football or stood outside speaking to their friends on motorbikes, smoking and littering
- 3) There is no appetite for these hours, the last train from London is way before 3am into Chislehurst Station, there are no local buses running either
- 4) The Bickley pub is not open for these hours either and so I question where the footfall will be coming from
- 5) These hours make me question whether we would be encouraging people to drink drive after a night out to come to this venue. This road and corner is already extremely dangerous and cars drive too quick round here already
- 6) If there are people gathering round the shop during these times its going to be heavily disruptive to local neighbours, and can encourage littering, loitering, anti-social behaviour and potential damage to properties and cars
- 7) Remaining open until 3am does not fit with the areas demographic, no other establishment has this licence at the parade of shops, and I cannot see the business need

Objection 09: Woodlands Road

Dear Mr Jack,

FIREAWAY,53 Chislehurst Road,Chislehurst BR7 5NP

Application for a Premises Licence for LATE NIGHT REFRESHMENTS Mon-Sun between 23.00 & 03.00 hours.

I have lived for over 25 years in Woodlands Road, Bickley,close to this location.

The above proposal is likely to result in noisy & potentially anti-social behaviour in the late evening & in the early hours of the morning (from vehicle doors being slammed shut, loud conversations, vehicle movements etc), in a location immediately surrounded by a predominantly residential area.

It would therefore have a detrimental impact on the amenity of residents at night-time in this part of Chislehurst/Bickley.This application proposal should be resisted.

I hope you can support these objections on residents' behalf. Please acknowledge receipt.

Objection 10: Lower Camden

I object to this proposal most strongly . This is a quiet residential neighbourhood not a town centre . Opening so late will attract not local people but all sorts of antisocial behaviour . There are no local facilities that are open this late so it would attract people to the area rather than locals. There is already a big problem with rubbish strewn around outside from the pizza shop ever morning . People congregating will be noisy . The horrible garlic smells that waft out from the property will continue into the night . It really is not an appropriate place for a takeaway to be open so late

Objection 11: Lower Camden

This application for an extended license is totally without merit on a number of grounds.

1: This is predominantly a residential area where everything (including the local pubs - The Bickley and Imperial Arms) close around 11pm or so. Having a takeaway restaurant open until 3 would completely

Application comments:

disrupt this pattern and disturb the residents right to peace and quiet for sleep and rest at night.

2: Currently the amount of debris and litter generated by the pizza shop and its customers already block the pavement and highways in the morning as neither of them want to place their litter in the bins provided - having a late facility will only make matters worse and would further impinge on local residents right to enjoy a clean environment.

3: The restaurant already creates cooking smells in the evening which permeate along Lower Camden but these generally die down around 9pm - for them to be cooking into the small hours would mean that local residents would be further inconvenienced.

4: We are not in the centre of a major town here we have a few small shops for the convenience of local residents - opening up this facility in to the small hours of the morning would cause more noise and pollution in essentially a residential area.

5: This might also set a dangerous precedent within the local area whereby all the shops and premises then ask for further extensions.

Objection 12:

This is a residential area within the Chislehurst Conservation area which must be protected from noise, litter and late night activity, all of which will be detrimental to the environment. The hours proposed are not in keeping with any other business in the local parade and should be resisted so as not to create any precedent.

Objection 13:

This is a quiet residential area. Opening until the early hours will incur extra noise from traffic, delivery drivers and will become a gathering place for late night eaters. Whatever the good intentions of the owners it is also likely to incur anti-social behaviour and even more rubbish in the surrounding area.

Objection 14: Chislehurst Road

There is currently a constant issue with discarded pizza packaging in the surrounding roads and this will no doubt increase if the operating licence is extended.

An increase in vehicles using the take away facility upto 03.00 will result in additional engine noise, car door slamming and customer voices. The predominantly residential roads will also be used the access the pizza premises during these unsociable hours.

Objection 15: Chislehurst Road BR7

Fireaway Pizza, 53 Chislehurst Road - OBJECTION

I strongly OBJECT this application.

Opening until 3am will only encourage antisocial behaviour and will expose nearby businesses and homes alike to the consequences of late night customers (often inebriated), such as vandalism, crime, noise and litter. I daresay even opening until as late as midnight would be problematic, so I do hope closing time remains at 11pm.

Chislehurst Road is not synonymous with youth in search of late night food or somewhere to hang out, and there should be no chance for this to change.

The area is not the most well lit. Chances of drunk customers or youths hanging around a darkened street corner at all hours could also increase the chances of danger and intimidation for people walking past - perhaps someone arriving on a late train.

Application comments:

I have no issue with Fireaway as a business besides this, and would support any legitimate restaurant in all premises along the parade, but there is already an existing historical problem with litter (mainly the recognizable pizza boxes), cigarette butts and bottles left along the parade overnight despite the current closing time, a problem which will only worsen with a later license.

Not only will the footfall increase, a later license will also increase the coming and going of delivery drivers until 3am. The vehicles currently in use are not the quietest and drivers not the most courteous.

