

Priorities

Safer Bromley Strategy 2024-27 (DRAFT)

PREVENTION

partnership*

Build resilient communities by delivering a comprehensive crime prevention programme to build community resilience and improve safety.

PEOPLE

saferbromley

Protect people by delivering targeted early intervention to people who are at higher risk of being impacted or affected by crime.

PLACES

Be stronger together by designing and delivering targeted crime and disorder reduction measures in collaboration with communities in areas with the highest levels of reported crime and disorder.

Safeguarding is and remains everyone's responsibility.

Victims and communities are central to the development, commissioning, and delivery of services.

Embrace equality, diversity, and inclusivity.

Improve efficiency by collaborating across agency and sector boundaries to plan, commission and jointly deliver services.

Mainstream Community Safety into corporate policies, procedures, and practices.

Enhancing knowledge and understanding of crime and anti-social behaviour through effective information sharing.

Operate a robust performance management framework

PREVENTION

Collaborate with community representatives and those with lived experience to raise awareness of risks, preventative action and available support.

Restrict access to items that can be used as weapons and continue to provide safe disposal options.

PEOPLE

Review multi-agency case management quick and effective processes to ensure protection of victims.

Increase recognition of exploitation and the action to take to minimize risks.

Improve access and confidence in the processes for reporting crime.

PLACES

Undertake environmental visual audits of areas with the highest reported crime to identify opportunities to reduce opportunities for crime and reduce fear of crime.

Review and continue to develop the Community Impact Days.

The Safer Bromley Partnership will monitor crime levels, acknowledging that some levels of reporting may increase as people have more access and confidence in the response they will receive, such as sexual offences and hate crime.

In addition to annual community surveys to establish public perceptions of crime and disorder and regular community engagement events, we will monitor customer feedback from commissioned support services.
