Questions from Members of the Public for Oral Reply

1. From Kieran Terry to the Portfolio Holder for Transport, Highways and Road Safety

In 2021, when I was a Chislehurst Councillor, I put forward some drawings for road safety improvements at Chislehurst War Memorial. In particular, these included the creation of new pedestrian crossings without the related traffic congestion, environmental and road safety issues from previous proposals. Will the Portfolio Holder consider these plans further?

2. From Ju Owens to the Chairman of the Executive, Resources and Contracts PDS Committee

With regards to your recent request for officers to review Bromley Council's processes, policies and procedures to protect and defend freedom of speech, do you agree that freedom of speech does not equate to freedom from consequences?

3. From Ray Nowak to the Portfolio Holder for Renewal, Recreation and Housing

How many households have benefited from the Bromley Household Support this past fiscal year and what is the balance remaining in that fund?