I hope the application is refused.

Objection 16: Lower Camden

Reference the application for extended hours of opening by J R Nagra Limited, please make note of my objection to the granting of this application by Bromley Council.

I am a longstanding local resident at BR7 5HY.

The surrounding area for Fireaway and the parade of shops is wholly residential, is very quiet during weekday evenings and weekends and has no meaningful passing trade in the late hours after 10pm. As such, I consider this application to be a bid by the operator to drum up after-hours trade from takeaway delivery platforms from a wider area, most likely not even by Chislehurst residents.

In consequence, it is likely that the surrounding residential roads will be affected by traffic noise into the early hours even though the application says electric vehicles will be used. I would appreciate knowing how the operator proposes to control delivery drivers and riders that do not use quieter electric vehicles.

I would mention that I have myself very recently returned home from Orpington by train (Wednesday 8 February, approx 11pm) and was greeted by loud music and singing that was audible on Station Road by the station entrance itself (300 meters, I estimate) coming from occupants of a car outside Fireaway. Clearly, late night revellers will most likely have little regard for residents and I doubt that the operator could control this unless they close their doors to walk-in/drive-in trade during later evening hours.

I am aware of the growing trade generally for takeaway food in the late night hours, however the production of such food is better suited to commercial areas where dark kitchens service the demand away from residential areas. However, I also recognise that some areas of London are vastly more populated and busy during the late hours and do cater for this trade, but the surrounding residential area of Lower Camden, Old Hill and Chislehurst Road is very definitely not one of these.

Objection 17: Abbey Gardens

Dear Sir/Madam,

We noticed in the window of Fireaway that they are seeking an extension of their Licensing Activities from 11.00pm until 03.00am.

This premises is based in a Conservation Area and is mostly residential. The takeaway only restaurant forms part of a small row of shops open for the convenience of primarily local residents. It is not a shopping destination and there is very little, if any footfall beyond the closing of the Bickley Pub opposite at 11pm.

The area itself is in a valley and therefore is subject to amplification of any background noise from cars, trains and aeroplanes, with the only respite being from around midnight until approx. 05.30am when the trains and planes start. It would therefore be a public nuisance to have the increased noise for local residents at unsociable hours as a result of the additional traffic coming to pick up food or delivery riders pitching up to collect.

This request can only be to facilitate business from outside the local area and serves no local purpose or benefit to the local community. and as such we strongly oppose an extension to the opening hours.

Objection 18: Old Hill

Dear Sir Madam

It has been brought to my attention that Fireaway pizza place at 53 Chislehurst rd has applied to open until 3 am

I wish to object to this on the following grounds;

The area is highly residential and the noise to residents near the area will be excessive. The hours after midnight should not be allowed for commercial sales of food and drink in such a highly built up residential area.

In my view it will encourage more anti-social behaviour. We have three pubs nearby that close circa 11pm to 12pm. We already have a lot of noise from people leaving these 3 pubs. If that was extended 3 hours then many residents would get no peace when they should be sleeping.

It will encourage some that go to the pubs to hang around the area making noise and possibly worse. Also the noise of cars going up and down Old Hill and other roads in the early hours would wake up residents. We already have horns blaring at 6am onwards we do not need in the early hours of the morning.

This sort of request should only really be considered on a high street where there are no residential buildings.

Application comments:

The takeaway is open plenty of hours in the day already, so they have a good opportunity to make money without causing considerable inconvenience to residents in the early hours of the night.

Please raise this as an objection to the license request on the ground of detrimental impact to residents in the early hours of each morning .

I just wanted to add that the license request would be a public nuisance both noise, anti-social behaviour and litter.

Objection 19:

Dear Licensing Team,

I am writing to you regarding my objection to Fireaway (53 Chislehurst Road, Chislehurst, BR7 5NP) extending their current hours of business.

Fireaway is located in a quiet residential area and was previously used as a sit down restaurant. Extending the hours is not beneficial to the local community and would be detrimental when considering the following concerns:

- Increasing their hours of operation is detrimental to residents' well being through increased noise and activity during these unsociable hours
- There has been a noticeable increase in litter since Fireaway was opened. Fireaway's packaging is regularly discarded along Old Hill, Lower Camden, Chislehurst Road and Station Road since opening. Increasing hours will further contribute to the environmental damage.
- There would be increase air and noise pollution from late night deliveries and pick ups.
- There would be an increased in antisocial behaviour such as littering and late night noise.
- The proposed change in hours of operation is far beyond the original building's purpose (restaurant).
- There is no local demand for such an establishment to be opened so late and the proposed hours are not in keeping other similar establishments in the area
- Chislehurst is a conservation area that is historic in character and is special enough to warrant protection. Opening a late night take away shop 7 days a week until 3am is not in keeping with these principles.

I hope you understand mine as well as other residents' concerns and recognise our strong opposition to any such change in hours.

Objection 20:

With regard to the licensing application at Fireaway Pizza, 53 Chislehurst Road, BR7 5JG, I strongly object to this business being able to open between the hours of 23.00 to 3.00 seven days a week.

