Page 297 of report pack, paragraph 3.11 – change reference from Garden City to Garden Suburb.	<p>Changed as follows:</p> <p>Petts Wood developed during the late 1920s and 1930s, <del>inspired by the Garden City movement</del> <b>following the Garden Suburb principle.</b></p>
Page 422 of report pack, guidance note DG14, part B – change from ‘best practice’ to ‘good practice’.	Change made.
Page 434 of report pack, paragraph 5.254 – change from ‘can’ to ‘should’.	Change made
Page 438 of report pack, guidance note DG19, parts A and B – amend reference to ‘adopting’ approaches as the Council has not formally adopted these approaches.	<p>Change made as follows:</p> <p>a) <del>Adopting</del><b>Following</b> the Healthy Streets Approach...</p> <p>b) <del>Adopting</del><b>Taking</b> an inclusive holistic approach...</p>
Page 452 of report pack, guidance note DG20, part C – wording is limited only to internal water saving measures but should be broader to incorporate internal and external water consumption measures.	<p>Change made as follows:</p> <p>Incorporating internal <b>and external</b> <del>water saving</del> water consumption measures to <del>minimise consumption</del> <b>ensure efficient use of water resources</b>, and external Sustainable Urban Drainage Systems (SUDs) to manage surface water and flood risk.</p>
