### 3. COMMENTARY

- 3.1 Bromley Council operates under a “Leader and Executive” constitutional model, with most decision-making functions resting with the Leader, the Executive and Portfolio Holders. However, there are a number of functions which the executive side is prohibited from dealing with, for which Committees need to be appointed. In Bromley, the majority of these “non-executive” functions are the responsibility of Development Control Committee for town planning and related functions, Pensions Committee, Audit and Risk Management Committee, Standards Committee and this Committee for any other non-executive functions.
- 3.2 General Purposes and Licensing Committee fulfils the role of Licensing Committee under the 2003 Licensing Act (which requires a membership of between ten and fifteen councillors), but also deals with a range of other non-executive functions that cannot be dealt with by the Executive or do not fall within the terms of reference of other non-executive Committees. It therefore has a range of varied and sometimes unrelated responsibilities, including human resources, complaints, elections and appointments. The Committee’s Terms of Reference as set out in the Constitution are set out at [Appendix A](#).
- 3.3 The Committee’s role is very different to that of a PDS Committee, in that it has decision-making powers, many of which are delegated to a number of sub-committees -
- Appeals Sub-Committee
  - Industrial Relations Sub-Committee
  - Licensing Sub-Committee
  - Rights of Way Sub-Committee

These sub-committees have decision-making powers within their own terms of reference, and only meet when issues arise that require a decision from Members.

- 3.4 The Committee has six scheduled meetings each year, plus a special meeting after the Council’s annual meeting to appoint its Sub-Committees. The meetings for the 2023/24 Council year are set out in [Appendix B](#), along with the reports anticipated for each meeting.

#### **Matters Outstanding**

- 3.5 At meeting on 23<sup>rd</sup> May 2023 Members also requested a report or update on the implementation of new legislation relating to Elections, which will apply for the 2024 London Mayoral election and the next General Election (minute 64). The Committee has already received a high-level overview of changes introduced through the Elections Act 2022 at its meeting on [3<sup>rd</sup> November 2022](#). A report is included in the current agenda.
- 3.6 At the last meeting on 17<sup>th</sup> July 2023, arising from a recent hearing, Cllr Simon Jeal suggested a review of licensing conditions (minute 72). The Licensing Manager advises that every Premises Licence has a standard set of nine conditions which cannot be changed as they are set out in law. All other conditions come from the applicant as part of their application. Guidance is clear that additional standard conditions should not be applied to any license, as each license should be viewed on its individual merits. However, the Licensing Authority can change conditions to ensure that they are relevant and enforceable. Where the conditions need substantial amendment it may be appropriate to issue a decision without finalising the conditions, which can then be worked up by the Licensing Officers after the meeting. It is anticipated that this issue will be addressed in future training for Licensing Panel members.
- 3.8 There are no other matters outstanding to report.