Application comments:

This proposal is totally unnecessary there being ample provision to buy take away food locally during normal trading hours. There is already a lot of antisocial noise when the Bickley Arms closes causing a disturbance to local residents.

The unsociable hours proposed in this application will definitely cause a Public Nuisance and therefore I would urge the Licensing Committee to reject this application.

Objection 21:

As a local resident I wish to register my strong objection to the Fireaway (of 53 Chislehurst Road, Chislehurst, BR7 5NP) application to extend their hours of business until 03.00 - 7 days a week.

Fireaway is located in a quiet residential area and was previously used as a seated restaurant with an optional small take away service.

Extending the hours will not materially benefit the local community. It will attract late night revellers, many of whom will have been drinking, causing an increase in noise and anti-social behaviour from such revellers and of course numerous delivery bikes. As there are few premises operating similar hours it will undoubtedly attract many from out of the area.

In local and adjoining roads there has been an increase litter since Fireaway opened and any extension can only exacerbate the situation contributing to environmental damage.

The change in hours of business is far from the original hours of use of the premises. If permitted such proposals may well set a precedent encouraging others to seek extensions.

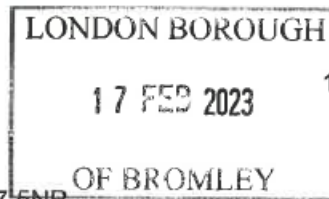

Chislehurst is for good reason a conservation area, historic in nature and in need of protection. Fireaway opening until 03.00 will be the thin edge of the wedge destroying the fundamental character of the area.

I know from speaking to local neighbours and friends that such a proposal is totally unacceptable and I trust the council will agree.

Objection 22: Vale Road

Stockwell Close
Bromley
BR1 3UH

16 February 2023

Licence ref: 23/00145/LAPRE

Fireway, 53 Chislehurst Road, Chislehurst BR7 5NP

Dear Bromley Licensing,

I am writing on behalf of Vale Road Residents' Association concerning the above application.

The Association object to the increase in opening hours from 11pm to 3am over 7 days, and find the increase to be totally wrong for the area for the reasons outlined below.

- Increase in traffic drawn into a residential area
- Increase in home delivery vehicles
- People congregating due to late night opening draw
- Anti-social behaviour from those drawn into the area
- Increase in noise late at night early morning
- Increasing litter in surrounding area of pizza boxes and drinks containers

The roads just on the Bickley side of the railway line often suffer from parking, litter and disturbance from customers visiting the shops, pub and takeaways on the Chislehurst Road side.

While not wishing to restrict the trading of these outlets, their impact on a residential area has to be considered when making decisions that affect all that live in the vicinity. The proposed increase in late night/early morning opening will impact detrimentally to all in the area.

Yours sincerely,

Objection 23: Vale Road

To whom it may concern,

As a resident of Vale Road, I would like to formally object to the extended opening hours requested by the Fireway pizza restaurant on Chislehurst Road. We feel that requesting a restaurant be open until 3am is completely unnecessary and will only invite unnecessary attention to this otherwise quiet residential area. At that time of night there is minimal passing traffic and the trains have stopped so we wonder why these 4 additional hours are needed, I could understand if it was in a town Center or even on Chislehurst at high street but not here. if needed maybe a compromise could be until 12? We would also like to reiterate that the council will need to put in further provision for rubbish collection outside this premises as it is already notorious for late night eaters leaving their boxes and left over food behind.

Application comments:

Objection 24: Lower Camden

Comment on licensing application for 53 Chislehurst Road (23/00145/LAPRE)

This application seeks to allow the applicant to provide food - presumably both takeaway and home delivery - between the hours of 11pm and 3am, both inside and outside the premises at 53 Chislehurst Road.

I live in Lower Camden, one of the streets that would be affected by this application. My comments arise from concern for the welfare of the local community which would be adversely affected by it.

The premises concerned are part of a small parade of shops on either side of the entry to Lower Camden, opposite the Bickley Arms pub (which closes at 11pm) and the access road to Chislehurst station and just around a blind corner under a railway bridge. No other premises in this parade are open beyond 10pm (when the nearby fish and chip shop closes). Until recently the premises concerned was a restaurant. It is currently open until 11pm.

This application for extended opening through the early hours is wholly inappropriate for this site, which is in a residential area whose residents would be adversely affected in a number of ways if it were to be accepted.

It seems unlikely that there is significant demand for an early hours food service in the local community. So far as I am aware the applicant has done nothing to ask local residents about local demand or for their views on this application (nor had the applicant informed other shopkeepers whom I asked about it). This is surprising and tends to confirm that the application is intended to serve visiting rather than local customers.

The introduction of a takeaway/delivery service after 11pm would attract - and would presumably be advertised to attract - three types of user:

- those leaving the Bickley Arms at its closing time of 11pm, thereby effectively extending the noise and activity in the local area beyond the pub's own licensed hours;
- passing vehicles, presumably attracted by advertising as there are no other early morning food outlets in the area, which would need to park outside the premises, in Lower Camden or in the station car park;
- a delivery service from the pizzeria to customers in a wider area, which would entail delivery traffic going to and from the premises throughout the period up to 3am.

