QUESTIONS FOR ORAL REPLY

1. From Tommy Velvick, Co-opted Member to the Portfolio Holder for Children, Education and Families

Could the Portfolio Holder provide an update on the changes made (if any) to Bromley Healthcare's "Your Choice Your Voice" RSE Programme since the new agreement with Kings Hospital was made?

Reply:

'Your Choice Your Voice' is a programme developed by Bromley Healthcare and was outside of the new arrangement with Kings. The programme was temporarily paused to enable focus on a smooth transition. However, Bromley Healthcare is now reviewing arrangements to commence delivery and will provide further details once a timescale has been confirmed.
