Matters Outstanding from Previous Meetings

3.1. **Appendix 1** sets out matters outstanding from previous meetings (if any).

Work Programme

3.2 Each PDS Committee determines its own work programme, balancing the roles of (i) pre-decision scrutiny and holding the Executive to account, (ii) policy development and review and (iii) external scrutiny. ERC PDS Committee has the additional role of providing a lead on scrutiny issues and co-ordinating PDS work.

3.3 PDS Committees need to prioritise their key issues. The work programme also needs to allow room for items that arise through the year, including Member requests, call-ins and referrals from other Committees. Committees need to ensure that their workloads are realistic and balanced, allowing sufficient time for important issues to be properly scrutinised. Members also need to consider the most appropriate means to pursue each issue – the current overview and scrutiny arrangements offer a variety of approaches, whether through a report to a meeting, a time-limited working group review, a presentation, a select committee style meeting focused on a single key issue, or another method.

3.4 **Appendix 2** sets out the RRH PDS Committee Work Programme for the current municipal year, including: the provisional report title (or activity); the Report Author; and Committee's role. The Committee is invited to comment on the proposed schedule and suggest any changes it considers appropriate.

3.5 Other reports will be added to the Work Programme as items arise. In addition, there may also be references from other committees, the Renewal, Recreation and Housing Portfolio Holder, or the Executive.