This would cause significant problems for local residents, including:

- increased traffic and traffic noise in the early hours, along local roads (Chislehurst Road including flats in and around the site itself, and homes in Old Hill and Lower Camden which would be access roads);

Application comments:

- noise in the early hours associated with people while they are using the premises and consuming purchases outside, including likely use (without permission) of the table sets outside the Bickley Arms;
- litter from food packaging and drinks left in the local area;
- significant risk of increased anti-social behaviour affecting both local residents and other local shops (which have already experienced problems in the recent past).

The appropriate time for the pizzeria to close, as at present, is to coincide with the closing time of the Bickley Arms (11pm). Any extension beyond this would, for the reasons above, significantly alter the character of the local shopping parade, adversely affect the welfare of local residents and have adverse impacts on the local environment.

I am also concerned that, if the Council were to grant this application, that would set a precedent that could make it more difficult for the Council to reject future applications for other late night / early morning licences should these be proposed by future lessees of other premises within this parade of shops. Such a development would seriously exacerbate all of the detrimental impacts mentioned above.

Objection 25: Lower Camden

Good Afternoon ,

I live at Lower Camden Chislehurst and have registered my objection twice to Fireaway's application to extend their opening hours .

The website doesn't show any comments or objections and I understand that now when people try to object there seems to be an error in the system . So I have no idea if my objection has been logged and neither do any of our local residents .

The closing date for objections is fast approaching and several people in my road have not been able to successfully register their objection.

Can you please advise what the problem is and I suggest you extend the period for comment as many people haven't been able to register .

I am also concerned that as a very close neighbour to Fireaway (my garden is very close at the back) I didn't receive any letter about the proposed extended hours . I only found out about it from a neighbour who had heard about it from a third party .

Kind regards,

(2) I have tried 3 times to object to this but still don't know if my objection has been registered and everyone in my road is having the same problems with your portal . We are a quiet residential area . The noise the rubbish the antisocial behaviour that will occur with this late opening are just not acceptable . We are not a busy town centre high street

Objection 26: Lower Camden Road

Good afternoon,

I am writing in behalf of myself and my husband to object to the application for extended opening hours at Fireaway Pizza, 53 Chislehurst Road Chislehurst BR7 5NP.

We live at Lower Camden Road and believe that an extended licence is not appropriate in this quiet residential area. After the Bickley Arms pub closes for the night there is no need

Application comments:

for a fast food outlet which has already cause traffic problems with customers double parking along our road and blocking driveways. Rubbish in the form of pizza boxes are routinely thrown, littering gardens of houses close to the business. This is quiet residential area and we do not believe that there is a market for longer opening hours or a need for it. We do not want to risk our peace being disturbed by the arrival of delivery drivers until 3am, or by more customers coming to pick up food.

Other outlets of Fireaway Pizza are situated in busy high streets, not quiet areas such as ours. We bought our home because we wished for a quiet life and believe we have a right to expect that. Currently, once the pub closes we enjoy the calm and the peace we have moved here for. Please do not disturb our area and that of our neighbours by allowing this licence to be approved.

Objection 27:

Dear Sir or Madam,

We are writing to raise our concerns regarding the proposed extended trading hours of Fireaway Pizza on Chislehurst Road. We understand that the Council website where comments should usually be submitted is not working, and therefore this is the email to send comments to in the interim.

As residents of Lower Camden, we wish to object to the application that has been made to extend Fireaway's opening hours until 3am. Opening hours until the early morning might be acceptable in a busy, large town centre, but we are completely baffled as to why this would be deemed acceptable in a quiet residential area. As nowhere nearby is open until anywhere near as late as 3am, including the pub, presumably the owners are planning on attracting customers from outside the immediate area. This will increase traffic, noise and undoubtedly litter in the area and we can see absolutely no benefit for the locals. There are also no public toilet facilities in the vicinity.

The residents of Lower Camden communicate regularly via an app and we are all deeply concerned by the application.

I'd be grateful if you could please confirm that this email has been received and will be included in the comments, in consideration of the application.

Objection 28: Lower Camden Chislehurst

Totally oppose the change in timings. This is a residential area and will disturb residents and create further litter. There is no reason people require food at these hours in an area where nothing else is open so no through traffic - trains finished, pub closed. It will encourage groups to loiter in the area - residents do not want this

Application comments:

Objection 29: Lower Camden

Good Morning

I live in Lower Camden and believe this would attract antisocial behaviour to a residential area. There are no local facilities that are open this late so it would attract people to the area rather than locals. I can see no benefit to local residents and just an increase in traffic, noise and general anti-social behaviour.

Objection 30: Lower Camden Chislehurst

This application seeks to allow the applicant to provide food - presumably both takeaway and home delivery - between the hours of 11pm and 3am, both inside and outside the premises at 53 Chislehurst Road.

