<u>Minute Number/Title</u>	<u>Matters Arising</u>	<u>Update</u>
Min 8 PPE Performance Overview 24/01/24	<p>The Chairman noted that the report referenced breaches of planning control and had been rag rated as 'green'. The issue pointed out by the Chairman was that the report had simply been marked as 'awaiting data'. The Chairman asked when this data would be available. The Assistant Director for Public Protection said that she would investigate this.</p>	<p>The following data has been provided by the Head of Planning and Development Support Team regarding the number of breaches of planning control:</p> <p>April 23: 68            May 23: 71            June 23: 75            July 23: 69            Aug 23: 61            Sept 23: 51            Oct 23: 82            Nov 23: 65            Dec 23: 47            Jan 24: 65            Feb 24: 55</p> <p>All the cases have been fully investigated.</p>
Min 10 Draft Budget 24/01/24	<p>The Chairman was concerned that further financial assistance was needed, otherwise there would be problems with providing discretionary services and serious decisions would need to be made. He said that CCTV was a good example; although it was a non-statutory service in itself, the Council could not fulfil its statutory duties of protection without the CCTV. The Chairman said that another risk was MOPAC funding, as this always seemed to arrive late. The Chairman requested a list of MOPAC funded projects.</p>	<p>A list of the MOPAC grant funded work areas was sent to Cllr Page and Cllr Cartwright on 20<sup>th</sup> February 2024.</p>
Min 11 SBP Strategy Update 24/01/24	<p>The committee was informed that the consultation regarding the priorities for the new SBP Strategy was ongoing, and would close on the 12th of February. The Assistant Director for Public Protection encouraged responses to the consultation. Once the consultation process had ended, then an update would be brought back to the committee.</p>	<p>The results of the consultation will feature in the report about the Safer Bromley Strategy which will be presented at the meeting.</p>
