Proposed initiatives have passed through PDS Committee and Executive. Once complete and following consultation, revised transport policies will seek to be adopted which will create greater opportunities and flexibilities in the transport offer including opportunities for Independent travel training, and access to personal transport budgets. Significant work has been undertaken to optimise the routes into schools to ensure vehicles operate at greater capacity and vehicle numbers reduced as a result. The tendering exercise based on the optimised routes has been successfully delivered reducing the numbers of vehicles operating and reducing the average daily costs of routes. Numbers continue to come through (as they will throughout the year) and these introduce new challenges. At this point in the year there is limited spare capacity which in turn demands a premium price. Formal consultation has been completed and final approval decision taken. Full implementation now underway.	Director, Education (Jared Nehra)