I live in Lower Camden, one of the streets that would be affected by this application. My comments arise from concern for the welfare of the local community which would be adversely affected by it.

The premises concerned are part of a small parade of shops on either side of the entry to Lower Camden, opposite the Bickley Arms pub (which closes at 11pm) and the access road to Chislehurst station and just around a blind corner under a railway bridge. No other premises in this parade are open beyond 10pm (when the nearby fish and chip shop closes). Until recently the premises concerned was a restaurant. It is currently open until 11pm.

This is the second part of the objection which I have already raised. Your site apparently has a word limit which is not specified on the page. This had prevented me from submitting my whole comment. A further part will follow.

This application for extended opening through the early hours is wholly inappropriate for this site, which is in a residential area whose residents would be adversely affected in a number of ways if it were to be accepted.

It seems unlikely that there is significant demand for an early hours food service in the local community. So far as I am aware the applicant has done nothing to ask local residents about local demand or for their views on this application (nor had the applicant informed other shopkeepers whom I asked about it). This is surprising and tends to confirm that the application is intended to serve visiting rather than local customers.

This is the THIRD part of my comment on this application. The fourth part will follow.

The introduction of a takeaway/delivery service after 11pm would attract - and would presumably be advertised to attract - three types of user:

- those leaving the Bickley Arms at its closing time of 11pm, thereby effectively extending the noise and activity in the local area beyond the pub's own licensed hours;
- passing vehicles, presumably attracted by advertising as there are no other early morning food outlets in the area, which would need to park outside the premises, in Lower Camden or in the station car park;
- a delivery service from the pizzeria to customers in a wider area, which would entail delivery traffic going to and from the premises throughout the period up to 3am.

This would cause significant problems for local residents, including:

- increased traffic and traffic noise in the early hours, along local roads (Chislehurst Road including flats in and around the site itself, and homes in Old Hill and Lower Camden which would be access roads);

Application comments:

- noise in the early hours associated with people while they are using the premises and consuming purchases outside, including likely use (without permission) of the table sets outside the Bickley Arms;
- litter from food packaging and drinks left in the local area;
- significant risk of increased anti-social behaviour affecting both local residents and other local shops (which have already experienced problems in the recent past).

This is the fourth and final part of my comment on this application.

The appropriate time for the pizzeria to close, as at present, is to coincide with the closing time of the Bickley Arms (11pm). Any extension beyond this would, for the reasons above, significantly alter the character of the local shopping parade, adversely affect the welfare of local residents and have adverse impacts on the local environment.

I am also concerned that, if the Council were to grant this application, that would set a precedent that could make it more difficult for the Council to reject future applications for other late night / early morning licences should these be proposed by future lessees of other premises within this parade of shops. Such a development would seriously exacerbate all of the detrimental impacts mentioned above.

Objection 30: Lower Camden Chislehurst

Dear Sirs

This application for an extended license is totally without merit on a number of grounds.

- 1: This is predominantly a residential area where everything (including the local pubs - The Bickley and Imperial Arms) close around 11pm or so. Having a takeaway restaurant open until 3 would completely disrupt this pattern and disturb the residents right to peace and quiet for sleep and rest at night.
- 2: Currently the amount of debris and litter generated by the pizza shop and its customers already block the pavement and highways in the morning as neither of them want to place their litter in the bins provided - having a late facility will only make matters worse and would further impinge on local residents right to enjoy a clean environment.
- 3: The restaurant already creates cooking smells in the evening which permeate along Lower Camden but these generally die down around 9pm - for them to be cooking into the small hours would mean that local residents would be further inconvenienced.
- 4: We are not in the centre of a major town here we have a few small shops for the convenience of local residents - opening up this facility in to the small hours of the morning would cause more noise and pollution in essentially a residential area.
- 5: This might also set a dangerous precedent within the local area whereby all the shops and premises then ask for further extensions
- 6: I further understand that the owners of this establishment also own the one in Orpington High Street - this is a much more appropriate place for late night opening and if you need a pizza a 2 in the morning then getting from Chislehurst to Orpington is not a big task.

Objection 31: Vale Road

I wish to object to this application. This area of Chislehurst is clearly a residential area with a small handful of shops and a pub to serve the immediate local vicinity. There is absolutely no requirement for this premises to stay open beyond 11pm. Who are they proposing to serve in these extended hours? The residents do not want people congregating outside a pizza shop at these times. I expect that some custom will come from Deliveroo or Uber Eats type delivery people arriving and departing on loud mopeds. Other takeaway places (e.g. McDonalds) have dozens of these delivery people lounging around both inside and out waiting for orders. The local community do not want

Application comments:

people congregating and creating noise in the small hours. There may also be late night revellers - but who is out and about wanting pizza at 2:30am when the pub across the road closes at 11pm? So for whom is Fireaway actually catering with these extended hours? I suspect that the types of people attracted also likely to want to deal in other, illegal, substances. I can see the only commercial relevancy as a front for drug dealing. By opening in the early hours Fireaway will become a noisy hub for unsavoury characters which is totally unnecessary and unwanted in a peaceful residential neighbourhood and likely to lead to other crime. I urge for the application to be rejected.

