1. SUMMARY

1.1 This report provides Members with the Adult Social Care Local Account for 2022/23 (see Appendix A). The Local Account provides an overview of how we have supported our residents to maximise their wellbeing and independence in the community during 2022/23, and what we plan to do in the upcoming year (2023/24).

2. THE BRIEFING

2.1 In 2011, the Department of Health recommended that all Local Authorities' Adult Social Care directorates publish an annual Local Account. This demonstrates how the Local Authority has performed in Adult Social Care, and is the way in which progress can be communicated to the wider community.

2.2 The work outlined in this report has supported people to have choice and control, and to maximise their wellbeing and independence in their local community.

2.3 The Local Account recognises significant successes for Adult Social Care in 2022/23. Adult Care and Health PDS Committee, Health and Wellbeing Board and the Council's Executive have received reports on areas covered within this briefing throughout the year.

2.4 There are also areas for development which are reflected in the Adult Care and Health Portfolio Plan for 2023 to 2024 under the following ambitions.

- Ambition 2 - For adults and older people to enjoy fulfilled and successful lives in Bromley, ageing well, retaining independence and making choices.
- Ambition 5 - To manage our resources well, providing value for money, and efficient and effective services for Bromley's residents.
