SPD paragraph 5.25 – amend reference to Civic Centre site to reflect that Civic Centre is moving in 2024.	<p>Changed as follows (added text in bold):</p> <p>“Kentish Way causes various severance issues, especially in terms of facilitating east-west movement to the current Civic Centre site...”</p>
SPD paragraph 5.26 – add reference to potential additional stress on junction as a result of the new Civic Centre site.	<p>Changed as follows (added text in bold):</p> <p>“Masons Hill/Westmoreland Road junction capacity improvements are identified as a potential transport improvement in the Local Plan, policy 36. This could help to address accessibility issues in the south of the town centre, particularly from/towards Masons Hill and Bromley Common (which is the busiest junction in the borough). These improvements could be particularly important given the development proposals coming forward in this area as well as the new Civic Centre site which is due to fully open in 2024.”</p>
SPD guidance note 12 – change ‘create’ to ‘investigate’	Change made