Objection 32: lower Camden Chislehurst

I object to the late opening hours on the grounds of general down grading of the area and the noise at an unsuitable hour

Objection 33: Lower Camden Chislehurst

This is a quiet residential area. To have a 3am late night opening is going to cause noise as it is unlikely to be local residents but people driving in from outside the area. Deliveries will also cause noise.

Objection 34: Lower Camden Chislehurst

Dear Sir/Madam. I wish to strenuously object to this application to extend the opening hours of this pizza shop. This is a residential area and does not need the establishment to close so late. There is no local demand for the services at the extended times. The benefit will be for people living outside the area who are likely to order deliveries of food after they get home from pubs and clubs. These patrons are also likely to come and pick up food at these antisocial hours. This means increased traffic, noise, litter, likely increase of antisocial behaviour and thus significant detriment impact for local residents. Such extended hours are probably suitable for a High Street or other commercial location. This is a peaceful residential area and I don't want to risk this changing. Per my research no other Fireaway location has such extended hours and if they do they are probably not a quiet residential area. The patrons who do attend are likely to cause nuisance if they are intoxicated and this will result in taking up police resources - as well as the impact to local residents. We are proud of our area and we like the fact that we have a mini supermarket/post office, hairdresser, fish & chip shop and a coffee shop who all serve the area well. So do Fireaway but residents do not want or require a pizza service at 2.30am, we are all asleep. We do not need this shop to close at 3am - this only benefits people from elsewhere. If the franchise holders would like to provide such extended service then perhaps they could consider moving to another location which is not residential and has sufficient parking and a more litter cleaning provisions. No to Fireway's application! If this application is approved then it will be a disaster for this area. Please, I request you to reject this application.

Thank you for your understanding and consideration.

Objection 35: Lower Camden Chislehurst

We object to extended hours since we feel there will be significant problems with noise and litter, including increased traffic noise at night along Lower Camden, and risk of anti-social behaviour. We think it would have been helpful if the applicant had at least considered the views of local residents and shopkeepers before making this application, and the Council should certainly be listening to the views of local residents.

Application comments:

Objection 36: Lubbock Rd

Dear Licensing,

I would like to make an objection to the application of opening hours for Fireaway Pizza in Chislehurst Rd to extend their opening hours from 11pm to 3am.

I live at number xx Lubbock Rd and have done for the past 10 years.

My points are:

- There is nothing open to this hour in the local area so it will only attract those leaving nightclubs and getting taxis to buy pizza at this time. This will increase noise in the area during the night and bring anti-social behaviour to the area.
- There will also be an increase in litter as pizza packets are thrown on the roadside and in neighbouring gardens.
- This is a quiet area with no need for a food establishment to be open until this time.

Objection 37: Lower Camden Chislehurst

Worry over late night noise and anti-social behaviour - esp in a family area with lots of children close by. It is bad enough when the Bickley opens late.

Also concerns about a build-up of litter and mess.

Frankly opening late will stand out for this area and attract people stopping and hanging around on the street.

Objection 38: Lower Camden Chislehurst

As a residential area having a fast food delivery place with the increased delivery traffic would be unacceptable at the times of day proposed. We already have an issue of speeding cars on our road and a mob of mopeds would be unwelcome.

Objection 39: Lower Camden Chislehurst

I object to this proposal for the following reasons:

- 1) potential for antisocial behaviour in and around the premises.
- 2) increased litter problem in a parade of shops which is already unsightly and has vermin.
- 3) noise from delivery vehicles late at night in a residential area.

Objection 40: Lubbock Road

Dear Sirs, we live in Lubbock Road and wish to object to the licensing application by Fireaway Pizza at 53 Chislehurst Road, Chislehurst for extended daily opening hours to 3am.

This area is primarily residential and Fireaway is used largely by families and teenagers. We do not think licensing or late licensing is required for a takeaway pizza when there is a Co-op in the same row and a Pub across the road.

In December, the Coffee Shop hosted a couple of midweek parties. There were many drunk young people in Station Road/Old Hill and Lower Camden at 11.30pm making a lot of

Application comments:

noise, and leaving food and bottles all over the place including in the gutters (which caused problems/slashed tyres for commuters the next day).

We fear problems would be even worse with daily 3am pizza licensing. It would encourage trucks vans and taxis to the location where parking and access is not suitable. It would also make late night commuting/walking more risky.

We hope the Council will reject this application completely.

Objection 41: lower camden Kent

I would like to object this proposal as the noise, smell, additional parking on our road and increased traffic will disturb my young child sleeping as we live so close to Fireaway

Objection 42: Chislehurst Rd

To whom it may concern, I wish to formally object to this recent application. Chislehurst Rd is a quiet residential area and is not an appropriate place to be selling alcohol after 11pm . This pizza shop already attracts the wrong sort of trade and is already a nuisance to the neighbourhood, adding alcohol and extending the hours will only make it worse .

