3. COMMENTARY

Background

- 3.1 Risk Management is the identification, analysis and overall control of those risks which can impact on the Council's ability to deliver its priorities and objectives. The Adult Care and Health Services Risk Register feeds into the Corporate Risk Register, via the Corporate Risk Management Group, and comprises the high level departmental risks which are underpinned by more detailed registers contained within the divisional business plans.
- 3.2 Audit Sub-Committee agreed that the Corporate and Departmental Risk Registers would be reviewed at their meetings twice a year and then subsequently scrutinised by the relevant PDS Committee. Internal processes require that the departmental risk registers be updated and agreed by the Departmental Leadership Team (DLT) on a quarterly basis and be reviewed by the Corporate Risk Management Group.
- 3.3 The Adult Care and Health Risk Register 2022/23 Quarter 4 update was agreed by Adult Services Leadership Team in May 2023.
- 3.4 The Adult Care and Health Services Risk Register is attached as Appendix 1. The risks included in the Risk Register are outlined below.

1	Failure to deliver Financial Strategy
2	Failure to deliver effective Adult Social Care services