Why don't you survey the local residents ?

Objection 43: Woodlands Road

To whom it may concern,

I wish to register my objection to the above request to open until 3am. This is a quiet suburban area and I don't understand the need to have these sort of opening hours in this area. If approved, there will be people driving and additional traffic at unsociable hours which will bring unnecessary noise and disturbance to the local area and residents.

Objection 44: Chislehurst Road

To whom it may concern

Strong objection to Licensing Request

We strongly object to the attached request for a licensing permit to sell late night refreshments between the hours of 23.00 and 0300. We live on Chislehurst Road, which is a quiet good residential neighbourhood. Allowing this Pizza outlet to sell pizzas until 3am in the morning will only increase the volume of noise into the early hours and is totally unacceptable - it is completely the wrong location for an establishment that sells fast food into the night.

It is not clear to me whether their request extends to alcohol, but if it does, this again is totally unacceptable if allowed to do so through to 3am and is not in keeping with the area.

If you were to consult residents in the immediate area I am very confident you would find very little support for this request and plead with you to please reject the request.

Application comments:

Objection 45:

I am writing to object to the application by FIREAWAY for a Late Night Refreshment Licence for between 23:00 and 03:00 Monday to Sunday. There is no demand for such licencing hours, it is a residential area and the train service does not operate for 24 hours in the day. Such a licence would encourage unruly behaviour and noise not acceptable within a residential area.

Objection 46:

Dear Bromley Council

I would like to make a complaint to the request to extend opening hours until 3am seven days a week for the Pizza Takeaway.

This is a quiet residential area and this will potential mean late night noise and disturbance into the area, which will be unwanted from all local residents.

Objection 47:

To whom it may concern

Strong objection to Licensing Request

We strongly object to the attached request for a licensing permit to sell late night refreshments between the hours of 23.00 and 0300. We live close to Chislehurst Road, which is a quiet good residential neighbourhood. Allowing this Pizza outlet to sell pizzas until 3am in the morning will only increase the volume of noise into the early hours and is totally unacceptable - it is completely the wrong location for an establishment that sells fast food into the night.

It is not clear to me whether their request extends to alcohol, but if it does, this again is totally unacceptable if allowed to do so through to 3am and is not in keeping with the area.

If you were to consult residents in the immediate area I am very confident you would find very little support for this request and plead with you to please reject the request. I am surprised that this request, because of the level of impact to family living, has not been made more broadly aware to people living in the immediate area

Objection 48:

Dear Sir/ Madam' I am particularly concerned about the application regarding extended licensing hours for the above premises,

I have witnessed delivery drivers on their motorcycles revving up their vehicles for fun as late as 10-00pm

I am also concerned about the noise level of late night revellers impacting on the flats and houses near to the premises,

Equally their could well be an impact on the environment re rubbish outside and around the area of the shop!

Application comments:

I do hope the above will be taken into account when a decision for a licence until 3-00 am is decided

Objection 49: Vale Road

Dear Sir

As a local resident I am very concerned about an application to extend the opening hours to 3am 7 days a week.

This is a residential area and there is no justification for allowing the applicant to get their way.

Should they be permitted to extend their opening hours to 3am then this could encourage other restaurant outlets to similarly apply such as The Bickley Arms.

The additional noise from the in house customers and delivery bikes would be intolerable and no doubt result in more rubbish being dumped.

We already have a stretched police presence in the area and the extension to open hours is an unnecessary potential risk factor

Objection 50:

Dear Bromley

I write in opposition to the hours' extension application made by Fireaway at the above address.

3am seems completely out of character for a quiet residential area with little else going on at that time. I would suggest allowing an extension to stay open for 1 hour after pub trading hours (The Bickley being situated opposite), might be a compromise - so 12 midnight.

Objection 51: Denbridge Road

I am writing to register my strong objection to the above proposal to increase the operating hours of the above establishment to this unacceptable degree.

Fireaway is situated in a largely residential Conservation Area and would be the only establishment in the vicinity trading at the proposed times. There are concerns regarding litter, noise and anti-social behaviour in an area that is generally quiet and untroubled after the two nearby public houses have closed. In addition, I find it difficult to comprehend that there is much call for such takeaway foodstuffs in the 'wee small hours' and would therefore ask that my objections be taken into consideration by those responsible for granting such licences.

Objection 52: Denbridge Road

Dear Sir or Madam

I am writing in the capacity as a local resident to express my objection to the premises licence application by FIREAWAY 53 Chislehurst Road, BR7 5NP.

I believe that the requested opening hours for the establishment until 3am are excessive and would encourage gatherings, antisocial behaviour and noise from the motorbikes and cars which collect for takeaway deliveries. The property is located in a primarily quiet residential area which would be adversely affected by all of the above.

Objection 53:

Dear Sir/Madam,

We write to object to the extension of the licensing hours of the above premises.

We are local residents, and the premises/area is in a quiet residential area.

We object on 2 grounds:

1. Prevention of Public Nuisance.
 - a. Noise and Nuisance. The likely customers within the proposed hours are seeking a place to drink alcohol after the closing hours of The Bickley pub (opposite) or people travelling home late at night from Central London; this is effectively an extension of The Bickley trading hours and likely to create noise and nuisance in a quiet residential area.
 - b. Car Parking is minimal outside the premises, increasing the likelihood of cars parking dangerously late at night.
2. Public Safety. Vehicles /traffic passing down the Chislehurst Road, under the bridge are likely to not see/envisage pedestrian traffic / cars and this is likely to create road hazards late at night. The bend has poor visibility and a limited/very narrow footpath.

Objection 54:

Dear Sirs

I am writing with regard to the above. I live opposite at xxx

I have objected on line but am not sure if that went through as I know there were issues with this.

I am also questioning whether as a very local resident I received notification of this application and feel I should have?

Please could you record my comments as follows and share wherever necessary, thank you.

Application comments:

This is not a town centre this is a residential neighbourhood with a few local facilities so extending the licence/opening hours into the late night/early hours here will have a HUGE impact on us locally. This will bring unacceptable disturbance particularly a lot of noise from customers - sober and drunk, enough of which we get at pub turn out time - we don't need any more going later into the night which should be peaceful instead of waking us up, and cars pulling up/revving away, doors slamming, delivery people and their motor bikes causing a disturbance, probably more litter. And drunk people using dark corners as a toilet - and they do. Noise reverberates around this zone. After midnight here it's currently very quiet and it must stay that way to protect the health and well-being of local residents. The applicants clearly think they will get business and that will absolutely bring all this unacceptable disturbance with it. REFUSE THIS APPLICATION.

Objection 55:

Hi !

Firstly , as neighbours in the vicinity , why were we not notified of this application - we only know by word of mouth ?

The request for them to stay open until 3a.m. - yes,3a.m. ! - is an insult to the residents within the area ! We already have to contend with the fall out from our immediate neighbours , The Bickley Arms , here at Tollgate Lodge albeit they are aware of our concerns and do their best to keep late night noise to a minimum.

This is a residential area with sheltered accommodation for the elderly within earshot.

I suspect, without any evidence, that this may be a bargaining ploy by the management of Fireaway for you to compromise to ,say, midnight closure which I would also object to.

At present, the kids driving the delivery motorcycles rev them up with no concern for local residents and no intervention from a non existent management. I can foresee turnout from the pub then making a beeline for the pizza outlet either sober or drunk with the inevitable anti social behaviour that follows and litter everywhere.

UNDER NO CIRCUMSTANCES SHOULD ANY EXTENSION BE GRANTED - you have a duty to uphold the quality of life for local residents over greedy business - do so.

Applicant Response to PHNT Objections

From: Delta Tech
Sent: 08 March 2023 15:05
To: Licensing
Subject: Re: Objections to Fireaway Pizza

Dear Licensing Team

Thank you for your email

In reference to the objection by nuisance team:

The applicant wishes to make the following proposal which is similar to their initial recommendations

- Late Night Refreshment

Sunday to Thursday 23:00 to 01:00

Friday to Saturday 23:00 to 03:00

All customers to have left by 23:00 everyday except for drivers and staff, doors to remain closed after 23:00 for customers with a notice indicating the closure and staff member ensuring doors are closed at all times. Manager to work actively with neighbouring residents and to have a direct contact to ensure issues of noise or disturbance are addressed immediately. Drivers and staff not to congregate outside the site after 23:00. Deliveries to be made with green vehicles after 23:00 to reduce noise.

Ultimately, the extra couple hours of sales would greatly assist the business which is facing considerable struggle due to economic downturn, we believe the condition we proposed upholds the objective of preventing public nuisance.

We look forward to hearing from you soon whether this proposal is satisfactory and please don't hesitate to contact us if you have further comments.

Kind regards
Delta Tech

Dear Licensing

Following the notification on this application, The nuisance team have concerns in respect of the following -

The closing hours applied for, are outside what we would recommend for the area due to the proximity residential premises and a low traffic level in the area late at night

We will recommend all customers to leave the premises by 23:00hrs Sunday to Thursday and midnight Friday and Saturday. We are happy for delivery to take place an hour later after the closing time.

The application as it stands would allow for it to open until 03.00hrs each day with no restrictions.

As it stands, we object to the granting of the licence on the grounds of Public nuisance, as it is highly likely to have a negative impact on the licensing objectives -

- the prevention of crime and disorder.
- public safety.
- the prevention of public nuisance.
- the protection of children from harm.

We would like to see the application amended as follows

Late night refreshment

Sunday to Thursday – 23.00hrs to 00.00hrs

Friday & Saturday – 23.00hrs to 01.00hrs

With the following condition to be included on the licence

“All customers must have left the premises and the doors to be closed except for delivery drivers and staff by 23.00hrs Sunday to Thursday and 00.00hrs Friday and Saturday”

Therefore, the Public Health Nuisance Team raise a formal representation to the application at this time .
